Bose QuietComfort Earbuds User Manual

Model: 888507-0100

INTRODUCTION

The Bose QuietComfort Earbuds are true wireless earbuds designed to provide an exceptional audio experience with active noise cancellation. They feature deep bass, an IPX4 rating for water and sweat resistance, and extended playtime. This manual provides essential information for setting up, operating, and maintaining your earbuds.

Key features include legendary noise cancellation, powerful audio performance, up to 8.5 hours of battery life per charge, Bluetooth multipoint connectivity, customizable fit with various ear tips and stability bands, and intuitive touch controls. Full control and personalization are available through the Bose QuietComfort Earbuds app.

WHAT'S IN THE BOX

- 2 Bose QuietComfort Earbuds
- Charging Case
- Bose Fit Kit: 3 pairs of ear tips (small, medium, large)
- Bose Fit Kit: 3 pairs of stability bands (1, 2, 3)
- USB-C® (A to C) cable (12")
- Safety sheet

SETUP

Initial Charging

Before first use, fully charge your Bose QuietComfort Earbuds and the charging case. Place the earbuds into the charging case. Connect the USB-C cable to the charging case and a power source. The indicator light on the case will show charging status. The earbuds also support wireless charging.
