2. PRODUCT FEATURES

- **Custom Fit for Samsung:** Tailored specifically for Samsung Gas Cooktop Model NA30N7755T, ensuring a precise fit around burners and grates.
- **Made in the USA & Heat Resistant:** Constructed from high-quality materials, heat resistant up to 500°F (260°C), safeguarding your stovetop's metal surface.
- **Dishwasher Safe:** Designed for easy cleaning; simply place on the top rack of your dishwasher for a hassle-free wash.
- **Easy Installation & Removal:** Comes in three custom-sized pieces for quick placement and removal, allowing for constant cleanliness.
- **Lifetime Warranty with Safety:** PFOA & BPA Free, eco-friendly, and backed by a 100% satisfaction guarantee, reflecting a commitment to quality and safety.

Customized

STOVE PROTECTORS

Premium Plus "Customized Stovetop Protectors Liners" for Samsung Gas Cooktop. Match your burner location with our image for a perfect fit. Protects stovetop from spills and grease, easy to clean and dishwasher safe. Enjoy a cleaner, convenient cooking experience.

3. SETUP AND INSTALLATION

Installing your Premium Plus Stove Protectors is a simple 3-step process:

1. **Step 1: Prepare the Stovetop.** Ensure your stovetop is cool and clean. Remove all grates, burner caps, and any other accessories from the cooktop surface.
2. **Step 2: Lay Down the Covers.** Carefully place the customized protector liners onto the stovetop. Start with the middle section, then position the two side pieces. The liners are designed to lay together, overlapping slightly to fully protect the metal surface.
3. **Step 3: Reassemble.** Once the protectors are in place, reassemble the stove accessories (burner caps, grates). Ensure all parts are securely seated.

Your stovetop is now protected and ready for use. The custom fit ensures that the liners stay securely in place during cooking.

4. OPERATING INSTRUCTIONS

Once installed, the Premium Plus Stove Protectors function as a protective barrier for your cooktop. They are designed to withstand normal cooking temperatures and catch spills, drips, and grease, preventing them from reaching the stovetop's metal surface. Continue to use your gas cooktop as normal, ensuring that flames do not directly contact the protector liners.

5. CARE AND MAINTENANCE

Maintaining the cleanliness of your Premium Plus Stove Protectors is straightforward:

- **Between Uses:** For minor spills, simply wipe down the liners with a wet sponge or cloth.
- **Deep Cleaning:** For more thorough cleaning, the stovetop protector liners are dishwasher safe. Place them on the top rack of your dishwasher.
- **Hand Washing:** Alternatively, the liners can be easily hand washed with soap and water.
- **Partial Cleaning:** If only one side of the stovetop has a spill, you can remove just that specific liner piece, clean it, and replace it without disturbing the other sections.

DISHWASHER SAFE

Keep your stovetop clean, simply remove your Customized Stovetop Protector Liners and just place them in your dishwasher – it's so simple and easy!

Dishwasher Safe

Heating Elements	4
Fuel Type	Natural Gas
Heater Surface Material	Glass Ceramic
Burner Type	Gas Burners
Ignition System Type	Gas Pilot
Control Type	Knob

7. TROUBLESHOOTING

The Premium Plus Stove Protectors are designed for simple and effective use. Should you encounter any issues, consider the following:

- **Liner Not Lying Flat:** Ensure all stovetop accessories (grates, burner caps) are correctly removed before placing the liners. Gently adjust the liners to ensure they are properly seated around the burners.
- **Difficulty Cleaning:** For stubborn, baked-on spills, allow the liners to soak in warm, soapy water before hand washing or placing them in the dishwasher.
- **Damage to Liner:** While durable, avoid direct contact with open flames or sharp objects that could cut or melt the material. If a liner is damaged, it should be replaced.

For further assistance, please refer to the contact information provided in the Warranty & Support section.

8. WARRANTY AND SUPPORT

Lifetime Warranty

Premium Plus Inc. stands behind the quality of its products. The Premium Plus Stove Protectors come with a **Lifetime Warranty** and a 100% satisfaction guarantee. This warranty covers defects in material and workmanship under normal use.
