SETUP

Bluetooth Pairing

1. Turn on the power switch of the keyboard. The blue light will flash for 3 seconds.
2. Press and hold 'FN' + 'BT1' (or BT2/BT3) for 1 second to switch to the desired channel. The LED will start

flashing blue to enter pairing mode.

3. On your device (iPad, iPhone, Mac, etc.), go to Bluetooth settings and turn on Bluetooth.
4. Once you see "SODI Foldable Keyboard" listed under available devices, click on it to connect.

The keyboard supports seamless connectivity to all your Bluetooth devices, including iOS and Mac systems. It will automatically connect to the last device it was paired with upon turning on. Note: This wireless keyboard is not compatible with computer sticks.
