The Vipbear mattress is crafted with CertiPUR-US certified foams, ensuring it is free from harmful substances. Its medium-firm feel adapts to body contours, providing pressure relief and spinal support for a restful sleep experience.

## 2. SETUP INSTRUCTIONS

Your Vipbear mattress is compressed and rolled for convenient shipping. Follow these steps for proper setup:

1. **Move the Box:** Carefully transport the mattress box to your desired room or RV.
2. **Unbox:** Remove the mattress from its packaging.
3. **Unroll:** Place the rolled mattress onto your bed base or frame.
4. **Expand:** Carefully cut the vacuum-sealed plastic wrapping. The mattress will begin to expand immediately.
5. **Allow Full Expansion:** For optimal comfort and full shape, allow the mattress to expand for 24-48 hours before use.

## 4. OPERATING AND COMFORT

The Vipbear mattress is designed to provide a comfortable and supportive sleep surface. Its medium-firm density adapts to various sleeping positions, including side, back, and stomach sleeping, by contouring to the body's natural curves.

# High-Quality Medium Firm Memory Foam

Adapts to the body's contours. Conforms to different sleep positions.

The green tea gel memory foam helps regulate body temperature, preventing overheating and promoting a cooler sleep environment. The low motion transfer feature ensures that movements on one side of the bed do not significantly disturb a partner.

## 5. CARE AND MAINTENANCE

Proper care will extend the life and performance of your Vipbear mattress:

- **Removable Cover:** The Tencel cover features a zipper for easy removal. It is machine washable for convenient cleaning.
- **Spot Cleaning:** For minor spills or stains on the mattress core (after removing the cover), gently spot clean with a mild detergent and water. Allow to air dry completely before replacing the cover.
- **Rotation:** To ensure even wear and prolong the mattress's lifespan, rotate the mattress 180 degrees every 3-6 months.

- **Protection:** Consider using a mattress protector to shield against spills, stains, and allergens.

## 6. TROUBLESHOOTING

### Mattress Not Fully Expanding

If your mattress does not appear to have fully expanded to its stated dimensions after unboxing:

- **Allow More Time:** While most mattresses expand quickly, some may require up to 72 hours, especially in cooler environments. Ensure the mattress is laid flat in a well-ventilated room.
- **Check for Obstructions:** Ensure no packaging material is still restricting expansion.
- **Contact Support:** If the mattress still does not fully expand after 72 hours, please contact Vipbear customer support.
