## **TORRAS TS-GG-YDCX-9XL-CL-1**

# **TORRAS Magnetic Shockproof Case User Manual**

Model: TS-GG-YDCX-9XL-CL-1

For Google Pixel 9 Pro XL

## **1. PRODUCT OVERVIEW**

The TORRAS Magnetic Shockproof Case is engineered to provide superior protection and enhanced functionality for your Google Pixel 9 Pro XL. Featuring advanced magnetic technology and military-grade drop protection, this clear case maintains the original aesthetic of your device while ensuring its safety and compatibility with MagSafe accessories.

## 2. WHAT'S IN THE Box

- TORRAS Magnetic Shockproof Case for Google Pixel 9 Pro XL
- 180-Day Warranty Card (Free Replacement)

## 3. KEY FEATURES

- **Compatibility:** Specifically designed ONLY for Google Pixel 9 Pro XL. Please verify your phone model before use. Not compatible with other wireless chargers or charging pads for Tesla, etc.
- **Reimagined Magnetic Experience:** Features a pioneering Halbach magnet array for precise alignment with the phone's built-in magnets, offering 60% stronger attraction than official magnetic cases. An 18N powerful magnetic force ensures effortless attachment to MagSafe accessories, preventing issues with wireless charging or car mount stability.

## 4. SETUP AND INSTALLATION

Installing your TORRAS case is straightforward:

1. Ensure your Google Pixel 9 Pro XL is clean and free of dust or debris.
2. Align the phone with the case, starting with the top or bottom edge.
3. Gently press the phone into the case, ensuring all corners and edges are securely seated.
4. Verify that all cutouts for ports, speakers, and buttons are correctly aligned.

## 5. OPERATING INSTRUCTIONS

### MagSafe and Wireless Charging

The TORRAS case is designed for seamless integration with MagSafe and other compatible wireless charging accessories. The built-in magnetic array ensures strong and accurate alignment for efficient charging.

- Place your Google Pixel 9 Pro XL (with the TORRAS case installed) onto a MagSafe charger or a Qi-compatible wireless charging pad.
- The magnets in the case will automatically align with the charger for optimal power transfer.
- Ensure the charging accessory is compatible with MagSafe technology for the best experience.

## 6. MAINTENANCE

---

To keep your TORRAS case in optimal condition:

- Clean the case regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials, as these may damage the case's finish or anti-yellowing properties.
- For stubborn stains, a small amount of mild soap can be used, followed by rinsing and thorough drying.

## 7. TROUBLESHOOTING

---

### Magnetic Charging Issues

- **Not charging or weak magnetic connection:** Ensure you are using MagSafe compatible accessories. The case is designed for optimal performance with official MagSafe accessories and iron surfaces. It is NOT compatible with other wireless chargers or charging pads for Tesla, etc.
- **Phone sliding off car mount:** Verify that your car mount is MagSafe compatible and has sufficient magnetic strength. The case provides an 18N powerful magnetic force, but the mount's strength is also a factor.

### Case Fit Issues

- **Incorrect size:** Double-check your phone model. This case is ONLY for Google Pixel 9 Pro XL. Go to "Settings" — "General" — "About" to confirm your device.

If you encounter any other problems, please refer to the **Warranty & Support** section for assistance.
