## 5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and appearance of your YITAHOME Outdoor Chaise Lounge Set.

- **Cleaning:** Wipe down the metal frame and side table with a damp cloth and mild soap. Rinse thoroughly and dry completely to prevent water spots or corrosion.
- **Fabric Care:** The padded textile fabric is quick-drying and resistant to fading, UV, and water. For general cleaning,

use a soft brush and mild soapy water. For stubborn stains, consult a fabric care specialist.

- **Storage:** During prolonged periods of non-use or harsh weather conditions, it is recommended to cover the furniture or store it indoors to protect it from elements.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter.

- **Wobbly Chaise Lounge/Table:** Ensure all bolts and screws are securely tightened. Check that the furniture is placed on a level surface.
- **Difficulty Adjusting Backrest:** Verify that the backrest mechanism is clear of obstructions. Apply gentle, even pressure when lifting and lowering.
- **Fabric Sagging:** While the fabric is designed to maintain its shape, prolonged heavy use or exceeding the weight limit can cause stretching. Ensure the weight limit of 352 pounds is not exceeded.
