HOMCOM 835-136V80BK

HOMCOM 3-Piece Industrial Dining Table Set for 2

Model: 835-136V80BK | Brand: HOMCOM

Introduction

Thank you for choosing the HOMCOM 3-Piece Industrial Dining Table Set. This compact and stylish dining solution is designed for small spaces, offering a functional table and two chairs. This manual provides detailed instructions for assembly, safe usage, maintenance, and troubleshooting to ensure you get the most out of your product.

Image: The HOMCOM 3-Piece Industrial Dining Table Set, featuring a black table and two chairs with wood-look tops, positioned in a bright kitchen.

Safety Information

- Always follow assembly instructions carefully. Ensure all parts are securely fastened before use.
- Do not exceed the recommended weight capacity for the table (132 lbs) and chairs (264 lbs per chair).
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Avoid placing hot items directly on the table surface without protective mats to prevent damage.
- Regularly check all connections and tighten screws as needed to maintain stability.

Package Contents

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Dining Table
- 2 x Dining Chairs (Stools)
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

Assembly Instructions

Assembly is required for this dining set. It is recommended to have two people for easier and safer assembly. Do not fully tighten all screws until the entire unit is assembled to allow for adjustments.

Step 1: Assemble the Table Frame

Connect the metal frame components for the table using the provided hardware. Ensure the frame is stable before attaching the tabletop.

Step 2: Attach the Tabletop

Carefully place the engineered wood tabletop onto the assembled metal frame. Secure it with the designated screws. Avoid overtightening.

Step 3: Assemble the Chairs

Assemble each chair by connecting the metal frame pieces and then attaching the seat and backrest. Ensure all connections are firm.

Step 4: Final Tightening

Once all components are in place, gradually tighten all screws on both the table and chairs. Ensure the set is level and stable.

Image: Detailed dimensions and weight capacities for the table and chairs, indicating the table supports up to 132 lbs and each chair up to 264 lbs.

Usage

This dining set is designed for indoor use in kitchens, dining rooms, or other small living areas. The chairs are designed to tuck neatly under the table when not in use, optimizing space.

Space-Saving Design

The chairs are specifically designed to fit completely under the table, allowing for maximum space utilization in compact environments.

Image: The dining table set with both chairs pushed completely underneath the table, highlighting its compact and space-saving design.

Versatile Placement

The industrial design allows this set to complement various interior styles. It can serve as a dining area, a small workstation, or an additional surface as needed.

Care and Maintenance

Proper care will extend the life and appearance of your dining set.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the engineered wood or metal finish.
- **Spills:** Clean spills immediately to prevent staining, especially on the wood-look surfaces.

- **Protection:** Use coasters or placemats to protect the tabletop from heat, moisture, and scratches.
- **Inspection:** Periodically inspect all bolts and screws and tighten them as necessary to ensure the stability and safety of the furniture.

Troubleshooting

Problem	Possible Cause	Solution
Table/Chairs wobble	Loose connections or uneven floor	Tighten all screws and bolts. Adjust furniture position or use shims if the floor is uneven.
Difficulty during assembly	Screws overtightened too early or incorrect part orientation	Loosen all screws, re-align parts, and then gradually tighten. Refer to the assembly diagrams.
Surface scratches or marks	Sharp objects or abrasive cleaning	Use protective mats. Clean with soft cloths and non-abrasive cleaners. Minor scratches may be touched up with furniture repair pens.
