Bed Bath & Beyond SUGIFT Vanity Table Set Instruction Manual

Model: SUGIFT Vanity Table Set

1. INTRODUCTION

Thank you for purchasing the Bed Bath & Beyond SUGIFT Vanity Table Set. This elegant and functional piece is designed to enhance your space with its modern aesthetic and versatile storage solutions. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new vanity table. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

- Keep all small parts and packaging materials away from children.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or sit on the vanity table.
- Avoid placing hot items directly on the surface to prevent damage.

2. SETUP AND ASSEMBLY

The SUGIFT Vanity Table Set requires assembly. Follow the steps below carefully. It is recommended to have two people for assembly.

Tools Required (Not Included)

- Phillips Head Screwdriver
- Hammer (optional, for dowels)

Unpacking

1. Carefully open the packaging and remove all components.
2. Verify that all parts and hardware listed in the included assembly guide are present.

3. Lay out all pieces on a clean, soft surface to prevent damage during assembly.

Assembly Steps

Refer to the detailed assembly instructions provided in the package for specific diagrams and hardware identification. General steps include:

1. Assemble the main desk frame.
2. Attach the side storage unit.
3. Install the drawers into their respective glides.
4. Mount the mirror and its sliding mechanism.
5. Attach any remaining shelves or decorative elements.
6. Ensure all connections are tight and the unit is stable.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity table.

Problem	Possible Cause	Solution
Table feels wobbly or unstable.	Loose fasteners or uneven floor.	Ensure all screws and bolts are securely tightened. If the floor is uneven, place shims under the legs.
Drawers do not slide smoothly.	Misaligned glides or obstruction.	Check that the drawer glides are correctly installed and aligned. Remove any obstructions from the tracks. A small amount of silicone lubricant can be applied to the glides if needed.

Problem	Possible Cause	Solution
Mirror does not slide easily.	Track obstruction or dirt.	Clean the mirror tracks to remove any dust or debris. Ensure nothing is blocking the sliding mechanism.
Surface scratches or minor damage.	Impact or abrasive contact.	For minor scratches, a furniture repair pen matching the white finish may be used. Prevent future damage by using protective mats.
