SETUP AND ASSEMBLY

The Feasto Outdoor Kitchen Grill Table requires assembly. While the process may take a couple of hours, the instructions provided are designed to guide you through each step. Ensure all parts are present before beginning assembly.

Before You Begin:

- Unpack all components and verify against the parts list in your included manual.
- Clear a spacious, flat area for assembly.
- Gather necessary tools (typically a screwdriver and wrench, often included).

Assembly Steps:

1. Attach the casters to the base frame. Ensure locking casters are positioned as per instructions for stability.
2. Assemble the main cabinet structure, securing all panels and shelves.
3. Install the pull-out plate and its runners within the cabinet.
4. Attach the stainless steel top to the main cabinet.
5. Mount the foldable side tables, ensuring hinges operate smoothly.
6. Install accessories such as the tools rack, paper tissue holder, and condiment rack.
7. If using a propane tank, position it securely in the designated area within the cabinet.

OPERATING INSTRUCTIONS

Extending and Folding Side Tables:

To extend a side table, gently lift the table surface and pull it outwards until it locks into place. Ensure the support legs are fully extended and stable. To fold, release the locking mechanism (if present) and carefully lower the table until it rests against the main unit. Exercise caution to avoid pinching fingers near hinges.

Utilizing Storage:

- **Cabinet:** Open the cabinet doors to access the 50 gallons of closed storage. This area is ideal for larger items or a propane tank.
- **Pull-Out Plate:** Slide out the plate for easy access to frequently used items or as an additional prep surface.
- **Open Storage:** The 23 gallons of open storage are suitable for items requiring quick access.
- **Accessories:** Use the dedicated tools rack, paper tissue holder, and condiment rack for organized storage of smaller items.

MAINTENANCE

Cleaning:

- **Stainless Steel Top:** Clean the stainless steel surface with a soft cloth and a mild, non-abrasive cleaner. For stubborn stains, use a stainless steel cleaner and wipe in the direction of the grain. Avoid abrasive pads or harsh chemicals that can scratch the surface.
- **Painted Surfaces:** Wipe down painted metal surfaces with a damp cloth and mild soap. Dry thoroughly to prevent rust.

General Care:

- Regularly check all screws and bolts to ensure they are tight. Re-tighten as needed.
- Store the grill table in a dry, covered area when not in use for extended periods to protect it from weather elements.
- Lubricate hinges and moving parts periodically to ensure smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Side table does not extend or fold smoothly.	Hinges are stiff or obstructed.	Apply a silicone-based lubricant to the hinges. Check for any debris obstructing the mechanism.
Table feels unstable or wobbly.	Casters are not locked, or assembly bolts are loose.	Ensure all casters are locked. Check and tighten all assembly bolts. Verify the adjustable feet on the folding table are properly set.
Stainless steel top is difficult to clean.	Incorrect cleaning agents or methods used.	Use a soft cloth and a mild, non-abrasive cleaner. For tough stains, use a specialized stainless steel cleaner and wipe with the grain. Avoid abrasive scrubbers.
Cabinet doors do not close properly.	Misaligned hinges or obstruction.	Check hinge alignment and adjust if necessary. Ensure no items inside the cabinet are blocking the doors.
