## Tribesigns JP-HL078

# Tribesigns 39-Inch Square 2-Tier Coffee Table with Storage (Model JP-HL078) Instruction Manual

Brand: Tribesigns

## INTRODUCTION

Thank you for choosing the Tribesigns 39-Inch Square 2-Tier Coffee Table. This manual provides essential information for safe assembly, proper use, and effective maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## SAFETY INFORMATION

- Always read and follow all assembly instructions carefully.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Assemble the product on a soft, clean surface to prevent scratches.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or sit on the table.
- The maximum weight recommendation for this table is 100 kilograms (approximately 220 lbs). Do not exceed this limit.
- Use caution to avoid pinch points during assembly.
- Place the table on a level surface to ensure stability.

## PACKAGE CONTENTS

Before assembly, verify that all parts and hardware are present and undamaged. If any parts are missing or damaged, please contact customer support.

### Parts List:

- Top Panels (2 pcs)
- Bottom Panels (2 pcs)
- Long Metal Frames (2 pcs)
- Short Metal Frames (2 pcs)
- Curved Side Frames (4 pcs)

### Hardware List:

- M6x25mm Screws (Quantity as per guide)
- M6x30mm Screws (Quantity as per guide)
- Dowel Pins (Quantity as per guide)
- Adjustable Foot Pads (8 pcs)
- Allen Wrench (1 pc)

## ASSEMBLY INSTRUCTIONS

For a visual guide, please refer to the official assembly video below. It is recommended to have two people for assembly to ensure stability and ease of construction.

Official Tribesigns Coffee Table Installation Guide. This video demonstrates the step-by-step assembly process for the coffee table.

### Step-by-Step Guide:

1. **Assemble the Top Panels:** Lay out the four top panels (parts 1 and 2) on a flat, protected surface. Insert dowel pins into the designated holes and carefully join the panels to form the tabletop. (Refer to video: 0:05 - 0:14)
2. **Attach Cross Braces to Top Panels:** Secure the long and short metal frames (parts 6 and 7) to the underside of the assembled top panels using M6x30mm screws. Ensure all screws are tightened for a stable connection. (Refer to video: 0:15 - 0:28)
3. **Assemble the Bottom Panels:** Similar to the top panels, lay out the four bottom panels (parts 3 and 4). Insert dowel pins and join them to form the bottom shelf. (Refer to video: 0:55 - 1:06)
4. **Attach Cross Braces to Bottom Panels:** Secure the remaining long and short metal frames (parts 6 and 7) to the underside of the assembled bottom panels using M6x30mm screws. (Refer to video: 1:07 - 1:31)
5. **Connect Top and Bottom Assemblies with Curved Side Frames:** Position the top panel assembly upside down. Attach the curved side frames (part 5) to the top assembly using M6x25mm screws. Then, carefully align and attach the bottom panel assembly to the curved side frames using M6x30mm screws. It is highly recommended to use auxiliary objects to support the weight of the structure during this step, or have a second person assist. (Refer to video: 1:32 - 3:17)
6. **Install Adjustable Foot Pads:** Screw the adjustable foot pads into the bottom of the table legs. These can be adjusted to ensure the table is level on uneven surfaces.
7. **Final Tightening and Inspection:** Once all parts are assembled, gently flip the table upright. Double-check all screws and connections to ensure they are tight and secure.

## SETUP

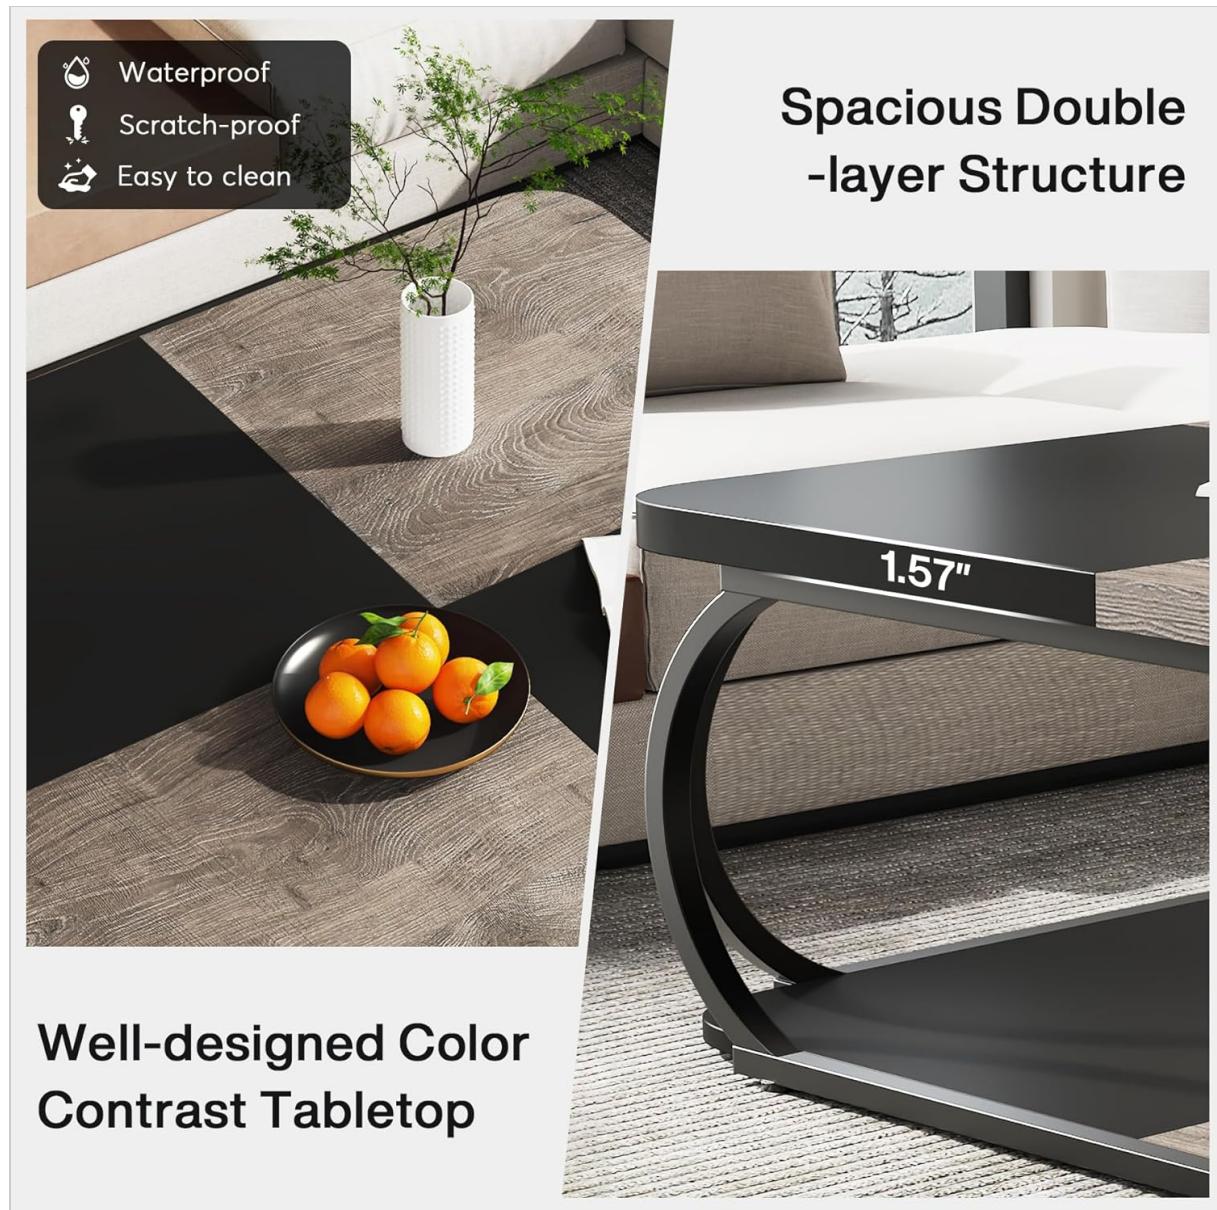

After assembly, choose a suitable location for your coffee table. Ensure the area is clear and the table is placed on a stable, level surface. Adjust the foot pads as needed to prevent wobbling.

## OPERATING (USAGE)

The Tribesigns coffee table is designed for versatile use in various settings. Its two-tier structure provides ample storage and display options.

- **Top Surface:** Use the spacious top for beverages, books, decorative items, or as a central gathering point in your living area.
- **Open Storage Shelf:** The lower shelf is ideal for organizing magazines, remote controls, blankets, or other items you wish to keep within easy reach yet neatly stored.
- **Versatility:** This table functions effectively as a coffee table, center table, tea table, or even a low desk alternative in a home office.

## MAINTENANCE

To ensure the longevity and appearance of your Tribesigns coffee table, follow these maintenance guidelines:

- Cleaning:** Wipe the surfaces with a damp cloth, then immediately dry with a clean, dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- Spills:** Clean up spills immediately to prevent staining, especially on the engineered wood surfaces.
- Protection:** Use coasters under drinks and placemats under hot items to protect the tabletop from heat and moisture.
- Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

## TROUBLESHOOTING

If you encounter any issues with your coffee table, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Table is wobbly	Uneven floor or loose fasteners	Adjust the foot pads until the table is stable. Check and tighten all assembly screws.
Difficulty screwing in feet/bolts	Misaligned threads or tight holes	Ensure parts are correctly aligned. If threads are tight, carefully re-thread with a spare screw or contact support. Do not force screws.
Parts do not align during assembly	Incorrect orientation or incomplete tightening of previous steps	Review the assembly video and instructions to confirm correct part orientation. Loosen previous connections slightly to allow for adjustment, then re-tighten.
Scratches or damage to surface	Improper handling or sharp objects	While the surface is scratch-proof, extreme force can cause damage. Use touch-up pens for minor scratches or contact customer service for severe damage.

## SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Number	JP-HL078
Product Dimensions (D x W x H)	39.4" x 39.4" x 19.7" (99 x 99 x 50 cm)
Item Weight	30 Kilograms (approx. 66 lbs)
Maximum Weight Recommendation	100 Kilograms (approx. 220 lbs)
Frame Material	Metal
Top Material Type	Engineered Wood
Color	Black Grey
Shape	Square
Number of Shelves	1 (lower open storage shelf)
Recommended Number of People for Assembly	2
Product Care Instructions	Wipe with Damp Cloth, Wipe with Dry Cloth
