Xixini 021

Xixini Vanity Desk User Manual

Model: 021

PRODUCT OVERVIEW

The Xixini Vanity Desk is a versatile and stylish furniture piece designed for makeup application and personal grooming. It features an LED-lighted mirror with adjustable lighting modes, smart RGB ambient lighting, a built-in power outlet with USB ports, ample storage with drawers and shelves, and a comfortable cushioned stool. Constructed from durable P2 engineered wood, this vanity desk combines functionality with aesthetic appeal, making it suitable for various bedroom settings.

KEY FEATURES

- **LED Mirror with 3 Light Modes:** Integrated LED light strip offers warm yellow, natural light, and bright white modes with adjustable brightness for diverse makeup needs.
- **Smart RGB Ambient Light:** RGB lighting system under the tabletop, controllable via APP and button, provides over 60,000 static colors and multiple lighting modes, including music synchronization.
- **Convenient Power Strips & Hair Dryer Rack:** Features a built-in charging station with 2 AC outlets and 2 USB ports, along with a dedicated hair dryer rack for easy access to electronic devices and styling tools.
- **Powerful Storage Capacity:** Equipped with 2 deep drawers, 4 open side shelves, a wide desktop, and a cushioned stool, offering extensive storage for cosmetics, jewelry, and beauty essentials.
- **Sturdy & Durable Construction:** Made from P2 engineered wood, ensuring durability, scratch resistance, and easy cleaning. The thickened 1-inch tabletop supports up to 50 lbs.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly, operation, or maintenance of the vanity desk.

- Always unplug the vanity from the power source before assembly, disassembly, or cleaning.
- Exercise caution with sharp edges and potential pinch points during the assembly process.
- Keep all electrical components, including the power strip and LED mirror wiring, away from water or damp environments to prevent electrical shock.
- Do not exceed the maximum weight load of 50 lbs on the tabletop.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Keep small parts and packaging materials away from children to prevent choking hazards.

SETUP AND ASSEMBLY

Assembly is required for this vanity desk. Please follow the detailed instructions provided in the included assembly guide. Ensure all parts are present before beginning assembly. A typical assembly process involves:

1. Unpacking all components and verifying against the parts list.
2. Assembling the main desk frame.
3. Attaching the mirror and side shelves.
4. Installing the drawers and their slides.
5. Mounting the power strip and hair dryer rack.
6. Assembling the cushioned stool.

Tools required for assembly are typically a screwdriver and an Allen wrench (often included). It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

OPERATING INSTRUCTIONS

LED Mirror Operation:

- **Power On/Off:** Lightly touch the power icon on the mirror surface to turn the LED lights on or off.
- **Change Light Mode:** Short press the power icon to cycle through the three light modes: warm yellow, natural light, and bright white.
- **Adjust Brightness:** Long press the power icon to adjust the brightness level within the selected light mode. Release when desired brightness is achieved.

RGB Ambient Light Operation:

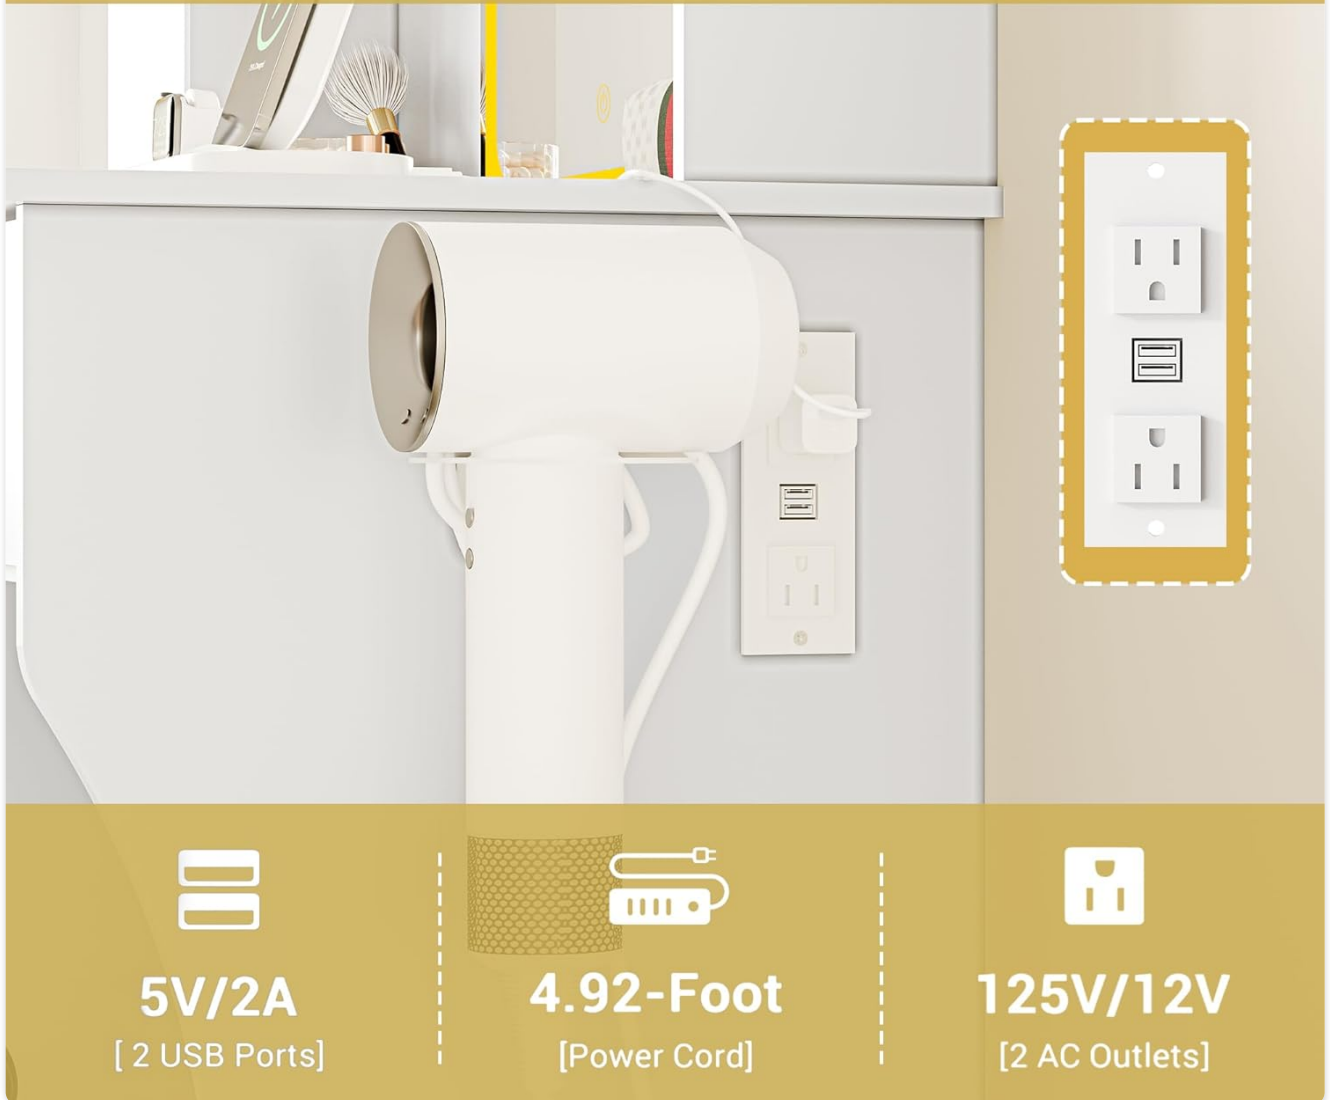

- The RGB ambient lighting system can be controlled via a dedicated button or a smartphone application. Refer to the separate RGB lighting manual for detailed APP connection and control instructions.
- Use the button to cycle through various static colors and dynamic lighting modes.
- The system supports music synchronization for an enhanced visual experience.

Power Outlet and USB Ports:

- Plug electronic devices into the 2 AC outlets (125V/12A) for power.
- Connect compatible devices to the 2 USB ports (5V/2A) for charging.
- Ensure devices are compatible with the provided voltage and current specifications.

MAINTENANCE

- **Cleaning:** Wipe the vanity desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a soft, lint-free cloth. Do not spray cleaner directly onto the mirror to prevent liquid from seeping into the LED components.
- **Electrical Components:** Ensure all electrical connections are secure and free from damage. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.
- **General Care:** Periodically check all screws and fasteners to ensure they remain tight. Avoid placing hot items directly on the tabletop without protection.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED mirror lights not turning on.	Power cable unplugged; power outlet not working; mirror touch sensor malfunction.	Ensure power cable is securely plugged in. Test the outlet with another device. Contact customer support if the sensor is unresponsive.
RGB ambient lights not working.	Power connection issue; APP not connected; light strip damage.	Check power connection to the RGB strip. Re-pair with the APP. Inspect the light strip for visible damage.
Power outlets/USB ports not providing power.	Vanity unplugged; circuit breaker tripped; faulty power strip.	Verify the main power plug is connected. Check your home's circuit breaker. If issues persist, contact customer support.
Drawers are stiff or difficult to open/close.	Misaligned slides; debris in tracks; overloaded drawer.	Ensure drawer slides are correctly aligned. Clear any obstructions from the tracks. Reduce the weight in the drawer.

SPECIFICATIONS

Attribute	Detail
Brand	Xixini
Model Number	021
