MSmask twin platform bed frame

MSmask Twin Bed Frame with LED Lights and 4 Drawers

Instruction Manual

1. Important Safety Information

Please read and understand all instructions before assembling and using this bed frame. Keep this manual for future reference.

- **Assembly:** This product requires assembly by two adults. Do not attempt to assemble alone.
- **Weight Capacity:** The bed frame has a maximum weight capacity of 800 lbs. Do not exceed this limit.
- **Mattress Compatibility:** Recommended mattress thickness is between 8 and 14 inches.
- **Electrical Safety:** Ensure all electrical connections for the LED lights and USB charging ports are secure and properly connected to a suitable power source. Do not overload the USB ports.
- **Children:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Maintenance:** Periodically check all bolts and connections to ensure they remain tight.

2. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Headboard with LED Lights and USB Charging Station
- Footboard with LED Lights
- Side Rails (2)
- Metal Support Frame
- Wooden Slats
- Storage Drawers (4) with wheels and locking system
- LED Light Remote Control
- Hardware Pack (bolts, screws, Allen wrench, etc.)
- Power Adapter for LED Lights and USB Ports

3. Setup and Assembly

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent

scratches.

2. **Assemble Headboard and Footboard:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Install Metal Support Frame:** Place the metal support frame within the assembled bed frame. Secure it to the side rails as per the instructions.
4. **Place Wooden Slats:** Distribute the wooden slats evenly across the support frame and secure them in place.
5. **Attach Storage Drawers:** Slide the four storage drawers into their designated positions under the bed frame. Ensure the wheels move smoothly and the locking system functions.
6. **Connect LED Lights and USB Charging:** Connect the power adapter to the headboard's LED and USB module. Plug the adapter into a wall outlet.

4. Operating Instructions

4.1 LED Lights Operation

The integrated LED lights can be controlled via the included remote control or a smartphone application.

- **Remote Control:** Use the remote to power on/off, change colors (RGB color mixer), select from 29 dynamic modes, adjust brightness, and set timing functions.
- **Smartphone App:** Download the designated app (refer to packaging or headboard for QR code/name) to access advanced features like music synchronization, custom color creation, and scheduling.

4.2 USB Charging Ports

The headboard includes two USB ports for convenient charging of your electronic devices.

- Simply plug your device's USB charging cable into one of the available ports.
- Ensure the bed frame is connected to a power source for the USB ports to function.

Figure 4.3: Close-up of the two USB ports for convenient charging.

4.3 Storage Drawers

The bed frame features four large storage drawers for organizing your belongings.

- To open, gently pull the drawer handle.
- To close, push the drawer back until it is fully seated. The locking system helps keep the drawers securely in place.
- The smooth wheels ensure easy access to your stored items.

5. Maintenance

Proper care will extend the life and appearance of your bed frame.

- **Cleaning Upholstery:** Wipe upholstered surfaces with a soft, damp cloth. For stubborn stains, use a mild upholstery cleaner and follow product instructions. Avoid harsh chemicals.
- **LED Lights:** Gently wipe the LED strips with a dry, soft cloth to remove dust. Do not use liquid cleaners directly on the lights.
- **USB Ports:** Keep USB ports free of dust and debris. Use a dry, soft brush or compressed air if necessary.
- **Hardware:** Periodically check all bolts and screws to ensure they are tight. Retighten if necessary to maintain stability.

6. Troubleshooting

If you encounter any issues, refer to the following troubleshooting guide:

Problem	Possible Cause	Solution
LED lights not working	Power adapter unplugged; remote battery dead; loose connection; app not connected.	Ensure power adapter is securely plugged in. Check remote battery. Verify all LED strip connections. Reconnect app if using.
USB ports not charging	Bed frame not powered; device cable faulty; port damaged.	Confirm bed frame is plugged in. Try a different USB cable or device. Contact support if ports remain non-functional.
Drawers not sliding smoothly	Obstruction; wheels dirty; drawer overloaded.	Check for items blocking the drawer path. Clean wheels. Reduce drawer contents.
Bed frame feels unstable	Loose hardware.	Retighten all bolts and screws.
