## Pre-Assembly Checklist

- Verify all components and hardware are present against the packing list.
- Ensure you have the necessary tools (e.g., screwdriver, hammer).
- Clear a spacious area for assembly.

## Assembly Tips

- Work on a soft, clean surface to prevent scratches.
- Do not overtighten screws.
- Seek assistance for lifting heavy components, especially the mirror.

## OPERATING INSTRUCTIONS

### 36-Inch Large Mirror with Adjustable Lighting

The vanity features a large 36-inch mirror with integrated LED lights. These lights offer three color modes (natural,

warm, and cool) and adjustable brightness to suit various lighting needs.

- **Changing Light Modes:** Tap the touch sensor on the mirror to cycle through natural, warm, and cool light settings.
- **Adjusting Brightness:** Long-press the touch sensor to increase or decrease the brightness of the lights.

## MAINTENANCE

---

- **Cleaning:** Wipe the surface with a dry cloth to remove dust and smudges. Avoid abrasive cleaners that may damage the finish or glass.
- **Glass Care:** For the glass tabletop and cabinet door, use a glass cleaner and a soft cloth to maintain clarity.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation.

## TROUBLESHOOTING

---

### Mirror Lights Not Working/Dimming

- Ensure the vanity is properly plugged into a working power outlet.
- Check if the power button on the mirror is activated.
- If lights are dim, try long-pressing the touch sensor to adjust brightness.

### Drawers Not Operating Smoothly

- Verify that the drawer slides are correctly installed and aligned.
- Ensure no objects are obstructing the drawer's path.
- Check for any loose screws on the drawer slides or hardware.

### Missing or Damaged Components

- In case of packaging damage during transportation, missing components, or the need for installation guidance, refer to the 'Warranty and Support' section for contact information.
