

SCITOO 2002-2006 Toyota Camry Spoiler Wing

SCITOO ABS Rear Trunk Spoiler Wing Instruction Manual

Model: 2002-2006 Toyota Camry

Brand: SCITOO

1. INTRODUCTION

This manual provides detailed instructions for the installation, maintenance, and care of your SCITOO ABS Rear Trunk Spoiler Wing. This product is specifically designed to fit 2002-2006 Toyota Camry models. Please read all instructions carefully before beginning installation to ensure proper fitment and safe operation.

2. PRODUCT FEATURES

- **Perfect Fitment:** Designed to match the original vehicle specifications for 2002-2006 Toyota Camry.
- **Matte Black Finish:** Supplied in an unpainted primer matte black finish. Imperfections or light scratches may be present on the surface. This spoiler can be painted to match your vehicle's color.
- **Enhanced Aerodynamics:** Improves overall handling and durability by providing additional downforce and reducing drag, contributing to better stability.
- **Durable Materials:** Constructed from Acrylonitrile Butadiene Styrene (ABS) and Polypropylene (PP) for stable, durable, and impact-resistant performance.
- **Easy Installation:** Designed for a straightforward installation process, typically completed within 20 minutes.

3. VEHICLE FITMENT

This SCITOO ABS Rear Trunk Spoiler Wing is compatible with the following Toyota Camry models:

- 2005-2006 Toyota Camry Base 2.4L
- 2002-2006 Toyota Camry LE 2.4L/3.0L
- 2002-2006 Toyota Camry SE 2.4L/3.0L/3.3L
- 2002-2006 Toyota Camry XLE 2.4L/3.0L

Always verify compatibility with your specific vehicle model and year before installation.

4. PACKAGE CONTENTS

The package includes the following items:

- 1 x Rear Trunk Spoiler Wing (Matte Black)
- Mounting Hardware (nuts, bolts, and installation templates as shown)

Image 2: View of the mounting hardware, including nuts, bolts, and alignment strips, required for installation.

5. SAFETY INFORMATION

Always prioritize safety during installation. Professional installation is highly recommended to ensure correct functioning and safety. If you lack the necessary tools or experience, consult a qualified technician.

- Wear appropriate personal protective equipment, such as gloves and eye protection.

- Ensure the vehicle is stable and secure before working on it.
- Keep all tools and small parts organized to prevent loss or injury.
- Do not overtighten fasteners, as this can damage the spoiler or vehicle body.

6. INSTALLATION INSTRUCTIONS

Follow these steps for a successful installation. While designed for ease of installation, professional assistance is recommended if you are unsure.

1. **Clean the Installation Area:** Thoroughly clean the trunk surface where the spoiler will be mounted using a clean towel and appropriate cleaning solution. Ensure the surface is dry and free of dust, wax, or grease.
2. **Position the Spoiler:** Carefully place the spoiler on the trunk to determine the optimal installation location. Ensure it is centered and aligned correctly.
3. **Mark the Location:** Once the desired position is found, use a marker or masking tape to clearly mark the drilling points or adhesive areas.
4. **Prepare for Mounting:** If using double-sided tape (not included but often used for additional security), apply it to the back of the spoiler as needed. If drilling, ensure precise marking for bolt holes.
5. **Secure the Spoiler:** For bolt-on installation, drill pilot holes at the marked locations. Attach the spoiler using the provided hardware, ensuring a snug but not overtightened fit. If using adhesive, firmly press the spoiler onto the marked position.
6. **Final Check:** After installation, verify that the spoiler is securely attached and stable. Check for any gaps or misalignment.

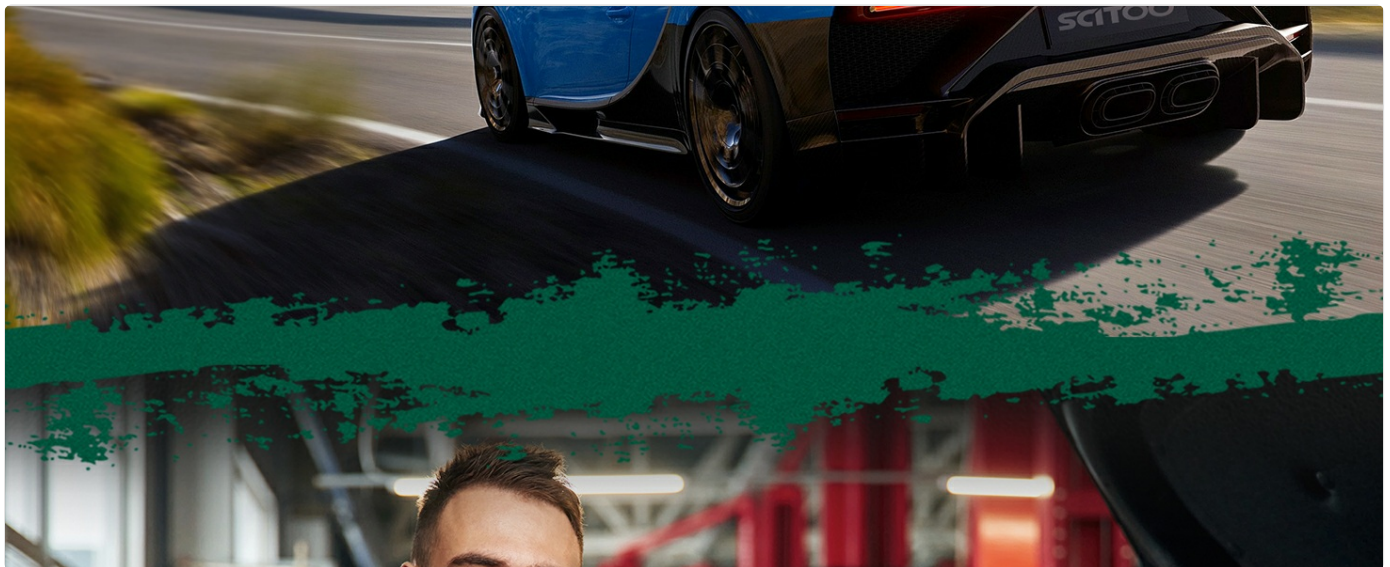

Image 3: Visual representation of the installation method, showing steps from cleaning the surface to securing the spoiler.

For optimal adhesion and secure fit, it is recommended to perform installation in a warm, dry environment.

7. MAINTENANCE

To ensure the longevity and appearance of your SCITOO ABS Rear Trunk Spoiler Wing, follow these maintenance guidelines:

- **Regular Cleaning:** Wash the spoiler regularly with mild automotive soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the matte finish.

- **Inspect Fasteners:** Periodically check all mounting hardware to ensure it remains tight and secure. Retighten if necessary.
- **Protect Finish:** If the spoiler is painted, apply a wax or sealant suitable for automotive finishes to protect it from UV rays and environmental elements.
- **Avoid Impact:** Be mindful of potential impacts that could damage the spoiler, such as during parking or car washes.

8. TROUBLESHOOTING

If you encounter issues with your spoiler, consider the following:

- **Loose Spoiler:** If the spoiler feels loose, re-check all mounting bolts and ensure they are tightened appropriately. Avoid overtightening.
- **Misalignment:** If the spoiler appears misaligned, it may be necessary to loosen the mounting hardware, adjust its position, and then retighten. Ensure the initial marking was accurate.
- **Fitment Issues:** Double-check that the product is indeed the correct model for your 2002-2006 Toyota Camry. Refer to the vehicle fitment section.
- **Surface Imperfections:** The spoiler comes in a primer matte black finish. Minor imperfections are normal and can be addressed if you choose to paint the spoiler.

9. SPECIFICATIONS

Attribute	Detail
Brand	SCITOO
Model Compatibility	2002-2006 Toyota Camry
Material	Acrylonitrile Butadiene Styrene (ABS), Polypropylene (PP)
Color	Matte Black (Unpainted Primer Finish)
