## Fixwal 0187

# Fixwal Night Stand with Charging Station and LED Lights, Model 0187 - Instruction Manual

Your guide to assembly, operation, and care.

## INTRODUCTION

---

Thank you for choosing the Fixwal Night Stand with Charging Station and LED Lights. This manual provides essential information for the safe assembly, operation, and maintenance of your new nightstand. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

*The Fixwal Night Stand, fully assembled and illuminated.*

## IMPORTANT SAFETY INFORMATION

---

### **WARNING:**

- Do not exceed the maximum weight limit of 30 pounds on the tabletop.
- Always assemble the product according to the provided instructions to ensure stability and safety.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly.

## PACKAGE CONTENTS

---

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

*All components included in the package for assembly.*

## SETUP AND ASSEMBLY

---

Assembly of your Fixwal Night Stand is designed to be straightforward and can typically be completed within 15 minutes. A screwdriver is the recommended tool for assembly.

### Assembly Steps:

- 1. Prepare the LED Strip Light:** Carefully peel off the adhesive backing from the LED strip. Attach it securely to the designated area on the underside of the top shelf (part 1). Connect the LED strip to its controller.
- 2. Assemble the Frame:** Connect the metal frame components (parts 3, 4, 5, 6, 7, 8, 10) using the provided screws (A, B, C, D). Ensure all connections are firm.
- 3. Install Shelves:** Secure the wooden shelves (parts 1 and 2) into the metal frame using the appropriate screws.
- 4. Attach Power Strip:** Insert the power strip (part Q) into the cutout on the top shelf and secure it with screws (E).
- 5. Assemble Fabric Drawers:** Unfold the fabric drawers (part 9) and insert the bottom panel to create a sturdy box. Attach the handles (part H) to the front of each drawer.
- 6. Insert Drawers:** Slide the assembled fabric drawers into their respective slots in the nightstand frame.
- 7. Adjust Feet:** Adjust the 4 adjustable leg supports (part G) at the bottom of the nightstand to ensure stability on uneven surfaces.

## OPERATING INSTRUCTIONS

---

### LED Lighting System:

The integrated RGB LED strip light offers customizable illumination for your space. Control options include a button switch and a dedicated mobile application.

- **Color Adjustment:** Select from a wide range of colors to match your mood or decor.
- **Brightness Levels:** Adjust the light intensity to your preference.
- **Dynamic Modes:** Choose from various flashing or fading modes.
- **Music Sync:** The LED lights can synchronize with music, creating a dynamic ambiance.
- **App Control:** Download the associated mobile application for advanced control features, including camera color picking and timing functions.

*Control your LED lights with the app or button switch.*

### Integrated Charging Station:

The nightstand features a convenient charging station to power your electronic devices.

- **AC Outlets:** Two 120V/12A AC outlets are available for standard plugs.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is equipped with a 5 ft long power supply cord for flexible placement.

*The recessed power strip provides convenient charging options.*

### Fabric Storage Drawers:

The nightstand includes three non-woven fabric drawers for organized storage.

- Pull the handles gently to open and close the drawers.
- These drawers are suitable for storing personal belongings such as keys, glasses, small clothing items, or

books.

- Avoid overloading drawers with excessively heavy items to maintain their integrity.

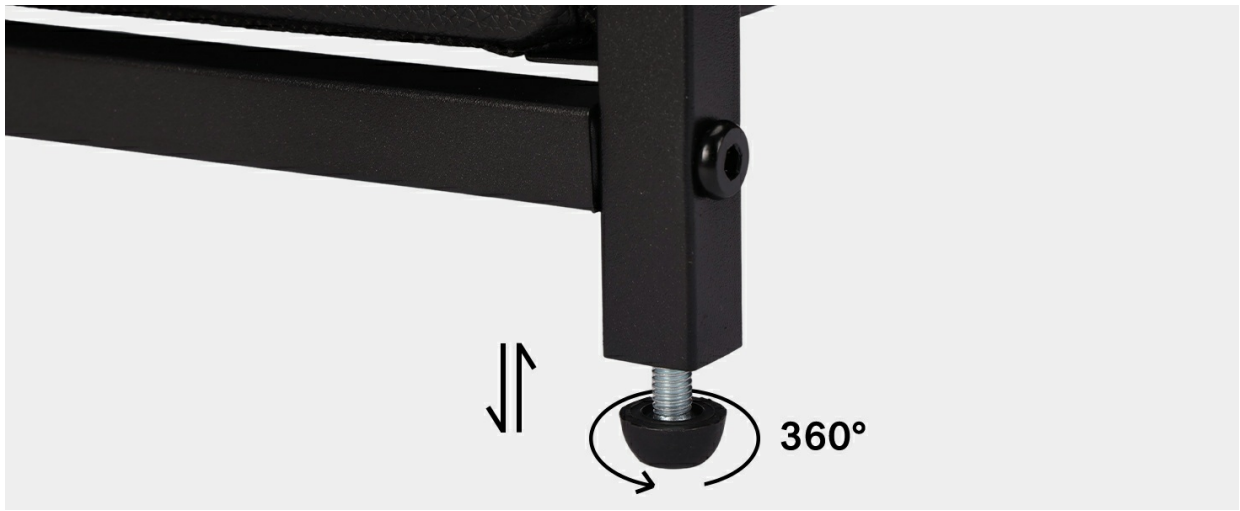

*Spacious fabric drawers for organized storage.*

### **Adjustable Feet:**

The nightstand is equipped with 4 adjustable leg supports to enhance stability.

- Rotate the feet clockwise or counter-clockwise to adjust the height and level the nightstand on uneven floors or carpets.

*Adjustable feet ensure stability on various surfaces.*

## MAINTENANCE

- **Cleaning:** The PU surface treatment allows for easy cleaning. Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** For minor spills, spot clean the fabric drawers with a mild detergent and water. Allow to air dry completely. Do not machine wash.
- **Frame:** Regularly check all screws and connections to ensure they remain tight. Re-tighten as needed to maintain structural integrity.

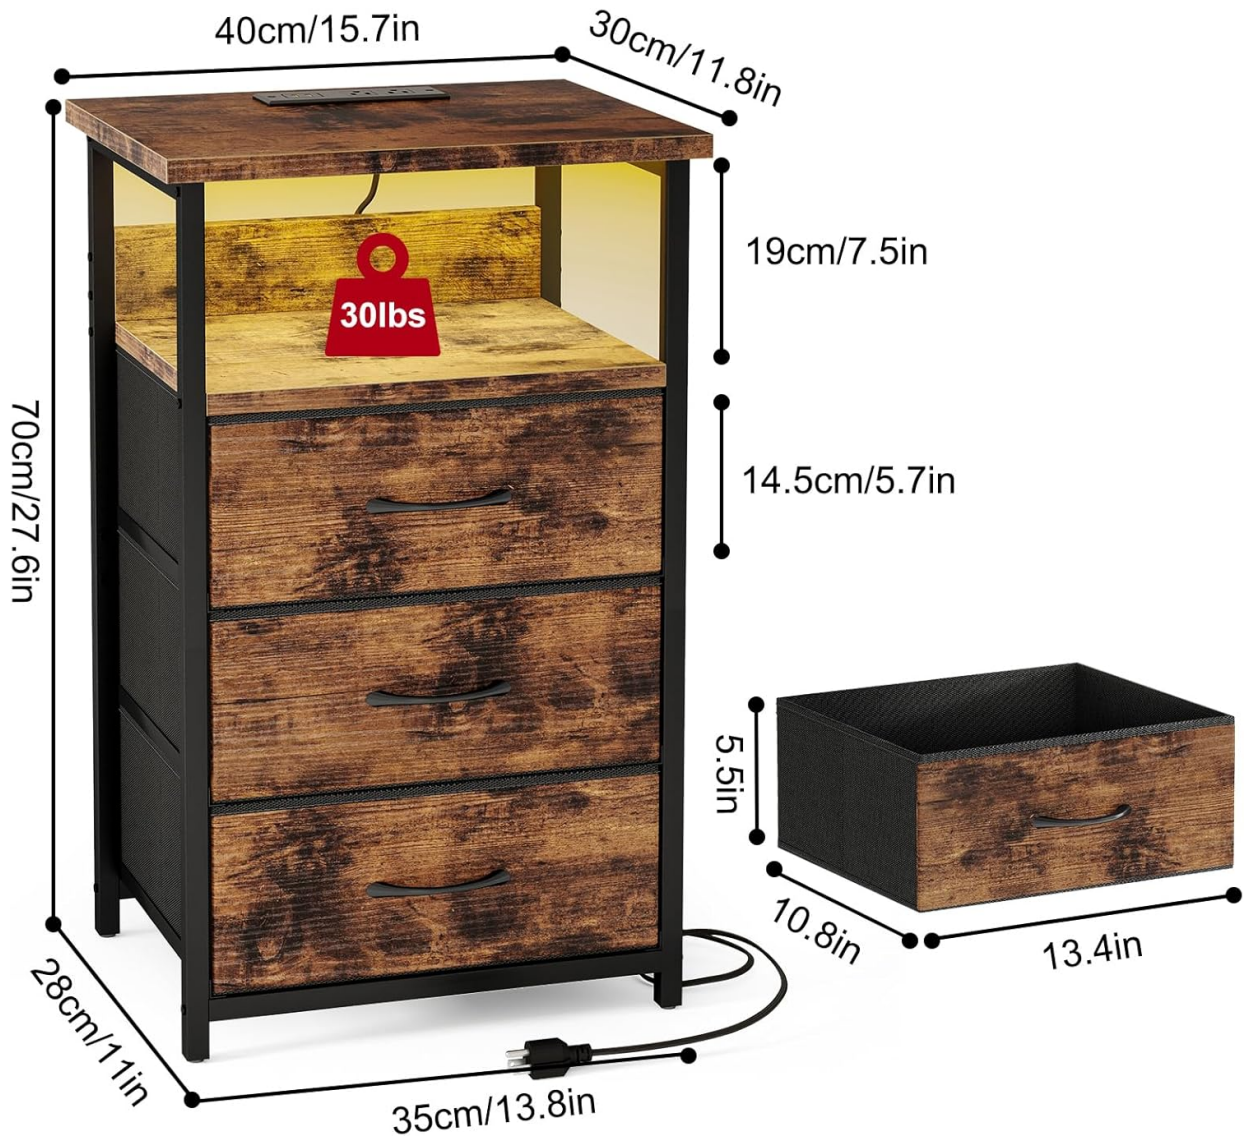

## TROUBLESHOOTING

- **LED Lights Not Working:**
  - a. Ensure the power cord is securely plugged into a functional wall outlet.
  - b. Check the connection between the LED strip and its controller.
  - c. Verify that the remote control or app is properly paired and has working batteries (if applicable).
- **Charging Station Not Functioning:**
  - a. Confirm the nightstand's main power cord is fully inserted into a live electrical outlet.
  - b. Test the outlets and USB ports with different devices to isolate the issue.
- **Nightstand is Unstable:**
  - a. Adjust the leveling feet at the bottom of the nightstand to compensate for uneven flooring.
  - b. Ensure all assembly screws are tightened.
- **Drawers are Not Smooth or Sturdy:**
  - a. Ensure the bottom panel is fully inserted and flat within the fabric drawer.
  - b. Avoid overloading the drawers beyond their capacity.
