SAFETY INFORMATION

Your child's safety is paramount. Please adhere to the following guidelines:

- **Age and Weight Limit:** Recommended for children between 3 and 6 years old, with a maximum weight capacity of 50 kg (110 lbs).
- **Supervision:** Always supervise your child when they are using the learning tower or desk set.
- **Stability:** The trapezoidal structure is designed for enhanced stability. Ensure the product is placed on a flat, stable surface.
- **Safety Bar:** Always ensure the safety bar is properly engaged when the product is used as a learning tower.
- **Assembly:** Ensure all components are correctly assembled and tightened before use. Regularly check for loose parts.
- **Material Safety:** The product is made from non-toxic, lead-free painted MDF.

ASSEMBLY INSTRUCTIONS

Assembly of the HOMCOM 2-in-1 Learning Tower is required. Please follow the detailed instructions provided in the separate assembly guide included with your product. Ensure all parts are present and undamaged before

beginning assembly. A screwdriver and other basic tools may be required.

OPERATING INSTRUCTIONS

Using as a Learning Tower

In its tower configuration, this product allows your child to safely participate in activities at counter height, such as helping in the kitchen or brushing teeth in the bathroom. The protective railings provide support and prevent falls.

Converting to Desk and Chair

To convert the learning tower into a desk and chair set:

1. Locate the locking mechanisms on the sides of the tower.
2. Unlock these mechanisms to release the upper section.
3. Carefully separate the two sections and reconfigure them into the desk and chair arrangement.
4. Ensure all connections are secure after conversion.

MAINTENANCE AND CARE

To ensure the longevity and hygiene of your learning tower:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Storage:** Store in a dry environment away from direct sunlight or extreme temperatures to prevent material degradation.
