Brand: CSNRHG

1. Safety Information

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years. This building block set contains small components that may pose a choking risk. Adult supervision is recommended for younger builders.
Recommended Age: 8+ years.
Always ensure all parts are securely connected during assembly and play to prevent detachment and potential hazards.

2. Product Overview

The CSNRHG White Horse Dragon Samurai Mech Robot Building Blocks Set (Model M38-B1233) offers a high-precision design with 752 pieces, allowing for the construction of a detailed 2-in-1 model. Builders can create either a warrior or a dragon horse battle form, encouraging imaginative play and creative combinations.
The set features a unique splicing structure designed for stability and ease of assembly. Crafted from high-quality ABS material, the blocks are durable and designed for smooth, unobstructed connections. This product is intended to enhance hands-on ability, spatial imagination, and logical thinking skills.

3. What's in the Box

- 752 Building Block Pieces (sorted into numbered bags)
- Detailed Instruction Manual
- Pair of White Gloves (for handling painted pieces)

4. Setup (Assembly Instructions)

Follow the detailed, step-by-step instructions provided in the included manual. The building blocks are organized into numbered bags to correspond with the assembly stages, ensuring a structured and manageable building experience.
Important Note: Some pieces in this set may have painted or coated surfaces. A pair of white gloves is included to prevent potential transfer of paint or residue to your hands during assembly. It is recommended to wear these gloves, especially when handling colored or metallic-finish pieces, to maintain cleanliness and preserve the finish of the blocks.

Experiment with different configurations to create unique battle scenes or display setups. The model is designed for imaginative play and can be integrated into existing building block collections.

6. Maintenance

To maintain the quality and appearance of your building block set, follow these guidelines:

- **Cleaning:** Wipe the blocks gently with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or loose blocks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when posing, to avoid accidental detachment of parts.

7. Troubleshooting

If you encounter any issues during assembly or with the product, please consider the following:

- **Missing Pieces:** While quality control is maintained, occasional missing pieces can occur. If you find any parts are missing, please contact CSNRHG customer support for assistance.
- **Loose Connections:** Ensure that each block is firmly pressed into place. Some connections may require a bit more pressure to secure properly.
- **Paint Transfer:** As noted in the Setup section, use the provided gloves to minimize paint transfer from certain pieces. If paint does transfer to skin, wash thoroughly with soap and water.
