2. SAFETY INFORMATION

Please read and understand all safety warnings before assembling or using the media cabinet. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the cabinet according to the instructions provided in the packaging.
- Ensure the cabinet is stable and secure before placing any items on or inside it.
- Keep the cabinet away from direct heat sources, open flames, and excessive moisture.
- Keep small children and pets away from the cabinet during assembly and when it is not in use to prevent access to small parts or potential tipping hazards.
- Do not place heavy items on the top shelf to prevent the cabinet from tipping over. Distribute weight evenly across all shelves.
- Do not climb on or lean heavily on the cabinet.

3. SETUP AND ASSEMBLY

The LEVNARY Media Cabinet requires assembly. Detailed step-by-step instructions and all necessary hardware are included in the product packaging. Please ensure you have all components before beginning assembly.

Before You Begin:

- Clear a spacious, clean, and flat area for assembly.
- Unpack all components and hardware. Verify that all parts listed in the included assembly manual are present.
- Have a Phillips head screwdriver and a hammer (if required for dowels) readily available.
- Carefully remove any protective film from the acrylic door panel before installation.

Assembly Steps (General Guidance):

1. Attach the side panels to the base and top panels using the provided screws and dowels.
2. Insert the shelf support pegs into the desired height positions on the side panels.
3. Slide the adjustable shelves onto the support pegs. Ensure they are seated firmly.
4. Attach the back panel to the cabinet frame, aligning the cable management holes as needed.
5. Install the door hinges onto the cabinet frame and the door panel.
6. Mount the door onto the cabinet, ensuring it swings freely and closes properly.

7. Attach the door knob.

For detailed, step-by-step assembly instructions, please refer to the dedicated assembly manual included in your product packaging.

5. MAINTENANCE

Proper care and maintenance will help prolong the life and appearance of your LEVNARY Media Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the engineered wood.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary,

but do not overtighten.

- **Avoid Overloading:** Do not exceed the recommended weight capacity for the cabinet or individual shelves.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your media cabinet.

Problem	Possible Cause	Solution
Cabinet feels unstable or wobbly.	Uneven assembly; loose fasteners; uneven floor surface.	Ensure all screws are tightened. Check that the cabinet is on a flat, level surface. If needed, use furniture pads or shims under the base to level it.
Shelves slide out easily.	Shelves not properly seated on pegs; pegs not fully inserted.	Ensure shelf support pegs are fully inserted into the holes. Verify that each shelf is resting securely on all four pegs. The door, when closed, also helps to secure the shelves.
Difficulty assembling certain parts (e.g., door).	Instructions unclear; protective film on acrylic.	Refer to the detailed assembly manual for specific steps and diagrams. Ensure all protective films are completely removed from the acrylic door panel before attaching it. Do not force parts; if something doesn't fit, re-check the instructions and part orientation.
Cabinet appears damaged or materials seem weak.	Shipping damage; material expectations.	Inspect all parts upon arrival for damage. If significant damage is present, contact customer support immediately. The cabinet is constructed from engineered wood and acrylic; ensure it is used within its intended capacity and not overloaded.
