OPERATING INSTRUCTIONS

Your FENFSHE Futon Sofa Bed offers three primary configurations: Sofa, Lounge Chair, and Bed.

Converting Between Forms:

- **Sofa to Lounge Chair/Bed:** To convert from a sofa to a lounge chair or bed, locate the pull straps on the front of the bottom cushion. Gently pull these straps to extend the hidden mattress section forward.
- **Adjusting the Backrest:** The backrest features an intelligent adjustment mechanism, allowing for three tilt angles: 105° (upright sofa), 155° (reclined lounge), and 180° (flat bed). To adjust, push the backrest forward slightly, then recline it to your desired angle.
- **Bed to Sofa:** To return to the sofa position, push the extended mattress section back into the main frame. Ensure the backrest is in the upright 105° position.

MAINTENANCE

Proper care will help maintain the appearance and extend the life of your futon sofa bed.

- **Cleaning:** For general cleaning, use a soft brush to gently remove dust and debris from the velvet fabric.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. For stubborn stains, consult a professional upholstery cleaner.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the fabric.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten as needed.
