Soundcore A3959

Soundcore P30i by Anker Noise Cancelling Earbuds User Manual

Model: A3959

Introduction

The Soundcore P30i by Anker are wireless noise-cancelling earbuds designed for an enhanced audio experience. They feature strong noise cancellation, powerful bass, and a versatile charging case that doubles as a phone stand. This manual provides instructions for setup, operation, maintenance, and troubleshooting.

What's in the Box

Verify that all items are present in your package:

- Soundcore P30i Earbuds
- Wireless Charging Case
- S/M/L Ear Tips (various sizes for optimal fit)
- USB-C Cable

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case provides up to 45 hours of battery life with the earbuds. A quick 10-minute charge can provide 2 hours of playtime.

- Place the earbuds into the charging case.
- Connect the USB-C cable to the charging port on the case and to a power source.
- The LED indicator on the case will show charging status.

2. Pairing with Your Device

The Soundcore P30i uses Bluetooth 5.4 for a stable connection and easy pairing.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to the Bluetooth settings.
3. Select "Soundcore P30i" from the list of available devices.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

OPERATING

Noise Cancellation and Transparency Modes

The P30i earbuds offer Active Noise Cancellation (ANC) to reduce ambient noise and a Transparency Mode to stay aware

of your surroundings. These modes can be controlled via the Soundcore app.

- **Adaptive ANC:** Automatically adjusts noise cancellation levels based on your environment, reducing noise by up to 42dB.
- **Manual ANC:** Customize noise cancellation with 5 levels and 3 modes (Transport, Outdoor, Indoor) through the Soundcore app.
- **Transparency Mode:** Allows you to hear your surroundings without removing the earbuds.
- **Wind Noise Reduction:** Activate this feature in the app for clearer audio in windy conditions.

Audio Features

- **Powerful Bass:** Equipped with 10mm dynamic drivers and BassUp™ technology for enhanced low frequencies.
- **3D Sound:** Activate surround sound effects via the Soundcore app for an immersive audio experience.
- **Customizable Sound:** Tailor your listening with 22 custom EQ presets and save multiple sound profiles using the Soundcore app.

Clear Calls

The earbuds feature 4 AI-enhanced microphones to ensure clear calls by accurately picking up your voice and reducing

background noise.

2-in-1 Charging Case and Phone Stand

The charging case features a built-in phone stand. Simply open the back panel of the case and place your phone to enjoy hands-free viewing. This is ideal for watching videos or making video calls.

Multipoint Connection

The earbuds support multipoint connection, allowing you to connect to two Bluetooth devices simultaneously (e.g., a laptop and a smartphone). Switch between devices seamlessly via the Soundcore app.

Single Earbud Use

You can use either earbud independently for calls or music, allowing you to remain aware of your surroundings.

Soundcore App for Customization

Download the Soundcore app to unlock full customization options, including touch control settings, EQ adjustments, noise cancellation modes, and a 'Find Device' feature.

Maintenance

To ensure the longevity and optimal performance of your Soundcore P30i earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Remove any earwax or debris from the ear tips and speaker grilles.
- **Water Resistance:** The earbuds are IP54 splashproof and dustproof. This means they are protected from water splashes and dust, making them suitable for workouts and light rain. Do not submerge them in water.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged.

Troubleshooting

If you encounter issues with your Soundcore P30i earbuds, try the following steps:

- **No Sound:** Ensure the earbuds are charged, connected to your device, and the volume is turned up on both the earbuds and your device.
- **Pairing Issues:** Turn off Bluetooth on your device, then turn it back on. Remove "Soundcore P30i" from your device's Bluetooth list and attempt to pair again. Ensure the earbuds are in pairing mode (open the case).
- **One Earbud Not Working:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again. This often re-syncs the earbuds.

- **Poor Call Quality:** Ensure the microphones are not obstructed. Try disabling wind noise reduction if not in a windy environment.
- **Reset:** If problems persist, consult the Soundcore app or the official Soundcore support website for specific reset instructions for your model.

Specifications

Feature	Specification
Brand	Soundcore
Model Number	A3959
