2. Safety Information

Observe the following safety precautions during assembly and use:

- Keep all small parts and packaging materials away from children to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or sit on the dressing table.
- Place the dressing table on a flat, stable surface to prevent tipping.
- Utilize the provided anti-toppling device to secure the table to a wall, especially if children are present.
- Avoid exposing the product to direct sunlight or extreme temperatures and humidity.
- Do not overload drawers or the tabletop. Refer to specifications for weight limits.
- Disconnect the LED mirror from the power source before cleaning or if it will not be used for an extended period.

3. Package Contents

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Dressing Table Top (1)
- LED Mirror (1)
- Metal Legs (4)
- Drawers (2)
- Assembly Hardware (screws, bolts, Allen wrench, etc.)
- Anti-toppling Device (1)
- Instruction Manual (1)

4. Assembly Instructions

Assembly typically requires two people. Ensure you have a clear, spacious area for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Refer to the parts list to identify each component.
2. **Attach the Legs:** Secure the four golden metal legs to the underside of the dressing table top using the provided screws and Allen wrench. Ensure they are firmly attached. The legs feature adjustable foot pads for leveling.
3. **Install the Drawers:** Insert the two solid wood drawers into their respective slots. Ensure the metal sliders are

properly aligned for smooth operation. The drawers are designed without external handles for a sleek appearance.

4. **Position the LED Mirror:** Place the round LED mirror on the designated area of the tabletop. The mirror is designed to be freestanding but stable.
5. **Install Anti-toppling Device:** For safety, attach the anti-toppling device to the back of the dressing table and secure it to a wall stud or appropriate anchor point.
6. **Connect Power:** Plug the LED mirror's power cable into a suitable electrical outlet.

Figure 4: Detail of the smooth-gliding drawer mechanism.

5. Operating Instructions

5.1 LED Mirror Functionality

The integrated LED mirror offers adjustable lighting to suit various needs.

- **Power On/Off:** Lightly touch the power button icon on the mirror surface to turn the LED light on or off.
- **Change Color Temperature:** With the light on, short press the power button icon to cycle through three color temperatures: Warm Light (3000K), Natural Light (4000K), and Cold Light (6000K).
- **Adjust Brightness:** With the light on, long press the power button icon to continuously adjust the brightness level. Release when the desired brightness is achieved.

Figure 5: LED mirror controls for adjusting light settings.

5.2 Storage Drawers

The two spacious drawers provide convenient storage for cosmetics, toiletries, and accessories. The handle-free design allows for a clean aesthetic; simply pull from the bottom edge of the drawer front to open.

Figure 6: Drawers open, illustrating ample storage capacity.

5.3 Versatile Use

The dressing table can also function as a writing desk or console table when the mirror is not in active use or if removed.

Video 2: Demonstration of the LED mirror's touch controls, showing how to adjust brightness and switch between different light temperatures.

6. Maintenance

Proper care will help maintain the appearance and functionality of your dressing table.

- **Cleaning the Surface:** Wipe the tabletop and body with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the PU veneer.
- **Cleaning the Mirror:** Use a glass cleaner and a microfiber cloth for the mirror surface. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Care:** Periodically check the drawer sliders for any debris and clean if necessary to ensure smooth operation.
- **Legs:** Wipe metal legs with a soft, dry cloth.
- **General Inspection:** Regularly inspect all connections and fasteners to ensure they remain tight.

Figure 8: The tabletop features a smooth, easy-to-clean surface.

7. Troubleshooting

If you encounter issues with your dressing table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED mirror light does not turn on.	Not plugged in; power outage; faulty connection.	Ensure the power cable is securely plugged into a working outlet. Check the power source. If the issue persists, contact customer support.
Cannot change light color or brightness.	Incorrect touch operation.	Review Section 5.1 for correct touch control methods (short press for color, long press for brightness).
Drawers are difficult to open/close.	Misaligned sliders; obstruction; loose screws.	Check for any objects obstructing the drawer path. Ensure drawer sliders are properly aligned. Tighten any loose screws on the drawer or its runners.
Table feels unstable or wobbly.	Uneven floor; loose leg connections; anti-toppling device not installed.	Adjust the foot pads on the legs to level the table. Tighten all leg screws. Ensure the anti-toppling device is correctly installed and secured to the wall.

8. Specifications

Feature	Detail

Feature	Detail
Model Number	0057SZT
Brand	EUGAD
Overall Dimensions (L x W x H)	100 x 40 x 121 cm (39.4 x 15.7 x 47.6 inches)
Tabletop Height	77.5 cm (30.5 inches)
Mirror Diameter	40 cm (15.7 inches)
Weight	17.2 kg (37.9 lbs)
