Booyuer XJ-2952

Booyuer City Passenger Airplane Building Set

MODEL: XJ-2952 INSTRUCTION MANUAL

1. Introduction

This instruction manual provides detailed guidance for assembling and enjoying your Booyuer City Passenger Airplane Building Set, Model XJ-2952. This versatile 3-in-1 building toy allows for the construction of a passenger airplane, a helicopter, or an air traffic control tower, offering varied play experiences. The set contains 796 pieces designed to foster creativity and develop fine motor skills in children aged 6 and above.

2. Safety Information

- **Recommended Age:** This building set is suitable for children aged 6 to 13 years.
- **Material Quality:** Constructed from high-quality ABS plastic, ensuring durability and safety. The blocks are designed to be free from deformities, fading, burrs, and unpleasant odors.
- **Small Parts Warning:** Contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play for younger children within the recommended age range.

3. Setup and Assembly

The Booyuer City Passenger Airplane Building Set includes 796 pieces and a comprehensive instruction booklet to guide the assembly process. Follow the step-by-step diagrams carefully to construct your chosen model.

Two children are shown engaged in the assembly process of the building set, with the instruction manual open beside them, highlighting the clear instructions and the hands-on learning experience.

Assembly Tips:

- Sort pieces by color and shape before beginning to streamline the building process.
- Pay close attention to the orientation of each piece as shown in the instructions.
- Building this set helps develop fine motor skills, patience, and focus.

The set allows for the construction of three distinct models:

1. **Passenger Airplane:** A detailed model of a city passenger plane.
2. **Helicopter:** An alternative aircraft model.
3. **Air Traffic Control Tower:** A ground-based structure to complement the aircraft.

This image illustrates the versatility of the building set, showcasing the three distinct models that can be constructed: a passenger airplane, a helicopter, and an air traffic control tower, emphasizing the 3-in-1 feature.

4. Operating Instructions

Once assembled, the models provide a platform for imaginative play. Children can engage in various scenarios, such as piloting the airplane, managing air traffic from the control tower, or performing rescue missions with the helicopter. The ability to switch between different designs encourages extended play and creativity.

This image displays the fully assembled Booyuer City Passenger Airplane Building Set, featuring the passenger plane, an air traffic control tower, a ground support vehicle, and two minifigures. The set is designed for imaginative play in an airport setting.

A cutaway view of the passenger airplane model, highlighting the detailed interior with passenger seating and the cockpit area, demonstrating the build's intricate design.

A child is happily playing with the assembled passenger airplane and air traffic control tower, demonstrating the interactive play potential of the building set.

5. Maintenance

To ensure the longevity of your building set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Handling:** Handle the assembled models with care to prevent accidental disassembly or damage.

6. Troubleshooting

If you encounter any issues or have questions regarding your building set, please refer to the following:

- **Missing Parts:** In the event of missing parts, please contact customer support immediately.
- **Assembly Difficulties:** Review the instruction manual carefully. If problems persist, contact customer support

for assistance.

7. Specifications

Feature	Detail
Brand	Booyuer
Model Name	XJ-2952
Number of Pieces	796
Material	Plastic (ABS)
Recommended Age	6 - 13 years
Educational Objective	STEM
Product Dimensions (Package)	2.54 x 2.54 x 2.54 cm
Product Weight	921 g
