HOGOKIDS HG1018

HOGOKIDS 3-in-1 Fighter Jet Building Set Instruction Manual

Brand: HOGOKIDS | **Model:** HG1018

PRODUCT OVERVIEW

The HOGOKIDS 3-in-1 Fighter Jet Building Set (Model HG1018) provides components to construct three distinct military-themed models: a Fighter Jet, a Helicopter Gunship, and a Propeller Aircraft. This set includes 738 pieces designed for engaging assembly and imaginative play.

Figure 1: The HOGOKIDS 3-in-1 building set, illustrating the three primary models: a fighter jet, a helicopter gunship, and a propeller plane, each accompanied by a smaller support vehicle or speedboat model.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not suitable for children under 3 years due to small parts which could be swallowed. Adult supervision is recommended during assembly and play for younger users.

ASSEMBLY INSTRUCTIONS (SETUP)

This building set contains 738 pieces. Detailed, step-by-step assembly instructions for each of the three models (Fighter Jet, Helicopter Gunship, and Propeller Aircraft) are provided in the included full-color manual. Please refer to the manual for specific guidance on piece identification and construction sequences.

General Assembly Tips:

- Organize pieces by color and shape before starting to facilitate the building process.
- Follow the instruction manual carefully, step by step, to ensure correct assembly.

- Ensure all connections are firm to maintain model stability.

Figure 2: An illustration of the assembly process, showing a child and adult constructing the helicopter gunship model from the HOGOKIDS building set.

Each model also includes a smaller accompanying vehicle or speedboat. Instructions for these are integrated within the main manual.

OPERATING INSTRUCTIONS

Once assembled, the HOGOKIDS 3-in-1 building set models offer interactive features for enhanced play.

Fighter Jet Model:

- **Retractable Landing Gear:** Rotate the button located on the underside of the fighter jet to retract or deploy the landing gear.
- **Adjustable Wings:** The fighter jet features wings that can be adjusted for different flight poses.

Figure 3: The fighter jet model, highlighting its adjustable wings and the mechanism for retracting the landing gear, demonstrating interactive features.

Helicopter Gunship Model:

- **Rotating Propeller:** The main and tail propellers can be manually rotated for realistic play.
- **Openable Cockpit:** The cockpit canopy can be opened to place figures (not included) or for inspection.

Propeller Aircraft Model:

- **Rotating Propeller:** The front propeller can be manually rotated.

Encourage imaginative scenarios and role-playing with the assembled models and their accompanying smaller vehicles.

MAINTENANCE

Cleaning:

To clean the building blocks and assembled models, gently wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or printed details. Do not submerge the

models in water.

Storage:

Store the building blocks and assembled models in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause colors to fade. Keep small parts in a secure container to prevent loss.

Handling:

Handle the assembled models with care to prevent parts from detaching. While the blocks are designed for durability, excessive force can cause connections to loosen or pieces to break.

TROUBLESHOOTING

- **Missing Pieces:** If you discover any missing pieces during assembly, please contact HOGOKIDS customer support. Refer to the contact information in the Support section.
- **Parts Not Holding Together:**
 - Ensure that each block is fully pressed into place according to the instructions.
 - Verify that the correct pieces are being used for each step. Refer to the manual for visual confirmation.
 - Avoid applying excessive force, which can sometimes misalign connections rather than secure them.
- **Difficulty Disassembling:** Some connections may be tight. To disassemble, apply steady, gentle pressure rather than sudden force. A brick separator tool (not included) can be helpful for separating stubborn pieces.
- **Instructions Unclear:** If a step in the manual is unclear, review the preceding and subsequent steps for context. Visual diagrams are often helpful. If confusion persists, contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	HOGOKIDS
Model Number	HG1018
ASIN	B0D92CNP8Z
Number of Pieces	738
Product Dimensions	0.79 x 0.79 x 0.79 inches (assembled models vary)
Item Weight	2.59 pounds
Recommended Age	6 years and up (Manufacturer recommended age: 6 years and up, Product description suggests 10+)
Material	High-quality ABS plastic
