FOHERE WM-1158

FOHERE Orange Juicer Squeezer Instruction Manual

Model: WM-1158

1. INTRODUCTION

Thank you for choosing the FOHERE Orange Juicer Squeezer. This manual provides essential information for the safe and efficient operation, maintenance, and care of your new manual citrus juicer. Designed for durability and high juice yield, this cast iron and stainless steel juicer is perfect for extracting juice from a variety of fruits, including oranges, lemons, grapefruits, and pomegranates.

2. SAFETY INSTRUCTIONS

- Always place the juicer on a stable, flat, and non-slip surface before use. The thickened cast iron base with anti-slip feet is designed for stability, but proper placement is crucial to prevent tipping or sliding.
- Keep hands and fingers clear of the pressing mechanism when operating the lever to avoid pinching.
- Ensure the stainless steel cup is correctly positioned under the funnel to collect juice.
- This manual juicer does not use electricity and contains no blades, making it inherently safer than electric juicers. However, exercise caution when handling fruit and disassembling parts for cleaning.
- Do not attempt to juice fruits that are too large or too hard for the juicer, as this may damage the unit.
- Keep out of reach of children.

3. COMPONENTS

The FOHERE Orange Juicer Squeezer is constructed from heavy-duty cast iron and food-grade 304 stainless steel for durability and hygiene. Key components include:

- **Cast Iron Lever:** Ergonomically designed for efficient pressing.
- **Pressure Cap:** Made of 304 stainless steel, applies pressure to the fruit.
- **Strainer:** Made of 304 stainless steel, filters pulp and seeds from the juice.
- **Funnel:** Made of 304 stainless steel, directs juice into the collection cup.
- **Cast Iron Base:** Provides stability and support for the juicer.
- **Anti-Slip Feet:** Located on the base to prevent movement during operation.
- **Stainless Steel Cup:** A 400ml (13.5oz) cup included for juice collection.

4. SETUP

Your FOHERE juicer comes largely pre-assembled. Follow these steps for initial setup:

1. Unpack all components from the packaging.
2. Place the juicer on a clean, dry, and stable countertop. Ensure the anti-slip feet are firmly gripping the surface.
3. Wash the detachable stainless steel parts (pressure cap, strainer, funnel, and stainless steel cup) with warm, soapy water before first use. Rinse thoroughly and dry.
4. Assemble the clean parts: Place the funnel into the base, then insert the strainer into the funnel. The pressure cap is attached to the lever mechanism.

Upgraded Thickened Base

5. OPERATING INSTRUCTIONS

Operating your FOHERE juicer is simple and efficient:

1. **Prepare the Fruit:** Cut the fruit (e.g., orange, lemon, grapefruit) in half. For pomegranates, cut into quarters for

easier juicing.

More than a Citrus Juicer

Orange Juice

Lemon Juice

Pomegranate Juice

Image: An orange being cut in half on a cutting board.

- Position the Fruit:** Lift the lever to its highest point. Place the cut fruit half, cut-side down, onto the strainer. Position the stainless steel cup between the juicer's feet to catch the juice.

Great Use in Multiple Scenarios

Kitchen

Patio

Camping

Image: A hand placing a cut orange onto the juicer's strainer.

- Extract the Juice:** Hold the back of the juicer's base with one hand for stability. With the other hand, slowly and firmly press down the lever. The pressure cap will press the fruit against the strainer, extracting the juice into the cup below.

Great Use in Multiple Scenarios

Image: A hand pressing the lever down on the juicer, extracting juice into a cup.

The design ensures high juice yield, filtering pure juice within seconds and leaving pulp and seeds behind. The stainless steel filter is designed to fit the fruit perfectly, maximizing juice extraction.

Share Juice with Family and Friends

Comes with a 13.5oz stainless steel cup

6. CLEANING AND MAINTENANCE

Regular cleaning will ensure the longevity and hygienic operation of your FOHERE juicer. The detachable parts are designed for easy cleaning.

- **Disassembly:** After each use, lift the lever and remove the pressure cap, strainer, and funnel.
- **Washing:** These stainless steel components are dishwasher-safe. Alternatively, they can be easily hand-washed with warm water and mild dish soap. Use a brush to clean any pulp residue from the strainer.
- **Drying:** Ensure all parts are thoroughly dried before reassembling or storing to prevent water spots or corrosion.
- **Base Cleaning:** Wipe down the cast iron base with a damp cloth. Do not submerge the base in water.

Start the Day the Juice Way

7. TROUBLESHOOTING

Here are some common issues and their solutions:

Problem	Possible Cause	Solution
Not enough juice extracted.	Fruit not cut properly or too large; insufficient pressure applied.	Ensure fruit is cut in half (or quarters for pomegranates) and centered on the strainer. Apply firm, steady pressure to the lever.
Juicer wobbles or slides during use.	Unstable surface; anti-slip feet not gripping.	Place the juicer on a flat, dry, and stable surface. Ensure the anti-slip feet are clean and free of debris. Hold the base firmly with one hand during operation.
Pulp or seeds in the juice.	Strainer not properly seated or damaged.	Check that the strainer is correctly placed within the funnel. Inspect the strainer for any damage.
Difficulty pressing the lever.	Fruit too large or hard; mechanism needs lubrication.	Use appropriately sized fruit. If the mechanism feels stiff, apply a small amount of food-grade lubricant to the pivot points (consult manufacturer for specific recommendations).

8. SPECIFICATIONS

Feature	Detail
Brand	FOHERE
Model Name	WM-1158
Color	Grey
Product Dimensions	7.1"D x 8.7"W x 15.4"H
Item Weight	14 pounds
Material	Cast Iron, Stainless Steel (Food-Grade 304)
Capacity (Stainless Steel Cup)	400 Milliliters (approx. 13.5 oz)
Power Source	Manual
Dishwasher Safe Parts	Yes (Pressure Cap, Strainer, Funnel, Stainless Steel Cup)
Recommended Uses	Citrus Fruits (Oranges, Lemons, Grapefruits), Pomegranates, etc.

9. WARRANTY AND SUPPORT

For any questions, concerns, or support needs regarding your FOHERE Orange Juicer Squeezer, please refer to the product packaging or contact the retailer where you purchased the item. Specific warranty details may vary by

region and retailer. Please retain your proof of purchase for any warranty claims.
