VIVO T3 Lite 5G

Vivo T3 Lite 5G Smartphone User Manual

Model: T3 Lite 5G

Introduction

This manual provides essential information for the safe and efficient use of your Vivo T3 Lite 5G Smartphone. Please read it thoroughly before using your device.
The Vivo T3 Lite 5G Smartphone offers unparalleled 5G speeds, a cutting-edge processor for seamless gaming and performance, and a 50 MP Sony AI main camera. It features 6 GB RAM + 6 GB Extended RAM for effortless multitasking, a 90 Hz High Brightness display, and an upgraded battery for extended playtime. The device is also IP64 Dust and Water Resistant, ensuring durability. It runs on Funtouch 14 OS, providing customization and enhanced image security.

Package Contents

Upon opening the package, please verify that all items are present and in good condition:

- Vivo T3 Lite 5G Smartphone
- Charger
- User Manual (this document)

Setup

1. Inserting SIM Card and microSD Card

1. Locate the SIM card tray on the side of the device.
2. Insert the SIM ejector tool into the small hole next to the tray and push gently until the tray pops out.
3. Place your Nano-SIM card(s) and/or microSD card into the designated slots on the tray, ensuring correct orientation.
4. Carefully push the tray back into the device until it clicks into place.

2. Initial Charging

Before first use, it is recommended to fully charge your smartphone. Connect the charger to the charging port at the bottom of the device and plug it into a power outlet. The battery indicator on the screen will show charging progress.

3. Powering On and Initial Configuration

1. Press and hold the Power button (located on the side) until the Vivo logo appears.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, set up your Google account, and configure other initial settings.

Operating Your Smartphone

Basic Navigation

- **Touch Gestures:** Tap, swipe, pinch-to-zoom are standard gestures for interacting with the 90 Hz High Brightness display.
- **Home Screen:** Access your apps, widgets, and notifications.
- **Notification Panel:** Swipe down from the top of the screen to view notifications and quick settings.

Camera Usage

Your Vivo T3 Lite 5G is equipped with a 50 MP Sony AI main camera. To open the camera app, tap the camera icon on your home screen or lock screen.

- **Photo Mode:** Tap the shutter button to take a photo.
- **Portrait Mode:** Utilize various styles for personalized shots and enhance portraits with bokeh effects.
- **Video Mode:** Switch to video mode to record high-quality videos.

Connectivity

- **5G Network:** Experience unparalleled 5G speeds for instant media access and smooth online gaming. Ensure your SIM card supports 5G and you are in a 5G coverage area.
- **Wi-Fi:** Connect to wireless networks via Settings > Network & internet > Wi-Fi.
- **Bluetooth:** Pair with Bluetooth devices like headphones or speakers via Settings > Connected devices > Bluetooth.
- **USB:** Connect to a computer using a USB cable for data transfer or charging.

Maintenance

Cleaning Your Device

Use a soft, lint-free cloth to clean the screen and body of your smartphone. Avoid using harsh chemicals or abrasive materials.

Battery Care

To prolong battery life, avoid exposing the device to extreme temperatures. Charge the battery using only the provided charger or a compatible one. An upgraded battery offers extended playtime.

Software Updates

Regularly check for and install software updates to ensure optimal performance and security. Updates can be found in Settings > System > System update.

Dust and Water Resistance

The Vivo T3 Lite 5G is IP64 Dust and Water Resistant. This means it is protected against dust ingress and splashing water from any direction. While durable, it is not fully waterproof. Avoid submerging the device in water or exposing it to high-pressure water jets.

Troubleshooting

Problem	Possible Cause	Solution
Device does not power on	Low battery; Software crash	Charge the device for at least 30 minutes. Press and hold the Power button for 10-15 seconds to force restart.
Apps are slow or freezing	Too many apps running; Low storage; Software bug	Close background apps. Clear app cache. Free up storage space. Restart the device. Check for system updates.
Cannot connect to Wi-Fi	Incorrect password; Router issue; Device Wi-Fi disabled	Ensure correct Wi-Fi password. Restart your router. Toggle Wi-Fi off and on in device settings.
Poor call quality	Weak signal; Network congestion; Microphone/speaker issue	Move to an area with better signal. Restart the device. Check if microphone/speaker are obstructed.
