## DUMOS DMDSG-BK-1

# DUMOS TV Stand Instruction Manual

MODEL: DMDSG-BK-1

## Introduction

---

Thank you for choosing the DUMOS TV Stand. This entertainment center is designed to accommodate TVs up to 55-60 inches, offering smart storage solutions and a mid-century modern aesthetic. Crafted from durable engineered wood, it provides a stable and stylish foundation for your media devices. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

## Important Safety Information

---

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product. Keep this manual for future reference.

- Always follow the assembly instructions carefully.
- Use appropriate tools and safety gear when assembling the TV stand.
- Do not overload the TV stand. The maximum weight capacity is 150 lbs.
- Ensure the TV stand is placed on a stable and level surface to prevent tipping.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## Product Features

---

- **Accommodates Large TVs:** Designed to hold TVs up to 55 and 60 inches, with dimensions of 53.54"W x 15.75"D x 18.9"H and a maximum weight capacity of 150 lbs.

# CABLE HOLE

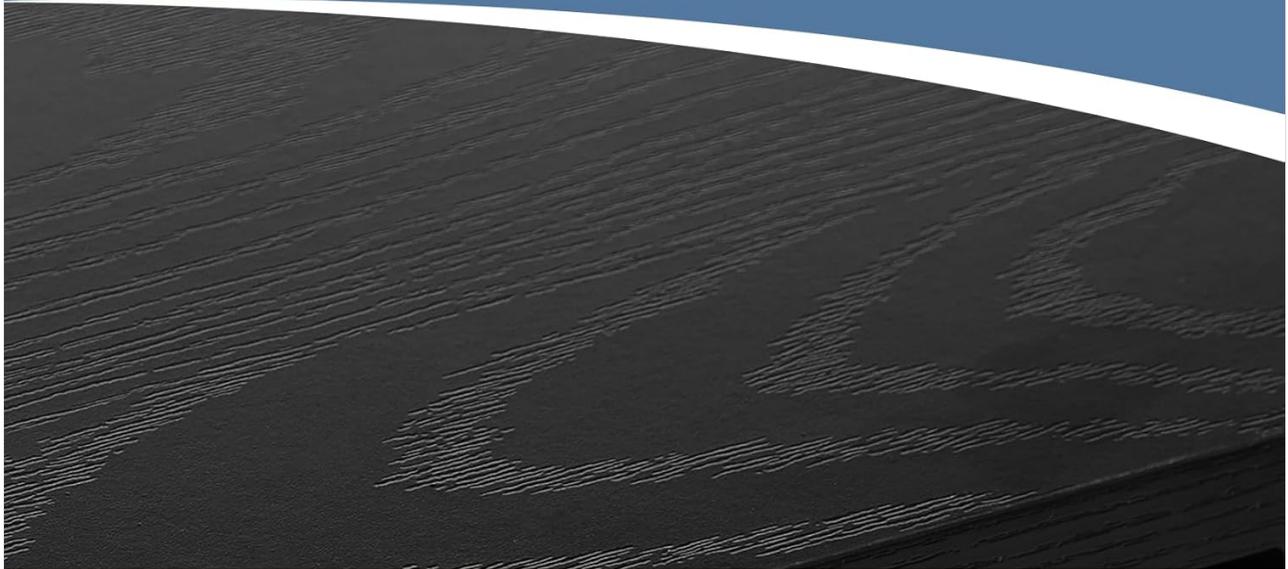

EASY WIRE MANAGEMENT

Figure 2: Dimensions and Weight Capacity

- **Smart Storage & Cable Management:** Features two spacious cabinets with soft-close hinges for quiet and smooth operation. Each cabinet includes a cable hole at the back for organized wire management.

# WOODEN ENGINEERED BOARD

Waterproof

Stain-Resistant

Anti-scratch

Figure 3: Cable Management Hole

- **3-Level Adjustable Shelf:** The center shelf can be adjusted to three different heights, allowing you to customize storage space for various media devices or decorative items.

Figure 4: Adjustable Shelf Levels

- **Solid & Durable Construction:** Built from high-quality engineered wood with five strong legs for stable support. Each leg is equipped with foot pads to protect your floors from scratches.

# ADJUSTABLE SOFT HINGE

CLOSE TIGHTLY & QUIETLY

Video 1: Overview of DUMOS TV Stand features and design.

## Setup and Assembly

The DUMOS TV Stand is designed for easy assembly. All parts are numbered, and a detailed installation manual along with necessary tools are included. For visual guidance, please refer to the assembly video below.

## Assembly Video Guide

Your browser does not support the video tag.

Video 2: Step-by-step assembly instructions for the DUMOS TV Stand.

## Key Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all numbered wooden boards (A-I) and hardware. Refer to the included

parts list to ensure all components are present.

2. **Assemble Base Structure:** Attach the side boards (C, D, E) to the bottom board (A) using the provided screws and dowels. Ensure proper alignment.
3. **Install Top Board:** Secure the top board (B) to the assembled base structure.
4. **Attach Legs:** Screw the five wooden legs into the designated mounting plates on the underside of the TV stand. Ensure they are tightened securely.

Figure 6: Attaching the Legs

5. **Install Adjustable Shelf:** Place the adjustable shelf (F) into the center compartment at your desired height using the provided shelf pins.
6. **Attach Cabinet Doors:** Mount the cabinet doors (G) using the soft-close hinges. Adjust hinges as needed to ensure doors close securely and quietly.
7. **Final Checks:** Verify all connections are tight and the stand is stable before placing your TV and media devices.

## Operating Instructions

---

The DUMOS TV Stand is designed for straightforward use. Here are some tips for optimal functionality:

- **Adjusting Shelves:** To change the height of the center shelf, simply remove the shelf pins, reposition them to one of the three available levels, and reinsert the shelf.
- **Cable Management:** Utilize the pre-drilled cable holes in the back of the cabinets to neatly route and organize power cords and media cables, keeping your entertainment area tidy.
- **Soft-Close Hinges:** The cabinet doors are equipped with soft-close hinges. Gently push the doors to close them, and they will slowly and quietly retract into place, preventing slamming.

## Maintenance

---

To keep your DUMOS TV Stand in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe with a dry cloth for general dusting. For spills or stains, wipe with a damp cloth immediately, then dry thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** The engineered wood surface is designed to be waterproof, stain-resistant, and anti-scratch. However, it is recommended to use coasters for drinks and protective pads under heavy or sharp objects to prevent potential damage.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if

necessary.

## Troubleshooting

---

If you encounter any issues with your DUMOS TV Stand, please refer to the common solutions below:

- **Cabinet Doors Not Closing Properly:**
  - Check the soft-close hinges. They may require adjustment. Turn the screws on the hinges counter-clockwise to loosen, adjust the door panel position, and then tighten the screws.
  - Ensure no objects are obstructing the door's path.
- **Stand Wobbles or is Uneven:**
  - Verify that all legs are securely tightened.
  - The center leg at the bottom of the TV stand is adjustable. Rotate it to compensate for uneven floors and ensure stability.
  - Confirm the stand is on a flat, level surface.
- **Missing or Damaged Parts:**
  - If any parts are missing or damaged upon arrival, please contact DUMOS customer support for assistance.

## Specifications

---
