T4TREAM ASC6DRSC-NO

T4TREAM 6-Drawer Dresser Instruction Manual

Model: ASC6DRSC-NO | Brand: T4TREAM

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your T4TREAM 6-Drawer Dresser. Please read this manual thoroughly before beginning assembly or use to ensure proper function and safety. This dresser is designed to offer ample storage space and complement various room decors, including bedrooms, living rooms, and hallways.

Product Overview and Features

The T4TREAM 6-Drawer Dresser is crafted for both functionality and aesthetic appeal. Key features include:

- **Ample Storage Capacity:** Features four large 25-inch wide drawers (26.5"W x 12"D x 6.3"H) and two smaller 11.5-inch wide drawers (11.5"W x 12"D x 4"H), providing versatile storage for clothing, accessories, and other items.
- **Vintage Design:** Adorned with classic ball pull hardware handles and a natural oak finish, offering a rustic yet elegant look that blends seamlessly with various interior styles.
- **Sturdy & Durable Construction:** Made from FSC-Certified wood, ensuring long-term use and scratch resistance. Widened dresser legs enhance stability and durability.
- **Smooth Drawer Operation:** Drawers glide easily on ball bearings, complemented by double-coated metal handles for effortless opening and closing.
- **Anti-Tipping Design:** Includes an anti-tipping device to ensure safety, especially in households with children.

6 Drawers Dresser

- Tabletop Weight Capacity: 100 LBS
- Drawers Weight Capacity: 50 LBS

Setup and Assembly

Your T4TREAM dresser requires assembly. Please follow the detailed installation instructions included in the product packaging. All parts and accessories are coded and precise holes are pre-drilled to facilitate accurate and faster assembly.
Before you begin, ensure you have:

- All components and hardware as listed in the instruction manual.
- Necessary tools (e.g., screwdriver, hammer) as specified.
- A clean, flat, and spacious area for assembly.

It is recommended to assemble the dresser with at least two people due to its size and weight (approximately 119 pounds).

Operating Instructions

The T4TREAM 6-Drawer Dresser is designed for straightforward operation:

- **Opening Drawers:** Gently pull the metal handles to open the drawers. The ball bearing slides ensure smooth and quiet operation.
- **Closing Drawers:** Push the drawers firmly until they are fully closed and flush with the dresser frame.
- **Weight Capacity:** The tabletop has a weight capacity of 100 lbs. Each drawer has a weight capacity of 50 lbs. Do not exceed these limits to prevent damage or injury.

Maintenance

To maintain the appearance and longevity of your dresser:

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe any spills with a dry cloth to prevent staining or water damage.
- **Drawer Slides:** Periodically check the drawer slides for any debris and clean if necessary to ensure continued smooth operation.
- **Hardware:** Ensure all screws and hardware remain tight. Tighten as needed to maintain structural integrity.

Safety Information

To prevent injury and ensure safe use of your dresser:

- **Anti-Tipping Device:** Always install the included anti-tipping device to secure the dresser to the wall. This is crucial to prevent the dresser from tipping over, especially if heavy items are placed in the top drawers or if children attempt to climb it.
- **Even Surface:** Place the dresser on a flat, level surface to ensure stability.
- **Weight Distribution:** Distribute weight evenly across drawers. Place heavier items in lower drawers to improve stability.
- **Children:** Do not allow children to climb on or play with the dresser drawers.

Image: Diagram illustrating the anti-tipping device installation, highlighting its importance for safety compared to a dresser without one.

Troubleshooting

If you encounter any issues with your T4TREAM 6-Drawer Dresser, consider the following common solutions:

- **Drawers not closing smoothly:** Check for obstructions in the drawer slides. Ensure the slides are clean and free of debris. Verify that the drawer is correctly aligned on its tracks.
- **Dresser feels wobbly:** Confirm that all assembly hardware is securely tightened. Ensure the dresser is placed on a level surface. Re-install the anti-tipping device if it has come loose.
- **Missing or damaged parts:** Refer to the parts list in your assembly manual. Contact customer support for replacements.

For issues not covered here, please contact T4TREAM customer support.
