2. Assembly Instructions

Assembly of the T4TREAM 7-Drawer Dresser is required. The product comes with detailed installation instructions, and all parts and accessories are coded for easier identification. Precise holes are pre-drilled to facilitate accurate and faster assembly.

While assembly is straightforward, it can be time-consuming. It is recommended to allocate sufficient time for the process. Ensure you have a clear workspace and the necessary tools, typically a screwdriver. A small amount of wood glue may be beneficial for certain joints, though a small tube is usually included.

For optimal stability and safety, ensure all screws and fasteners are tightened securely. Do not overtighten to avoid damaging the material. If any parts appear mislabeled, refer carefully to the provided diagrams in the separate instruction manual.

Important Safety Note: An anti-tipping device is included with your dresser. It is crucial to install this device securely to a wall stud to prevent accidental tipping, especially in homes with children. Follow the specific instructions provided in the assembly manual for proper installation of the anti-tipping device.

3. Operation and Usage

The T4TREAM 7-Drawer Dresser is designed for convenient storage of clothing, linens, and other household items. Its seven drawers offer varied capacities to accommodate different types of items.

- **Drawer Operation:** Each drawer is equipped with metal sliding rails and ball bearings, ensuring smooth and effortless opening and closing. The double-coated metal handles provide a comfortable grip.
- **Storage Capacity:** The larger drawers (23"W x 12"D x 7"H) are suitable for bulkier items like t-shirts (approx. 20-25) and jeans (approx. 15-20). The smaller drawers (14.8"W x 12"D x 4"H) are ideal for smaller items such as socks (approx. 50) and underwear (approx. 20).
- **Weight Limit:** The top surface of the dresser can support items up to 150 lbs. Distribute weight evenly to maintain stability.

4. Maintenance and Care

To ensure the longevity and appearance of your T4TREAM dresser, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid using harsh chemicals,

abrasive cleaners, or excessive moisture, as these can damage the finish.

- **Spills:** In case of spills, wipe them immediately with a dry cloth to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.
- **Drawer Rails:** Periodically check the drawer rails for any debris or dust that might hinder smooth operation. Clean if necessary.

5. Troubleshooting

This section addresses common issues you might encounter with your dresser.

Problem	Possible Cause	Solution
Drawers do not slide smoothly or stick.	Debris on rails, misaligned rails, or overtightened screws.	Clean rails of any dust or foreign objects. Check that drawer rails are correctly aligned and securely fastened, but not overtightened.
Dresser feels wobbly or unstable.	Loose connections or uneven floor.	Ensure all assembly screws are tightened. Verify the dresser is on a level surface; use shims if necessary. Confirm the anti-tipping device is properly installed.
Missing or mislabeled parts during assembly.	Packaging error or misidentification.	Check the spare parts bag often included. Carefully re-examine the assembly diagrams to confirm part identification. Contact customer support if parts are genuinely missing.
