Bellemave GZZ000058TE-1

Bellemave Montessori Twin Size House Floor Bed with High Fence

Model: GZZ000058TE-1
Instruction Manual

1. Introduction

Thank you for choosing the Bellemave Montessori Twin Size House Floor Bed. This bed is designed to provide a safe, comfortable, and stimulating sleeping and play environment for children. Its unique house-shaped design and low-to-the-ground structure encourage independence and creativity, aligning with Montessori principles. This manual provides essential information for assembly, safe use, and maintenance of your new bed.

2. Safety Information

- **Maximum Weight Recommendation:** Do not exceed 250 pounds (113 kg) on this bed. Exceeding this limit may compromise the bed's stability and safety.
- This product is certified by the Children's Product Certificate (CPC), ensuring it meets safety standards for children's furniture.
- Ensure all parts are securely fastened during assembly and regularly check for loose connections.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Always supervise children when they are using the bed, especially during play.
- Do not allow children to climb on the roof structure or hang from any part of the bed frame.
- The bed is designed for a twin-size mattress. Ensure the mattress fits snugly within the frame to prevent gaps.

3. Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden bed frame components (headboard, footboard, side rails, roof frame pieces)
- Guardrails
- Assembly hardware (screws, nuts, bolts, Allen wrench)

- Instruction manual

4. Setup and Assembly Instructions

Assembly is required for this bed. It is recommended that two adults assemble the bed. Please follow the included step-by-step instructions carefully. An assembly video is also provided for visual guidance.

Assembly Video Guide

Your browser does not support the video tag.

This video demonstrates the step-by-step assembly process for the Twin Size Floor Bed. It shows how to connect the various frame components and secure them with the provided hardware.

General Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and hardware on a clean, soft surface. Refer to the parts list in your included manual to identify each piece.
2. **Assemble Base Frame:** Connect the headboard, footboard, and side rails to form the rectangular base of the bed. Ensure all connections are tight.
3. **Attach Guardrails:** Secure the high fence guardrails to the sides of the bed frame.
4. **Construct House Frame:** Assemble the roof-shaped frame pieces and attach them to the main bed structure.
5. **Final Checks:** Double-check all screws and bolts to ensure they are fully tightened. Place the mattress inside the assembled frame.

5. Usage Instructions

This floor bed is designed for children transitioning from a crib or for those who benefit from a low-to-the-ground sleeping arrangement. The open design encourages independence, allowing children to enter and exit the bed freely.

- **Sleeping:** Place a standard twin-size mattress directly on the bed frame. The high fence provides a secure sleeping area, preventing accidental falls.
- **Playhouse Design:** The house-shaped frame can be decorated to create a personalized play space. Children can use it as a fort, reading nook, or imaginative play area.
- **Decorating:** The roof structure is ideal for hanging lightweight decorations such as string lights, fabric canopies, or banners to enhance the child's personal space.

Product Overview Video

Your browser does not support the video tag.

This video provides a general overview of the Twin House Floor Bed with Fence in Gray, demonstrating its design and features in a child's room setting.

Image: A visual comparison highlighting the 20-inch height of the Bellemave bed's safety fence compared to a typical 12.3-inch fence on other beds, emphasizing enhanced safety.

6. Maintenance

Proper care and maintenance will ensure the longevity and safety of your Bellemave bed.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the painted finish.
- **Regular Inspection:** Periodically check all screws, bolts, and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Excessive Moisture:** Keep the bed in a dry environment. Prolonged exposure to moisture can cause wood to warp or swell.
- **Protect from Direct Sunlight:** Direct sunlight can cause the wood finish to fade over time.

7. Troubleshooting

If you encounter any issues with your Bellemave bed, refer to the following common solutions:

- **Wobbling or Instability:** Ensure all assembly hardware is fully tightened. Check that the bed is placed on a flat, even surface.
- **Squeaking Noises:** Re-tighten all bolts and screws. Applying a small amount of paraffin wax or silicone spray to the joints can also help.
- **Missing Parts:** If you find any parts missing upon unboxing, please contact Bellemave customer support immediately with your purchase details.
- **Damaged Parts:** Do not attempt to use damaged parts. Contact customer support for replacements.

8. Specifications

Model Number	GZZ000058TE-1
Size	Twin
Product Dimensions (L x W x H)	79.53" x 44.76" x 66.26"
Color	Gray High Fence
