BIG BOOM EP-386499BIG BOOM

BIG BOOM Fastener Clips User Manual

Model: EP-386499BIG BOOM

Product Overview

These BIG BOOM Fastener Clips are designed for securing various components in automotive applications, specifically compatible with models such as E46, X5, M3, M5, and Z3. This package includes 50 pieces of white interior fender clips, providing a reliable solution for replacing worn or broken fasteners.

Each clip is new and intended for a secure fit. Please note that product color may slightly vary due to photographic lighting sources or monitor settings.

Package Contents

Upon opening your BIG BOOM Fastener Clips package, you will find the following:

- 1 x Pack of 50 Fastener Clips (contained within a case/packaging)

Setup and Installation

Follow these steps for proper installation of the fastener clips:

1. **Prepare the Area:** Identify the specific location on your vehicle (e.g., fender, interior panel) where the clip needs to be installed. Ensure the mounting hole is clean, dry, and free of any debris or old clip remnants.
2. **Align the Clip:** Carefully align the fastener clip with the designated mounting hole. Ensure the orientation of the clip matches the original or required position.
3. **Insert the Clip:** Gently push the clip into the hole. Apply steady, even pressure until the clip is fully seated and secure. For some clip types, you may hear a distinct click, indicating it has locked into place.
4. **Verify Security:** After installation, gently tug on the attached panel or component to ensure it is firmly secured and does not wobble or come loose.

Operating and Usage

These fastener clips are designed for single-use installation to secure various automotive trim and panel components. Once installed, they provide a firm and stable attachment.

- **Intended Use:** Primarily for automotive interior and fender applications, compatible with specific BMW models (E46, X5, M3, M5, Z3) and other vehicles requiring similar clip dimensions.
- **Removal:** To remove a clip, use a plastic trim removal tool or a flat-head screwdriver to carefully pry it out. Exercise caution to avoid damaging the surrounding vehicle panels or the clip itself if reusability is desired (though not guaranteed).

Maintenance

These fastener clips require minimal maintenance. To ensure their longevity and proper function:

- **Storage:** Store unused clips in their original packaging or a sealed container in a cool, dry place, away from direct sunlight and extreme temperatures. This prevents material degradation and keeps them clean.
- **Cleaning:** If clips become dirty before installation, wipe them with a clean, dry cloth. Avoid using harsh chemicals or solvents, which could damage the plastic material.

Troubleshooting

If you encounter issues during installation or use, consider the following:

- **Clip does not fit the hole:** Verify that you have the correct size and type of clip for your specific application. Automotive fasteners come in various dimensions. Refer to your vehicle's service manual or compare with the

original clip.

- **Clip feels loose after installation:** Ensure the mounting hole is not enlarged or damaged. The clip should fit snugly. If the hole is compromised, a larger diameter clip or a hole repair might be necessary.
- **Clip breaks during installation:** This can occur if excessive force is applied or if the clip is not properly aligned with the hole. Ensure even pressure and correct alignment before pushing the clip into place.
- **Panel still rattles:** Check all installed clips for proper seating. If the panel continues to rattle, additional clips may be required, or the issue might stem from another component.

Specifications

Attribute	Value
Brand	BIG BOOM
Model Number	EP-386499BIG BOOM
Product Dimensions (L x W x H)	15 x 5 x 10 cm
Net Quantity	1.00 Count (50 pieces)
Included Components	Case (packaging for clips)
Manufacturer	BIG BOOM

Warranty Information

Specific warranty details for the BIG BOOM Fastener Clips are not explicitly provided. For any inquiries regarding product defects, returns, or warranty claims, please contact the seller directly through the platform where the purchase was made. It is advisable to retain your purchase receipt or order details for any potential claims.

Customer Support

For any questions, technical assistance, or concerns regarding your BIG BOOM Fastener Clips, please reach out to the seller. Providing your order number and a clear description of your query will help facilitate a quicker response.

Important Note: As stated, product color may slightly vary due to photographic lighting sources or your monitor settings. For any specific queries, always contact the seller.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
