Graco MYAVO TRIO Stroller System User Manual

MODEL: GT2107CAMDN000

The Graco MYAVO TRIO is a versatile travel system designed for infants and toddlers, offering a lightweight stroller, infant car seat, and carrycot for comprehensive mobility solutions.

1. Introduction

The Graco MYAVO TRIO is designed for parents seeking a convenient all-in-one solution for their child's needs. This trio includes the lightweight Myavo stroller, the SnugLite i-Size R129 infant car seat, and the carrycot, allowing easy travel with your baby from day one up to approximately 4 years of age. Its lightweight design, weighing less than 6 kg, makes it easy to carry everywhere.

2. What's in the Box

Please ensure all components are present before assembly and use:

- 1 Myavo Stroller (including rain cover, canopy, safety bar, 2 belt pads, 1 belt frame with 2 front wheels and 2 rear wheels, 1 brake system)
- 1 SnugLite i-Size R129 Infant Car Seat (including headrest, 2 padded shoulder straps, 1 crotch pad)
- 1 Myavo Carrycot (including mattress)
- 1 Set of Adapters
- 1 Instruction Manual

3. Setup and Assembly

3.1 Unfolding the Stroller

To unfold the Myavo stroller, release the integrated lock and lift the handlebar until the frame clicks into place. Ensure all locking mechanisms are securely engaged before use.

3.2 Attaching the Carrycot

Remove the stroller cover. Attach the provided adapters to the stroller frame. Align the carrycot with the adapters and press down firmly until it clicks securely into place. The carrycot offers a comfortable lie-flat position for newborns up to 9 kg.

3.3 Attaching the Infant Car Seat

Similar to the carrycot, remove the stroller cover and attach the adapters. Position the SnugLite i-Size R129 infant car seat onto the adapters and push down until it locks. Ensure the car seat is facing the rear of the stroller for optimal safety.

4. Operating Instructions

4.1 Stroller Recline Adjustment

The stroller features a multi-position recline to ensure your baby's comfort. Locate the recline mechanism, typically on the back of the seat, and adjust to the desired angle. Always ensure the seat is securely locked in position.

4.2 Harness System

The 5-point harness system provides security for your child. Adjust the shoulder straps and waist straps to fit snugly without being too tight. Ensure the buckle is fully engaged.

4.3 Braking System

Engage the brake system by pressing down on the foot pedal located near the rear wheels. Ensure the stroller is stationary before placing or removing your child. Disengage by lifting the pedal.

4.4 Folding the Stroller

The Myavo stroller features an automatic one-hand quick fold. Follow the instructions in the manual to activate the folding mechanism. The stroller stands upright when folded for convenient storage.

5. Maintenance and Care

Regular maintenance ensures the longevity and safety of your Graco MYAVO TRIO. Always refer to the detailed instruction manual for specific care instructions for each component (stroller, car seat, carrycot). Generally, fabric parts can be spot cleaned with mild soap and water. Metal and plastic parts should be wiped clean with a damp cloth. Do not use abrasive cleaners.
