Transformers Studio Series Deluxe Class Bumblebee 117 Action Figure User Manual

Model: G0564

INTRODUCTION

Welcome to the world of Transformers! This manual provides detailed instructions for the Transformers Studio Series Deluxe Class Bumblebee 117 action figure. This collectible figure, inspired by the *Transformers: Bumblebee* movie, converts between robot and Volkswagen Beetle car modes. Please read this manual carefully to ensure proper use and enjoyment of your figure.

SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small parts may be generated. Not for children under 3 years.

Always supervise young children during play. Keep small accessories away from infants and pets.

WHAT'S IN THE BOX

- 1 x Bumblebee 117 Action Figure
- 1 x Blaster Accessory
- 1 x Sword Accessory
- 1 x Removable Charlie's Garage Backdrop

SETUP AND INITIAL INSPECTION

Upon unboxing your Transformers figure, carefully remove all packaging materials. Inspect the figure for any visible damage or missing parts. The figure comes with a blaster and a sword accessory, which can be attached in both robot and vehicle modes.

OPERATING INSTRUCTIONS: TRANSFORMATION

The Bumblebee 117 figure converts between robot mode and Volkswagen Beetle car mode in 23 steps. Refer to the visual guide on the back of the packaging for detailed steps.

Converting to Robot Mode:

1. Begin with the Volkswagen Beetle vehicle mode.
2. Carefully separate the roof and side panels to begin unfolding the robot's limbs.
3. Extend the legs and rotate the feet into position.
4. Unfold the arms from the vehicle's sides and position the hands.
5. Rotate the torso and head into their upright robot positions.
6. Ensure all panels are securely tabbed into place to form a stable robot figure.
7. Attach the blaster and sword accessories to Bumblebee's hands or designated ports.

Converting to Volkswagen Beetle Mode:

1. Begin with the robot mode. Remove any attached accessories.
2. Fold the robot's limbs and torso according to the transformation sequence.
3. Align and secure the panels to form the compact Volkswagen Beetle vehicle.
4. Ensure all tabs and slots are firmly connected to create a solid vehicle form.
5. The blaster and sword accessories can be stored in designated slots in vehicle mode.

MAINTENANCE

To keep your Transformers figure in optimal condition:

- **Cleaning:** Wipe the figure gently with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the paint or plastic.
- **Storage:** Store the figure away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation.
- **Handling:** Handle the figure with care, especially during transformation. Avoid excessive force on joints or thin plastic parts.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Figure does not transform smoothly.	Panels or joints are misaligned or stuck.	Refer to the transformation steps on the packaging. Gently manipulate joints and panels, ensuring they are aligned correctly before applying pressure. Do not force parts.
Accessories do not attach securely.	Incorrect orientation or debris in the port.	Ensure the accessory is oriented correctly. Check ports for any obstructions and clear them if necessary.
Figure feels loose or unstable in robot mode.	Panels are not fully tabbed in.	Review the final steps of robot mode transformation to ensure all locking tabs and panels are securely connected.

SPECIFICATIONS

Product Dimensions: 11.22 x 10.24 x 8.07 inches

Item Weight: 3.84 ounces

Model Number: G0564

Manufacturer Recommended Age: 8 years and up

Manufacturer: Hasbro

Release Date: June 17, 2025
