BOSHIRO BO-8DG-W

BOSHIRO White 8-Drawer Tall Dresser Instruction Manual

Model: BO-8DG-W

1. Introduction

Thank you for choosing the BOSHIRO White 8-Drawer Tall Dresser. This modern and functional storage cabinet is designed to enhance various spaces in your home, including bedrooms, dining rooms, living rooms, home offices, and entryways. Constructed from high-density plates with an environmentally friendly process, this dresser offers durability and ample storage. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture.

2. Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tip Device:** It is highly recommended to secure this dresser to the wall using the anti-tip device provided. This prevents accidental tipping, which can cause serious injury.
- **Weight Limits:** Do not overload drawers. Distribute weight evenly. The top surface also has a weight limit; avoid placing excessively heavy items on it.
- **Children Safety:** Keep children away from the assembly area. Do not allow children to climb on or play with the dresser.
- **Proper Placement:** Place the dresser on a flat, level, and stable surface to prevent wobbling or tipping.
- **Ventilation:** Ensure adequate ventilation around the dresser, especially if placed near heat sources or in enclosed spaces.
- **Material Handling:** The dresser is made of high-density plates. Handle components carefully during assembly to avoid damage.

3. Package Contents

Before beginning assembly, verify that all components and hardware are present and undamaged. If any parts are missing or damaged, please contact customer service immediately.
The package typically includes:

- Dresser panels (top, bottom, sides, back)
- Drawer components (fronts, sides, backs, bottoms)
- Drawer slides and runners
- Drawer knobs/handles
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip restraint kit
- Assembly instructions (separate document)

4. Setup and Assembly

Assembly is required for this product. It is recommended to have at least two people for assembly due to the size and weight of the components. Please follow the detailed assembly instructions provided in the separate assembly guide included with your package.

4.1 Preparation

- Choose a spacious, clean, and well-lit area for assembly.
- Lay out all components on a soft, non-abrasive surface (e.g., a blanket or cardboard) to prevent scratches.
- Identify all parts and hardware by comparing them with the parts list in the assembly guide.
- Gather necessary tools, which typically include a Phillips head screwdriver and possibly a hammer.

4.2 Assembly Steps (General)

Refer to the dedicated assembly manual for step-by-step visual instructions. The general process involves:

1. Assembling the main frame of the dresser.
2. Attaching the drawer slides to the dresser frame.
3. Assembling each of the eight drawers.
4. Installing the assembled drawers into the dresser frame.
5. Attaching the anti-tip restraint to the dresser and securing it to a wall stud.

5. Operating Instructions

The BOSHIRO 8-Drawer Tall Dresser is designed for convenient and organized storage.

5.1 Drawer Usage

- Each of the eight drawers operates on smooth slides, allowing for easy opening and closing.
- To open a drawer, gently pull the knob. To close, push the drawer firmly until it is fully seated.
- Avoid forcing drawers open or closed, as this can damage the slides or the drawer itself.

5.2 Storage Capacity

The dresser provides ample storage space for various items. It is suitable for storing clothes, books, miscellaneous household items, and more.

Image 5.2: Detailed views of the dresser's material texture, drawer knob, leg design, and drawer slide mechanism.

6. Maintenance

Proper care and maintenance will ensure the longevity and appearance of your BOSHIRO dresser.

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or damage to the material.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Heat and Moisture:** Keep the dresser away from direct heat sources and areas of high humidity to prevent warping or material degradation.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.

7. Troubleshooting

If you encounter any issues with your dresser, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Dresser wobbles or is unstable.	Uneven floor; loose fasteners; incorrect assembly.	Ensure dresser is on a level surface. Check and tighten all assembly fasteners. Review assembly instructions for any missed steps.
Drawers do not slide smoothly or get stuck.	Drawer slides misaligned; debris in slides; overloaded drawer.	Ensure drawer slides are correctly installed and aligned. Clear any dust or debris from the slides. Reduce weight in the drawer.
Drawer does not close completely.	Obstruction; misaligned drawer; damaged slide.	Check for items blocking the drawer. Verify the drawer is correctly seated on its slides. Inspect slides for damage.
Missing parts during assembly.	Packaging error.	Double-check all packaging materials. Contact BOSHIRO customer service with the specific part number from the assembly guide.

If the problem persists after attempting these solutions, please contact BOSHIRO customer service for further assistance.
