Key Features:

- **Bluetooth 5.4:** Ensures stable and efficient wireless connectivity.
- **ENC Noise Cancelling Mics:** Enhances call clarity by reducing environmental noise.
- **HiFi Stereo Sound:** Delivers high-fidelity audio experience.
- **IP7 Waterproof:** Provides protection against water immersion.
- **LED Display:** Shows battery status of the charging case and earbuds.
- **Smart Touch Control:** Intuitive control for music, calls, and voice assistant.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and to a power source.
3. The LED display on the case will indicate the charging status. A full charge is indicated when the display shows 100%.

2. Pairing with a Device

The earbuds will automatically enter pairing mode when removed from the charging case.

1. Open the charging case. The earbuds will power on and automatically connect to each other.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "J53" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

ADVANCED BLUETOOTH 5.4

Connecting and pairing in 1 second once you open the charging case.

OPERATING INSTRUCTIONS

The zakotu J53 earbuds feature smart touch controls on each earbud. The following actions can be performed:

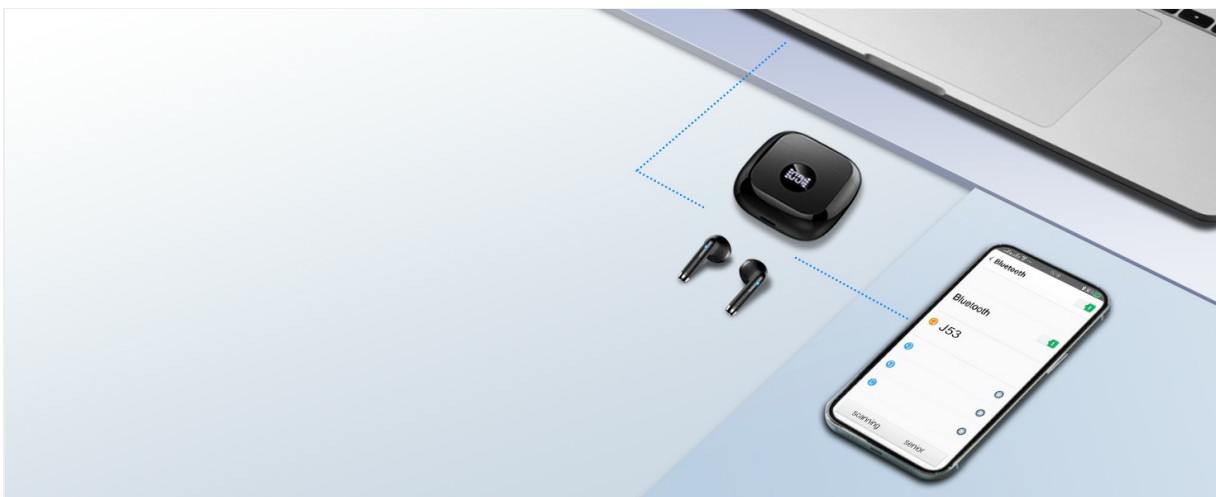

Image: Visual guide to the touch controls on the zakotu J53 earbuds, detailing single, double, triple taps, and long presses for various functions.

- **Play/Pause:** Double-tap either earbud.
- **Next Track:** Long press the right earbud for 2 seconds.
- **Previous Track:** Long press the left earbud for 2 seconds.
- **Answer/Hang Up Call:** Double-tap either earbud.
- **Reject Call:** Long press either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple-tap either earbud.
- **Volume Up/Down:** Single tap the right earbud for volume up, single tap the left earbud for volume down.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance:** The earbuds are IP7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. However, the charging case is not waterproof. Avoid exposing the charging case to water. Ensure earbuds are dry before placing them back in the case.

TROUBLESHOOTING

If you encounter issues with your zakotu J53 Wireless Earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not pairing with device.	<ul style="list-style-type: none"> • Ensure earbuds are fully charged. • Turn off Bluetooth on your device and turn it back on. • Forget "J53" from your device's Bluetooth list and re-pair. • Place earbuds back in the case, close it, wait a few seconds, then open and try again.

Problem	Solution
Only one earbud is working.	<ul style="list-style-type: none"> • Ensure both earbuds are charged. • Place both earbuds back into the charging case, close the lid, and then open it again to force them to reconnect to each other. • If the issue persists, try resetting the earbuds (refer to manufacturer's website if a specific reset procedure is not in this manual).
Earbuds not charging.	<ul style="list-style-type: none"> • Check if the charging cable is securely connected to both the case and the power source. • Ensure the charging contacts on the earbuds and inside the case are clean and free of debris. • Try a different USB-C cable or power adapter.
Poor sound quality.	<ul style="list-style-type: none"> • Ensure the earbuds are properly seated in your ears. Try different sized ear tips. • Clean any earwax or debris from the earbud nozzles. • Move closer to your connected device to avoid interference.
