6. Maintenance

To ensure the longevity and appearance of your storage cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage to the wood.

- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the cabinet remains stable.
- **Placement:** Avoid placing the cabinet in direct sunlight or near heat sources to prevent warping or fading.

7. Troubleshooting

If you encounter any issues with your Befrases Farmhouse Floor Storage Cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is on a level surface. Adjust the leveling feet (if applicable) or place shims under the base. Re-tighten all assembly screws.
- **Doors Not Closing Properly:** Check that hinges are securely fastened and aligned. Adjust hinge screws if necessary to ensure doors close flush.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately for replacements.
