Rainbow High 523154

Rainbow High Creative Crystals Iris Doll - Instruction Manual

Model: 523154

1. Safety Information

This product includes a resin play component. It is not suitable for children under 8 years of age. Adult supervision is required during all resin handling and crafting activities to ensure safe use.

2. Product Overview

The Rainbow High Creative Crystals Iris doll is an 11-inch fashion doll designed for creative expression through accessory crafting. The kit allows users to create custom crystal accessories for the doll and a wearable ring for themselves using resin and molds.

3. What's Included

The package contains the following items:

- 11-inch Iris Fashion Doll with complete outfit
- Crystal Accessories Make-It Kit, including:
  - Resin bottle
  - Molds for 5 accessories (purse, earrings, sunglasses, headband, and a ring for the user)
  - Accessory hardware for assembly
- Sandpaper
- Comb

4. Setup and Preparation

4.1 Unboxing

Carefully remove the doll and all accessories from the packaging. Ensure all components listed in the 'What's Included' section are present before beginning play.

4.2 Doll Preparation

The Iris doll features articulated joints, allowing for various poses. Adjust her arms and legs as desired for display or interactive play. Use the included comb to style her hair gently.

Figure 2: The Iris doll is displayed with all the accessories from the kit, including the resin bottle, various molds, and accessory hardware.

5. Crystal Accessory Creation

5.1 Resin Application

To create crystal accessories, carefully pour the provided resin into the desired molds. Ensure the resin fills all spaces within the mold. For larger molds, apply the resin in layers to ensure even setting.

Figure 3: A hand demonstrates pouring the liquid resin into a mold, which is the initial step in creating a crystal accessory.

5.2 Setting the Crystals

Place the filled molds in direct sunlight for a few minutes to allow the resin to set and harden. Setting time may vary based on sunlight intensity and temperature.

5.3 Demolding and Assembly

Once the resin is fully set and hardened, gently pop the crystal shapes out of their molds. Snap these crystals into the corresponding accessory hardware (e.g., sunglasses, earrings, purse, headband, or ring). If needed, a small amount of resin can be used as an adhesive to secure the crystal to the accessory hardware.

Video 1: This video provides a visual guide on creating crystal accessories, demonstrating the pouring, setting, and assembly steps for various items.

5.4 Personal Ring Creation

Utilize the kit to create a crystal ring for personal wear, allowing for matching style with the Iris doll.

Figure 4: A child is shown wearing a custom-made crystal ring, highlighting the interactive and wearable aspect of the accessory kit.

Video 2: This video showcases the Rainbow High Creative Crystals Iris Fashion Doll and the process of creating her unique crystal accessories.

6. Care and Maintenance

6.1 Doll Hair Care

Use the included comb to gently style the doll's hair. Avoid harsh brushing or excessive pulling to prevent tangling or damage. For best results, dampen the hair slightly before combing if it becomes matted.

6.2 Accessory Care

Store resin accessories in a cool, dry place away from direct sunlight when not in use to maintain their clarity and prevent discoloration. Avoid exposing them to extreme temperatures.

6.3 Cleaning

Wipe the doll and accessories with a soft, damp cloth as needed. Do not immerse the doll or resin accessories in water for extended periods.

7. Troubleshooting

7.1 Resin Not Setting

- Ensure molds are placed in direct sunlight for the recommended duration. Setting time may vary based on sunlight intensity and weather conditions.
- Verify that the resin bottle was properly sealed when not in use to prevent premature hardening or degradation.

7.2 Difficulty Removing Crystals from Molds

- Allow additional time for the resin to fully harden. Attempt removal only when the crystal is firm and non-tacky.
- Gently flex the mold to help release the crystal. Do not force it, as this may damage the crystal or the mold.

8. Product Specifications

Feature	Detail
Product Dimensions	9.25 x 3.2 x 12 inches
Item Weight	1.33 pounds
Item Model Number	523154
Manufacturer Recommended Age	8+ years (due to resin play)
Release Date	November 25, 2024
Manufacturer	MGA Entertainment

9. Warranty and Support

For warranty information, product support, or to inquire about replacement parts, please contact MGA Entertainment customer service. Refer to the product packaging for specific contact details or visit the official Rainbow High website for further assistance.
