Care and Maintenance

Proper care of your game disc and microphones will ensure their longevity and optimal performance.

Game Disc Care

- Always handle the game disc by its edges to avoid fingerprints and scratches.
- Store the disc in its original case when not in use.
- If the disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners.

Microphone Care

- Keep microphones clean and dry. Wipe the exterior with a soft, damp cloth if needed.
- Avoid dropping the microphones or exposing them to excessive force.
- Store microphones in a safe place away from dust and extreme temperatures.

Troubleshooting

If you encounter any issues while using Let's Sing 2025, refer to the table below for common problems and their solutions.

Problem	Possible Cause	Solution
Microphone not recognized or working	Loose connection, faulty port, driver issue.	Ensure USB cables are fully inserted into PS5 USB ports. Try a different USB port. Restart the PS5 console. Check in-game audio settings.
Limited song selection	VIP Pass not activated or expired.	Redeem your 1-month FREE VIP Pass code in the PlayStation Store. Ensure your console is connected to the internet. Purchase additional VIP Passes for continued access to the full song library.
Game activation code already used	Pre-owned copy, error during manufacturing/packaging.	Contact Deep Silver customer support with your proof of purchase. Do not attempt to use codes from other sources.
Game crashes or freezes	Software bug, console overheating, corrupted data.	Ensure your game and PS5 system software are updated to the latest version. Clear the PS5 system cache. If issues persist, consider reinstalling the game (your save data will typically remain).
