## COBI 3115

# COBI Historical Collection WWII Type 95 Ha-Go Tank Building Set

Model: 3115 | Brand: COBI

## 1. PRODUCT OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of the COBI Historical Collection WWII Type 95 Ha-Go Tank Building Set. The Type 95 Ha-Go was a light tank utilized by the Imperial Japanese Army during World War II, designed in the 1930s. This block model is presented in a 1:35 scale and comprises 380 high-quality elements. The set includes a Japanese tank driver figure and a bilingual nameplate. The completed model features movable wheels, tracks, and a rotating turret. A block with a fragment of terrain and a Japanese flag is also included for display.

## 4. ASSEMBLY INSTRUCTIONS (SETUP)

---

The COBI Type 95 Ha-Go Tank Building Set is designed for intuitive assembly. Follow the clear, step-by-step instructions provided in the separate instruction booklet included in your package. Each step is illustrated to guide you through the construction process.

1. Unpack all building elements and organize them by type or color as suggested in the instruction booklet.
2. Begin assembly by following the numbered steps in the instruction booklet. Pay close attention to the illustrations for correct part placement.
3. Ensure all connections are firm to maintain the structural integrity of the model.
4. Once the tank body is complete, assemble the Japanese tank driver figure and the display base with the flag.

## 6. CARE AND MAINTENANCE

---

To ensure the longevity and appearance of your COBI building set:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with a clean damp cloth and allow to air dry completely. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when moving it, to prevent parts from detaching.

## 7. TROUBLESHOOTING

---

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Double-check the packaging and all bags. If pieces are genuinely missing, contact COBI customer support with your product model number and details of the missing parts.
- **Difficulty Connecting Parts:** Ensure you are using the correct pieces as indicated in the instruction booklet. Apply gentle, even pressure. Avoid forcing parts together, as this can cause damage.
- **Model Instability:** Review the assembly steps to ensure all connections are secure and parts are correctly oriented.
