OPERATING AND USAGE

The Rubik III sofa offers modular flexibility, allowing you to reconfigure its layout to suit your space and needs. The deep seating and high-density foam provide a comfortable experience for various activities.

Modular Configuration

The individual modules can be arranged in different configurations, such as an L-shape, a straight sofa, or separate seating units. Experiment with arrangements to find the best fit for your room.

Storage Access

Lift the seat cushions to access the built-in storage compartments. These are ideal for storing blankets, magazines, or other household items to keep your living space tidy.

MAINTENANCE

Proper care will extend the life and appearance of your LINSY HOME Rubik III sofa.

Cleaning Covers

The sofa covers are removable and machine-washable. For best results, wash in cold water on a gentle cycle with mild detergent. Air dry or tumble dry on low heat. Avoid bleach.

General Care

- Regularly vacuum the sofa to remove dust and debris.
- Spot clean spills immediately with a clean, damp cloth and mild soap. Blot, do not rub.

- Avoid direct sunlight to prevent fading of the fabric.
- Rotate cushions periodically to ensure even wear.

TROUBLESHOOTING

This section addresses common issues you might encounter with your sofa.

Loose Connections

If modules feel wobbly or separate, check the connectors underneath each section. Ensure they are properly engaged and tightened. Re-engage if necessary.

Fabric Stains

For stubborn stains, remove the cover and follow the machine-washing instructions. For non-removable areas, use a reputable upholstery cleaner according to its directions, testing on an inconspicuous area first.

Squeaking Sounds

Squeaking can sometimes occur due to loose frame components. Inspect the frame for any loose screws or connections and tighten them. If the issue persists, contact customer support.
