amseatec LY-5192

amseatec Office Chair Instruction Manual

MODEL: LY-5192

1. INTRODUCTION

Thank you for choosing the amseatec LY-5192 Office Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before use and retain them for future reference.

The amseatec LY-5192 is designed for ergonomic comfort and durability, featuring a bonded leather finish, adjustable height, tilt functionality, and flip-up armrests for versatile use in various settings.

2. SETUP AND ASSEMBLY

Assembly of your amseatec LY-5192 Office Chair is straightforward. Ensure all components are present before beginning. It is recommended to assemble the chair on a soft, clean surface to prevent damage.

Assembly Guidance Video

Video Description: This video provides a step-by-step visual guide for assembling the amseatec LY-5192 Office Chair. It demonstrates how to connect the base, attach the wheels, and secure the seat and backrest components.

Key Assembly Steps

- **Unpack Components:** Carefully remove all parts from the packaging. Verify against the parts list in your included manual.
- **Assemble Base:** Attach the five caster wheels to the chair base.
- **Install Gas Lift:** Insert the gas lift cylinder into the center hole of the assembled base.
- **Attach Mechanism to Seat:** Secure the seat plate mechanism to the underside of the seat cushion using the provided screws. Ensure the "FRONT" label on the mechanism faces the front of the seat.
- **Connect Backrest:** Attach the backrest to the seat assembly.
- **Mount Armrests:** Secure the padded flip-up armrests to both the seat and backrest.
- **Final Assembly:** Place the assembled seat and backrest onto the gas lift cylinder.

Image: Fast & Easy Assembly. The chair is designed for quick and efficient setup.

3. Operating Instructions

Your amseatec LY-5192 Office Chair offers several adjustable features to customize your seating experience for maximum comfort and support.

Adjustable Features

- **Height Adjustment:** Use the lever located under the seat on the right side to adjust the chair's height. To raise, lift the lever while taking your weight off the seat. To lower, lift the lever while seated.
- **Tilt Function:** Pull the same lever outwards to enable the tilt function, allowing the backrest and seat to recline together. Push the lever inwards to lock the chair in an upright position.
- **Tilt Tension Control:** Rotate the round knob located under the seat, towards the front, to adjust the tension of the tilt mechanism. Turn clockwise to increase tension (making it harder to recline) and counter-clockwise to decrease tension (making it easier to recline).
- **Flip-Up Armrests:** The padded armrests can be flipped up and out of the way, allowing you to push the chair closer to your desk or to sit cross-legged.
- **360-Degree Swivel:** The chair features a full 360-degree swivel for easy movement and access to your workspace.

Ergonomic Comfort Video

Video Description: This video demonstrates the ergonomic features and comfort of the amseatec LY-5192 Office Chair, including its back support and overall design for extended use.

Image: Ergonomic Comfort. The chair provides three stages of backrest support for neck, back, and lumbar regions.

Image: Recline & Relax. The chair allows for comfortable reclining from 90 degrees for work to 115 degrees for relaxation.

4. Maintenance

Proper care will extend the life and appearance of your amseatec LY-5192 Office Chair.

Cleaning Instructions

- **Bonded Leather:** The premium bonded leather is designed to be stain-resistant and easy to clean. For general cleaning, wipe the surface with a soft, damp cloth.
- **Spills:** For spills, immediately blot with a clean, dry cloth. Avoid rubbing, which can spread the stain.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the leather finish.
- **Frame and Base:** Wipe the metal base and plastic components with a damp cloth.

Image: Premium PU Leather. The chair features a durable and easy-to-clean bonded leather surface with a two-layer seat cushion.

5. Troubleshooting

If you encounter any issues with your amseatec LY-5192 Office Chair, please refer to the following common solutions:

- **Chair Not Adjusting Height:** Ensure the gas lift lever is fully engaged or disengaged as required. Check if the plastic cap on the gas lift was removed during assembly.
- **Chair Squeaks:** Tighten all screws and bolts. Apply a small amount of silicone lubricant to moving parts, especially where metal components meet.
- **Wheels Not Rolling Smoothly:** Check for any debris (hair, dust, etc.) caught in the casters and remove them. Ensure the casters are securely inserted into the base.
- **Chair Feels Unstable:** Verify that all screws are tightened and the base is correctly assembled. Ensure the chair is used on a flat, even surface.

If problems persist, please contact customer support for assistance.

6. Specifications

Feature	Detail
Brand	amseatec
Model Name	LY-5192
Color	Black
Material	Faux Leather (Bonded Leather)
Product Dimensions	26.22"D x 19.3"W x 41.5"H
