homary GY-J040528

homary Smart Nightstand Instruction Manual

Model: GY-J040528

IMPORTANT SAFETY INFORMATION

Please read all safety instructions before using your homary Smart Nightstand.

- Always unplug the wireless charger when not in use.
- Do not place heavy objects on the nightstand that could cause it to tip over.
- Keep the nightstand away from heat sources and liquids to prevent damage to the electrical components.
- Ensure the nightstand is placed on a stable, level surface.
- Avoid exposing the nightstand to direct sunlight or extreme temperatures.

PRODUCT OVERVIEW

The homary Smart Nightstand (Model GY-J040528) is a modern bedside table designed for convenience and style. It features integrated charging capabilities and ample storage.

- **Wireless Charging Pad:** Located on the top surface for compatible devices.
- **USB and Type-C Ports:** For wired charging of various devices.
- **Two Storage Drawers:** Provides organized storage for personal items.
- **Durable Construction:** Crafted from engineered wood with a faux leather finish.

SETUP

The homary Smart Nightstand comes fully assembled, requiring no complex setup.

1. **Unpacking:** Carefully remove the nightstand from its packaging. Inspect for any shipping damage.
2. **Placement:** Position the nightstand on a stable, level surface next to your bed or desired location. Ensure adequate space for drawer operation.
3. **Power Connection:** Locate the power cable for the charging station. Connect it to a suitable wall outlet. The nightstand's smart features (wireless charger, USB/Type-C ports) will now be active.

OPERATING INSTRUCTIONS

Wireless Charging

The nightstand features a built-in wireless charging pad on its top surface.

1. Ensure the nightstand is plugged into a power source.
2. Place your Qi-compatible device (e.g., smartphone) directly onto the designated wireless charging area on the nightstand's top surface.
3. The device should indicate that it is charging. If not, adjust its position on the pad until charging begins.

USB and Type-C Charging Ports

For devices not compatible with wireless charging, or for faster charging, use the integrated USB and Type-C ports.

1. Ensure the nightstand is plugged into a power source.
2. Connect your device's charging cable to the appropriate USB or Type-C port on the nightstand.
3. Connect the other end of the cable to your device.
4. Your device should begin charging.

Drawer Operation

The nightstand features two smooth-gliding drawers for storage.

- To open a drawer, gently pull the front panel.
- To close, push the drawer firmly until it is fully seated.
- Avoid overloading drawers to ensure smooth operation and prevent damage.

More Durable, More Stable!

Density
> 700kg/m³

Market Standard
650kg/m³

MAINTENANCE

Proper care will ensure the longevity and appearance of your homary Smart Nightstand.

- **Cleaning:** Wipe the faux leather surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining, especially on the faux leather.
- **Dusting:** Regularly dust the nightstand with a dry, soft cloth.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone-based lubricant can be applied to the slides.

Soft

Eco-Friendly

Breathable

Waterproof

Stain-Resistant

Scratch-Proof

TROUBLESHOOTING

Wireless Charger Not Working

- **Check Power:** Ensure the nightstand is properly plugged into a functional wall outlet.
- **Device Compatibility:** Verify that your device is Qi-compatible for wireless charging.
- **Device Placement:** Adjust the device's position on the charging pad. It may need to be precisely centered.
- **Obstructions:** Remove any thick phone cases or metallic objects between the device and the charging pad.

USB/Type-C Ports Not Charging

- **Check Power:** Ensure the nightstand is plugged in.
- **Cable Integrity:** Try a different charging cable to rule out a faulty cable.
- **Port Condition:** Inspect the ports for any debris or damage.

Drawers Sticking or Not Opening Smoothly

- **Overload:** Reduce the weight or volume of items in the drawer.
- **Obstruction:** Check for any objects blocking the drawer slides.
- **Level Surface:** Ensure the nightstand is on a level surface, as unevenness can affect drawer alignment.

SPECIFICATIONS

Brand	homary
Model Name	GY-J040528
Color	Black
Material Type	Faux Leather; MDF
Frame Material	Engineered Wood
Number of Drawers	2
Item Dimensions (L x W x H)	15.7 x 19.7 x 19.7 inches (400 x 500 x 500 mm)
