BANIGIPA LK-15

BANIGIPA Kids Open Ear Headphones LK-15 User Manual

Model: LK-15

1. INTRODUCTION

Thank you for choosing the BANIGIPA Kids Open Ear Headphones, Model LK-15. These headphones are designed with an open-ear concept to prioritize your child's hearing health and safety, allowing them to remain aware of their surroundings while enjoying audio. Featuring Bluetooth 5.4 connectivity, an ultra-lightweight design, and an 85dB healthy volume limit, these headphones provide a comfortable and secure listening experience for children.

2. WHAT'S IN THE BOX

Image: The product packaging displaying the headphones, charging cable, and user manual.

- 1 × BANIGIPA LK15 Kids Open Ear Headphones
- 1 × USB-C Charging Cable
- 1 × User Manual

3. PRODUCT FEATURES

- **Open-Ear Design:** Utilizes air conduction technology, resting outside the ear canal to maintain ear hygiene and allow awareness of ambient sounds for enhanced safety.
- **Healthy Volume Control:** Equipped with a large 13mm driver, the sound pressure at the ear is maintained below 85dB, protecting children's eardrums from potential damage.
- **Ultra-Lightweight & Comfortable:** Weighing only 13g (0.45 oz), these headphones are designed for all-day comfort without ear pressure. Made from 360° bendable, non-deformable memory aluminum for durability and portability.
- **Advanced Bluetooth 5.4:** Ensures a stable and fast wireless connection up to 33 feet, compatible with various Bluetooth-enabled devices such as phones, laptops, tablets, and smartwatches.
- **Built-in Noise-Canceling Microphone:** Features ENC noise cancellation technology for clear hands-free calls, suitable for online learning, music, gaming, and outdoor activities for children over 13 years old.
- **Multi-functional Physical Button:** Easy-to-operate buttons for power on/off, play/pause music, previous/next song, volume up (volume down not supported), and call management (answer/hang up/reject).
- **Long Battery Life:** Built-in rechargeable lithium battery provides up to 10 hours of music playtime on a 1.5-hour USB-C fast charge.
- **IPX5 Water Resistance:** Offers protection against sweat and light raindrops. Not recommended for swimming.

Ultra Lightweight and Comfortable

Only 13g weight , it will not compress child's ears and is lightweight and comfortable to wear all day.

4. SETUP

4.1 Charging the Headphones

Before first use, fully charge the headphones. Connect the provided USB-C charging cable to the charging port on the headphones and to a compatible USB power source. The LED indicator will show charging status.

- **Charging Time:** Approximately 1.5 hours for a full charge.
- **Playtime:** Up to 10 hours on a full charge.

Image: Illustration of the USB-C charging port and battery performance.

4.2 Power On/Off

- **To Power On:** Press and hold the Multi-Function Button (MFB) for 5 seconds until the LED indicator flashes.
- **To Power Off:** Press and hold the MFB for 5 seconds until the LED indicator turns off.

4.3 Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the MFB for approximately 5 seconds until the LED indicator flashes alternating blue and red. This indicates pairing mode.
3. On your device (phone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "LK-15" from the list of available devices.
5. Once connected, the LED indicator will flash blue slowly.

4.4 Wearing the Headphones

The headphones are designed to rest comfortably on the outer ear, with the band going behind the head.

1. Place the speakers gently on your ears.
2. Adjust the flexible band to rest securely behind your head.
3. Ensure the speakers are positioned to allow ambient sound awareness.

Image: Step-by-step guide on wearing the headphones.

5. OPERATING INSTRUCTIONS

5.1 Music Playback

- **Play/Pause:** Press the MFB once.
- **Next Song:** Press the MFB twice.
- **Previous Song:** Press the MFB three times.

5.2 Call Management

- **Answer/End Call:** Press the MFB once.
- **Reject Call:** Press and hold the MFB for 2 seconds.

5.3 Volume Control

- **Volume Up:** Long press the '+' button. (Note: Volume down is not supported directly on the headphones; adjust via the connected device.)

Image: Detailed diagram of the multi-functional button and its controls.

5.4 Connecting Two Devices Simultaneously

The headphones support connecting to two Bluetooth devices at the same time (e.g., a phone and a computer). Follow the standard pairing procedure for each device.

Image: Visual of headphones connected to multiple devices.

6. MAINTENANCE

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store in a cool, dry place away from direct sunlight and extreme temperatures. The flexible design allows for easy storage.
- **Water Resistance:** The headphones are IPX5 water-resistant, meaning they can withstand sweat and light splashes. Do not submerge them in water or expose them to heavy rain.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully using the provided USB-C cable.
Cannot pair with device.	Headphones not in pairing mode; Bluetooth off on device; device too far.	Ensure headphones are in pairing mode (flashing blue/red LED). Turn on Bluetooth on your device. Move headphones closer to the device.
No sound or low volume.	Volume too low on headphones or device; not properly connected.	Increase volume on both headphones (long press '+') and the connected device. Re-pair the headphones.
Intermittent connection.	Interference; device too far; low battery.	Move away from other wireless devices. Ensure headphones are within 33 feet of the device. Charge the headphones.
