XINDADA OD1-S

XINDADA ZORDAI OD1 Smartwatch User Manual

Model: OD1-S

INTRODUCTION

Welcome to the user manual for your XINDADA ZORDAI OD1 Smartwatch. This guide provides comprehensive instructions to help you set up, operate, and maintain your device, ensuring you get the most out of its features. The XINDADA ZORDAI OD1 Smartwatch is designed to enhance your daily life with its advanced health and fitness tracking capabilities, Bluetooth calling, and smart notifications. Please read this manual carefully before using the device.

IMPORTANT SAFETY INFORMATION

- **Medical Disclaimer:** Wearable devices monitor human activities via electronic sensors and are at the consumer electronics level. Do not compare with hospital equipment; it is not a medical device.
- **Charging Precautions:** Charge the device for 2-3 hours upon receipt. Use a 5V 1A adapter for charging. Do not use high-power or fast-charging adapters to avoid damage to the watch.
- **Water Resistance:** The smartwatch supports Life Waterproof. However, diving, swimming, prolonged submersion, and hot showers are prohibited. High-temperature steam may cause water damage.
- **App Connection:** Before use, scan the QR code provided in the physical user manual (not included in this digital version) or search for the ZORDAI application in your phone's app store and connect the watch via the app.
- **Android Users:** Authorize the ZORDAI APP to access necessary phone functions and allow it to run in the background. Enable GPS positioning on your phone before connecting.

SETUP

1. Unboxing and Initial Charge

Upon receiving your XINDADA ZORDAI OD1 Smartwatch, unpack all components. It is recommended to fully charge the device before first use. Connect the charging cable to the watch's charging port and a 5V 1A USB power adapter. The watch will display a charging indicator.

Note: A full charge typically takes 2-3 hours.

2. Downloading the ZORDAI App

To unlock the full potential of your smartwatch, you need to download and install the ZORDAI application on your smartphone. The app is available for both Android and iOS devices.

1. Scan the QR code provided in the physical user manual (not included in this digital version) or search for "ZORDAI" in your phone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Download and install the ZORDAI app.
3. Open the app and follow the on-screen instructions to create an account or log in.

3. Pairing Your Smartwatch with the App

Ensure your phone's Bluetooth is enabled before proceeding.

1. Open the ZORDAI app on your smartphone.
2. Navigate to the "Device" or "Add Device" section within the app.
3. The app will search for nearby Bluetooth devices. Select "OD1 Smart Watch" from the list of available devices.
4. Confirm the pairing request on both your phone and the smartwatch if prompted.
5. Once successfully paired, the app will display a "Connected" status, and the watch's time and date will synchronize with your phone.

For Android users: Ensure GPS positioning is enabled on your phone and grant all necessary permissions to the ZORDAI app for optimal functionality.

OPERATING INSTRUCTIONS

Basic Navigation

- **Touch Screen:** The 1.99-inch HD curved screen is touch-sensitive. Swipe left/right, up/down, and tap to navigate menus and select options.
- **Side Button:** Typically used for power on/off, returning to the home screen, or accessing the app list.

Key Features and Functions

Watch Faces

The OD1 Smartwatch offers a variety of built-in watch faces. You can easily switch between them by long-pressing the screen. Additionally, the ZORDAI app provides access to over 500 watch faces for free download, allowing for extensive customization.

Multiple Watch Faces Easily Switch Between Them

Over 500 watch faces are available through the app.

Bluetooth Call Function

Once paired with your smartphone, the smartwatch allows you to make and answer calls directly from your wrist. Ensure your phone is within Bluetooth range.

- **Making a Call:** Access the dial pad or contact list on the watch to initiate a call.
- **Answering a Call:** When an incoming call is received, the watch will display the caller ID. Tap the green icon to answer or the red icon to reject.

Health Monitoring

The OD1 Smartwatch is equipped with sensors for comprehensive health tracking.

- **Heart Rate Monitoring:** Continuously tracks your heart rate throughout the day. View real-time data on the watch or detailed historical data in the ZORDAI app.
- **ECG:** Provides electrocardiogram readings. Consult the app for instructions on how to take an accurate ECG measurement.
- **Sleep Monitoring:** Automatically tracks your sleep patterns, including deep sleep, light sleep, and awake times. Analyze your sleep quality in the ZORDAI app.

AI Voice Assistant

The smartwatch features an AI voice assistant for convenient hands-free operation. Double-tap the screen to activate the voice assistant. You can use voice commands for various tasks, such as playing music, making calls, setting timers, or checking the weather.

AI Smart Voice

Double-tap the screen to quickly activate the AI smart voice for safer in-car operations, completely freeing up your hands

Play Music

Call Mr. Li

Set a 5-minute Timer

What's the weather like today?

NFC Smart Watch (Access Control)

The smartwatch includes NFC functionality, which can be used as an access control for quickly opening doors. Refer to the ZORDAI app or specific instructions for setting up NFC access with compatible systems.

Smart Reminders and Notifications

Receive various smart reminders and notifications directly on your wrist when connected to your phone.

- **Sedentary Reminder:** Alerts you when you've been inactive for too long, encouraging you to move.
- **Call Reminder:** Notifies you of incoming calls.
- **Information Push:** Displays notifications from various apps such as SMS, QQ, WeChat, Skype, Facebook, Twitter, Line, WhatsApp, and other mobile phone applications. Configure which app notifications to receive in the ZORDAI app settings.

Sports Modes and GPS Tracking

The smartwatch supports multiple sports modes and GPS tracking (via connected phone) to accurately record your physical activities.

- **Multi-Sport Mode:** Select from over 100 exercise modes to track specific activities.
- **GPS Tracking:** When connected to your phone, the watch uses your phone's GPS to record your route, steps, calories burned, and distance during outdoor activities.
- **Activity Records:** View your daily steps, calorie consumption, and distance directly on the watch or in more detail within the ZORDAI app.

100+ Exercise Modes

Equipped with advanced sports monitoring technology, it accurately records your steps, distance, calorie consumption, and more. Gain comprehensive insights into your physical activities and achieve your health goals with confidence.

Weather Information

Connect the smartwatch to the ZORDAI app to receive local weather data pushed directly to your watch face.

MAINTENANCE

Cleaning Your Smartwatch

Regular cleaning helps maintain the appearance and functionality of your device.

- Wipe the screen and watch body with a soft, lint-free cloth.
- For stubborn stains, dampen the cloth slightly with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts periodically to ensure proper charging.

Water Resistance Guidelines

The OD1 Smartwatch is designed with IP68 water resistance for daily life, meaning it can withstand splashes and rain. However, it is not suitable for all water activities.

IP68 Water Resistance for Daily Life

Fear No Rain or Splashes, No Need to Remove Even
When Washing Hands

*Please do not wear the watch while showering. High-temperature steam may
cause water damage to the watch.

Image: A person's hand with the smartwatch being splashed with water, illustrating its IP68 water resistance for daily use. A note advises against wearing it during hot showers due to steam.

- **Do:** Wear it during hand washing, in light rain, or for minor splashes.

- **Do Not:** Wear it while swimming, diving, showering (especially hot showers), or in saunas. High-temperature steam can penetrate the seals and cause damage.
- If the watch gets wet, wipe it dry thoroughly before charging or using the buttons.

Battery Care

- Avoid extreme temperatures, which can degrade battery life.
- Charge the watch regularly; avoid letting the battery completely drain for extended periods.
- Always use the recommended 5V 1A charger.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Watch does not turn on.	Low battery.	Charge the watch for at least 30 minutes using the correct charger.
Cannot pair with phone.	Bluetooth is off; App not running; Watch not discoverable; Interference.	Ensure phone's Bluetooth is on. Restart the ZORDAI app. Restart the smartwatch. Ensure the watch is close to the phone. For Android, ensure GPS is enabled and app permissions are granted.
Notifications not received.	App permissions; Notification settings; Bluetooth disconnected.	Check notification permissions in phone settings for ZORDAI app. Verify notification settings within the ZORDAI app. Ensure Bluetooth connection is stable.
Inaccurate health data.	Improper wearing; Not a medical device.	Ensure the watch is worn snugly on the wrist, not too tight or too loose. Remember that this is a consumer-grade device and not for medical diagnosis.

SPECIFICATIONS

The XINDADA ZORDAI OD1 Smartwatch features advanced components for optimal performance.

Feature	Detail
Model	OD1 Smart Watch
Screen Size	1.99 inches
Screen Resolution	320*384 pixels

Feature	Detail
