CARBINOX Vortex

CARBINOX Vortex Smart Watch User Manual

Model: Vortex

1. INTRODUCTION

This manual provides essential instructions for the setup, operation, maintenance, and troubleshooting of your CARBINOX Vortex Smart Watch. Please read this guide thoroughly to ensure proper use and to maximize the performance and longevity of your device.

The CARBINOX Vortex Smart Watch is engineered for durability and performance, featuring U.S. MIL-STD-810H certification for military-grade resistance against impacts, scratches, dust, mud, water, and extreme temperatures. It is also IP69K waterproof, making it suitable for various demanding environments.

Image: The CARBINOX Vortex Smart Watch is built to U.S. MIL-STD-810H military standards, offering resistance to hard impacts, water, scratches, dust, mud, and high & low temperatures.

2. SETUP GUIDE

2.1 Package Contents

Before starting, please verify that all items are present in your package:

- CARBINOX Vortex Smart Watch
- Charging Cable
- Tempered Glass Screen Protectors (2 Pack)
- User Manual

2.2 Initial Charging

Before first use, fully charge your CARBINOX Vortex Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included). A full charge typically takes approximately 90 minutes and provides up to 14 days of battery life, depending on usage.

Image: The CARBINOX Vortex Smart Watch features a long-lasting battery that charges fully in approximately 90 minutes.

2.3 App Installation and Pairing

To unlock the full functionality of your smart watch, download the official companion app, **GloryFit Pro**, on your smartphone. The app is available on both the Apple App Store and Google Play Store.

1. Scan the QR code provided in the manual or search for "GloryFit Pro" in your phone's app store.
2. Install and open the app.
3. Follow the on-screen instructions to create an account or log in.
4. Ensure Bluetooth is enabled on your smartphone.
5. In the GloryFit Pro app, navigate to the "Device" section and select "Add Device" or a similar option.
6. Select "Vortex" from the list of available devices to pair. Confirm the pairing request on both your phone and the watch.

Image: Download the GloryFit Pro app from the App Store or Google Play to pair your CARBINOX Vortex Smart Watch with your smartphone.

3. OPERATING INSTRUCTIONS

3.1 Basic Controls

- **Touchscreen:** Swipe left/right, up/down, and tap to navigate menus and select options.
- **Side Buttons:** The watch features physical buttons (UP, DOWN, BACK/SEL) for additional navigation and function access. Refer to the on-screen prompts for specific button functions within different menus.

Image: The CARBINOX Vortex Smart Watch features a sensitive and smooth touch screen for intuitive navigation.

3.2 Making and Receiving Calls

With Bluetooth calling technology integrated, you can make and receive calls directly from your watch when connected to your smartphone.

- **To Make a Call:** Access the dialer or contacts list on your watch and select the desired contact or dial the number.
- **To Receive a Call:** When a call comes in, the watch will display the caller ID. Tap the green icon to answer or the red icon to reject.

Image: The CARBINOX Vortex Smart Watch integrates Bluetooth calling technology, allowing users to answer or make calls directly from their wrist.

3.3 Notifications

Once paired, your watch can display notifications from your smartphone, including text messages and social media alerts. Ensure notification permissions are enabled in both your phone's settings and the GloryFit Pro app.

3.4 Sport Modes and Health Tracking

The watch offers over 100 sport modes to track various physical activities. Access these modes through the main menu. It also monitors essential health metrics such as heart rate, steps, and sleep patterns. View detailed data in the GloryFit Pro app.

3.5 Customizing Watch Faces

Personalize your watch by choosing from over 100 available watch faces. These can be changed directly on the watch or through the GloryFit Pro app.

Image: The CARBINOX Vortex Smart Watch offers a selection of over 100 watch faces for personalization.

4. MAINTENANCE

4.1 Cleaning Your Watch

Regularly clean your watch to maintain its appearance and functionality. Use a soft, damp cloth to wipe the screen and body. Avoid harsh chemicals or abrasive materials. Ensure the charging contacts are clean and dry before charging.

4.2 Water Resistance

The CARBINOX Vortex Smart Watch is IP69K waterproof, meaning it is resistant to high-pressure, high-temperature water jets and submersion. While designed for rugged use, avoid prolonged exposure to hot water, steam, or chemical liquids, which can compromise the seals over time. Always ensure the watch is dry before charging.

4.3 Screen Protection

The watch comes with tempered glass screen protectors for added durability. Apply these carefully following

the instructions provided with the protectors to prevent scratches and impacts to the screen.

Image: The CARBINOX Vortex Smart Watch includes tempered glass screen protectors for enhanced screen durability.

5. TROUBLESHOOTING

5.1 Watch Not Turning On

- Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- Press and hold the power button (usually the 'SEL' button) for 10-15 seconds to perform a forced restart.

5.2 Unable to Pair with Phone

- Confirm Bluetooth is enabled on your phone and the watch.
- Ensure the GloryFit Pro app is updated to the latest version.
- Restart both your phone and the watch.
- If previously paired, try unpairing the device from your phone's Bluetooth settings and then re-pairing through the app.
- Ensure the watch is not paired with another device.

5.3 Inaccurate Health Data

- Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone.
- Keep the sensor on the back of the watch clean and free from debris.
- Update the GloryFit Pro app and watch firmware to the latest versions.

5.4 Notifications Not Appearing

- Check notification permissions for the GloryFit Pro app in your phone's settings.
- Ensure the watch is connected via Bluetooth.
- Verify that notification settings are enabled within the GloryFit Pro app for specific applications.

6. SPECIFICATIONS
