Table Design	Coffee Table

Style Name	Modern
Furniture Finish	High-Gloss
Required Assembly	Yes
Indoor Outdoor Usage	Indoor
Recommended Number of People for Assembly	1
Tools Recommended For Assembly	Screw Driver
Includes All Assembly Tools	Yes
Number of Drawers	2

3. SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload the table or drawers beyond the maximum weight recommendation of 110 pounds.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing hot items directly on the surface without protection.

4. PACKAGE CONTENTS

All necessary parts, hardware, and an assembly guide are included in one package. Each accessory and part is numbered for easy identification during assembly.

5. SETUP AND ASSEMBLY

Follow the steps below and refer to the official installation video for a visual guide.

5.1 Assembly Video Guide

Official video guide for assembling the chartustriable LED Coffee Table. This video demonstrates each step of the assembly process, from attaching hardware to securing panels and installing drawers.

5.2 Key Assembly Steps

1. **Prepare Components:** Unpack all parts and hardware. Verify that all numbered components and accessories are present according to the included assembly guide.
2. **Assemble Base Structure:** Connect the main base panels using the provided hardware. Ensure all connections are firm.
3. **Install LED Strip:** Carefully peel and adhere the LED strip to the designated area on the table's base. Secure it with any provided clips or fasteners.
4. **Attach Top Section:** Secure the top section of the coffee table to the assembled base.
5. **Construct Drawers:** Assemble the two sliding drawers according to the instructions, ensuring the drawer slides are correctly installed.
6. **Insert Drawers:** Carefully slide the assembled drawers into their respective compartments.

7. **Final Tightening:** Double-check all screws and connections for stability.

Product Size

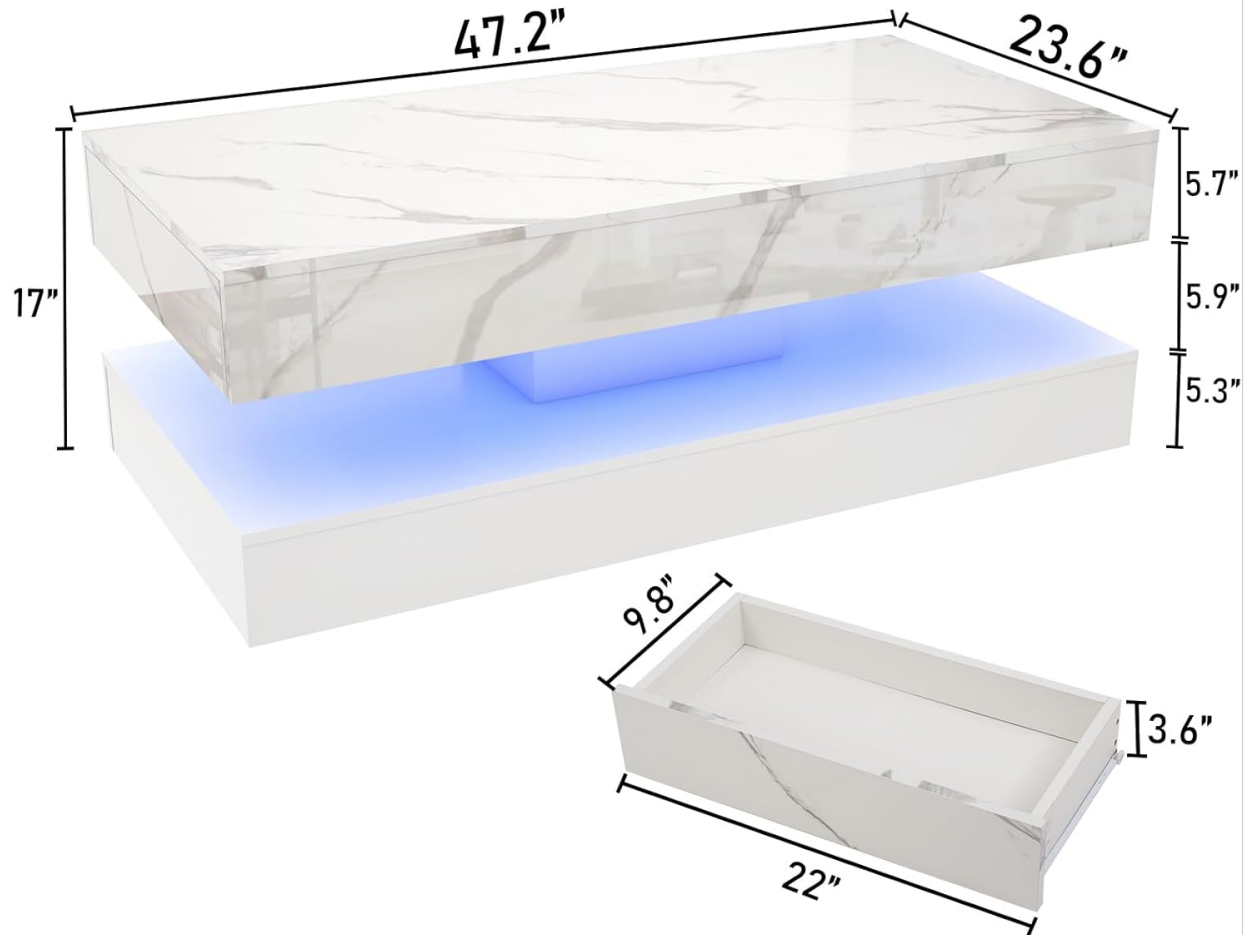

Figure 5.2.1: Product Dimensions. This image illustrates the overall dimensions of the coffee table (47.2"W x 23.6"D x 17"H) and the internal dimensions of a sliding drawer (22"W x 9.8"D x 3.6"H).

6. OPERATING INSTRUCTIONS

6.1 LED Lights Operation

The coffee table is equipped with hidden LED suspension lights offering multiple modes and colors. To operate the LED lights:

- **Power Connection:** Connect the LED light USB cable to a suitable power source (e.g., a USB wall adapter, power bank, or USB port on another device).
- **Remote Control:** Use the provided remote control to turn the lights on/off, change colors (over 60,000 options), adjust brightness, and select various modes (timing, music, mic mode).
- **Mobile App Control:** Download the compatible mobile application (refer to the assembly guide for app details) to control the LED lights via your smartphone. The app offers advanced customization options.

Figure 6.1.1: LED Light Features. This image highlights the various control methods and modes available for the LED lights, including over 60,000 colors, mic mode, music mode, timing mode, app control, and remote control.

6.2 Sliding Drawers

The coffee table includes two sliding drawers for convenient storage. To use the drawers:

- Gently pull the drawer front to open.
- Push the drawer front to close. Ensure it slides smoothly into place.
- Avoid forcing the drawers if they encounter resistance. Check for obstructions.

Figure 6.2.1: Ample Storage Space. This image demonstrates the various storage options provided by the coffee table, including the large tabletop, two sliding drawers, and an open storage shelf beneath the top surface.

7. MAINTENANCE

- **Cleaning:** Wipe the high-gloss surface with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Protective Film:** After assembly, remember to peel off any protective film from the high-gloss surfaces to reveal the full finish.
- **Spills:** The surface is designed to be water-resistant. Wipe up spills immediately with a dry cloth to prevent potential damage.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

Premium High-Gloss Surface & Marble Grain

Figure 7.1.1: Premium Surface Features. This image details the durable properties of the table's high-gloss, marble-print surface, including its resistance to water, corrosion, and high temperatures, making it easy to clean and maintain.

8. TROUBLESHOOTING

• LED Lights Not Working:

- Ensure the USB cable is securely connected to both the LED strip and a functional power source.
- If using a power bank, verify it is charged.
- Check the remote control battery and ensure it is pointed directly at the receiver.
- If using the app, ensure Bluetooth is enabled and the device is paired correctly.

• Drawers Not Sliding Smoothly:

- Check for any obstructions within the drawer slides.
- Ensure the drawer slides are correctly installed and aligned.
- Verify that all screws securing the slides are tight.

• Table Wobbles:

- Ensure all assembly screws are fully tightened.
- Place the table on a flat, even surface.

9. WARRANTY AND SUPPORT

For warranty information, please refer to the purchase documentation or contact the retailer. If you encounter any issues not covered in this manual or require further assistance, please contact chartustriable customer support through the retailer's platform or the official brand website.
