TORRAS iPhone 16

TORRAS Crystal Clear Case for iPhone 16 Instruction Manual

Model: iPhone 16

1. PRODUCT OVERVIEW

The TORRAS Crystal Clear Case is engineered specifically for the **iPhone 16 (6.1 inch, regular model)**. This case is designed to provide robust protection while preserving and showcasing the original aesthetic of your device. Please note, this case is **not compatible** with iPhone 16 Pro, iPhone 16 Pro Max, or iPhone 16 Plus models.

This image illustrates the specific compatibility of the TORRAS Crystal Clear Case with the 6.1-inch regular iPhone 16. It explicitly states that the case is not for iPhone 16 Pro, 16 Pro Max, or 16 Plus.

1.1 How to Check Your Phone Model

To ensure proper fit and compatibility, verify your iPhone model by following these steps:

1. Go to your iPhone's **Settings**.
2. Tap on **General**.
3. Select **About**.
4. Locate **Model Name** to confirm it is 'iPhone 16'.

This diagram provides a step-by-step guide on how to verify your iPhone model through the device settings, ensuring compatibility with the case. Navigate to Settings, then General, then About, and locate the 'Model Name' to confirm it is 'iPhone 16'.

2. KEY FEATURES

2.1 Crystal Clear Design & Anti-Yellowing

The case is crafted from premium Bayer high-polymer transparent material and enhanced with 0.2% BlueMolecule Technology, achieving 100% light transmittance to perfectly showcase your iPhone's true colors and design. An exclusive optical microdot design prevents unsightly watermarks from forming.

Our triple-layer anti-yellow technology ensures the case remains crystal clear over time. The oleophobic coating resists fingerprints and smudges, while the nano anti-oxidation layer protects against UV damage, keeping your case fresh and vibrant.

Crystal Clear

Super transparency, Built to last, Always like new

This image displays the TORRAS Crystal Clear Case, emphasizing its super transparency and how it maintains the original aesthetic of the iPhone 16.

Crystal Clear

Triple-Layer Transparency Coating for Anti-Yellowing

This diagram details the advanced triple-layer transparency coating designed to prevent yellowing. It highlights the Krystall Coating Material, Micro-dot Design Technology, and Vacuum-plated Anti-fingerprint TPU Material that contribute to the case's long-lasting clarity.

2.2 Military-Grade Protection

The TORRAS Crystal Clear Case is tested to 12ft military-grade drop standards, offering comprehensive protection for your device. It incorporates soft, high-elastic materials, 360° shock-absorbing air cushions, reinforced corner X-Shock technology, and a multi-layer bumper design.

Raised edges (2.5mm for the camera lens and 1.5mm for the screen) provide additional shielding against everyday bumps and scratches.

16FT Mil-Grade Protection

This image demonstrates the 16ft military-grade drop protection of the TORRAS case. It visually explains the Corner X-SHOCK technology and 360° Airbag protection that absorb impact and prevent damage.

This video showcases the key protective features of the TORRAS clear case, including its soft and comfortable feel, enhanced airbag protection, military-grade drop resistance, and precise fit for the iPhone 16. It also highlights how the transparent design preserves the phone's original beauty.

2.3 Ergonomic Design & Precise Fit

With a thickness of only 0.03 inches, this sleek case maintains a slim profile, ensuring your iPhone 16 remains pocket-friendly. It is fully compatible with wireless charging, allowing for convenient power replenishment without removal.

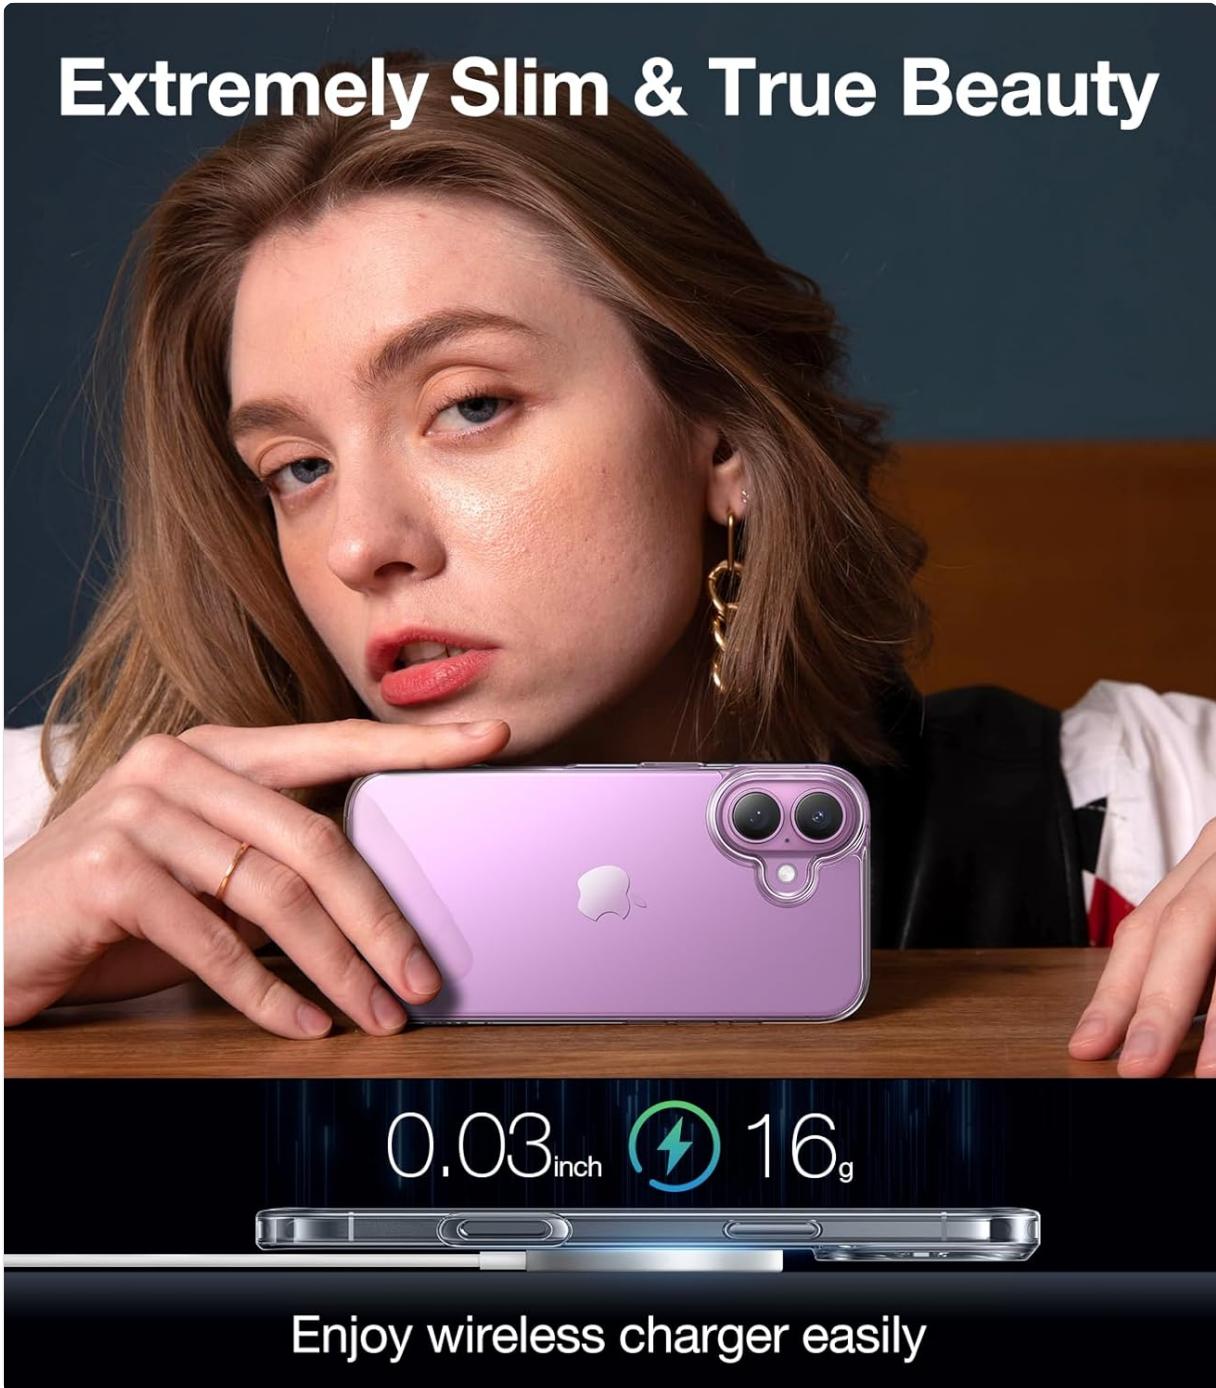

The case features ergonomic G3 side curves and a soft, high-elastic polymer construction, providing a secure, non-slip, and comfortable grip. This design reduces hand fatigue during extended use. Every cutout and button is perfectly aligned for precise operation and easy access to all controls.

Super Transparency, the Best Choice - TORRAS Crystal Clear

This image highlights the ultra-slim design of the TORRAS case, measuring only 0.03 inches thick, and confirms its compatibility with wireless charging, allowing for convenient power replenishment without removing the case.

Extremely Slim & True Beauty

Enjoy wireless charger easily

This image demonstrates the ergonomic design of the TORRAS case, featuring a 4D curved design and 'C' type silicone curved edges for a skin-friendly touch and excellent, non-slip grip.

3. INSTALLATION INSTRUCTIONS

Follow these steps to properly install your TORRAS Crystal Clear Case on your iPhone 16:

1. Ensure your iPhone 16 is clean and free of any dust or debris.
2. Align the bottom of your iPhone with the bottom cutouts of the case (USB-C port and speakers).
3. Gently push the phone into the case, ensuring all four corners snap securely into place.
4. Verify that all buttons and ports are correctly aligned and accessible.

4. CARE AND MAINTENANCE

To maintain the clarity and protective qualities of your TORRAS Crystal Clear Case, follow these care instructions:

- To clean the case, remove it from your iPhone.
- Wipe the case with a soft, damp cloth. For stubborn smudges, a mild soap solution can be used.
- Avoid using harsh chemicals, abrasive cleaners, or alcohol-based solutions, as these can damage the case's anti-yellowing and oleophobic coatings.
- Ensure the case is completely dry before re-installing it on your iPhone.

5. TROUBLESHOOTING

5.1 Case Appears Yellowing

While the case is designed with advanced anti-yellowing technology, prolonged exposure to direct sunlight, high temperatures, or certain chemicals can accelerate discoloration. Regular cleaning as per the care instructions can help mitigate this.

5.2 Difficulty Pressing Buttons

Ensure the case is correctly installed and fully seated around all edges of your iPhone. The precise cutouts and responsive button covers should allow for easy and tactile button presses. If the issue persists, try removing and re-installing the case.

5.3 Fingerprints or Smudges Visible

The oleophobic coating helps resist fingerprints and smudges, but some may still appear with regular use. Wipe the case regularly with a soft, clean cloth to maintain its crystal-clear appearance.

6. PRODUCT SPECIFICATIONS

Skin-friendly Touch & Excellent Grip

4D curved design

This image visually represents the robust protection offered by the TORRAS case, showing an iPhone 16 encased and protected during a fall, emphasizing the airbag design's ability to absorb 95% of impact force.
