

## Garwarm GW-20IN-CRYSTAL

# Garwarm 20" Crystal Fandelier Ceiling Fan with Lights and Remote

Model: GW-20IN-CRYSTAL

## INTRODUCTION

---

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Garwarm 20" Crystal Fandelier Ceiling Fan with Lights and Remote. Please read this manual thoroughly before installation and use, and retain it for future reference.

## IMPORTANT SAFETY INFORMATION

---

- Ensure power is disconnected at the circuit breaker before installation or maintenance.
- All electrical wiring must be performed by a qualified electrician and conform to local codes and regulations.
- Mounting structure must be capable of supporting the fan's weight.
- Do not bend fan blade holders during installation or cleaning.
- Ensure the fan is installed at a height where the bottom of the lamp is not less than 2.1 meters (approximately 7 feet) from the ground.
- Use only E26 bulbs, Max 60W (bulbs not included).

## WHAT'S IN THE BOX

---

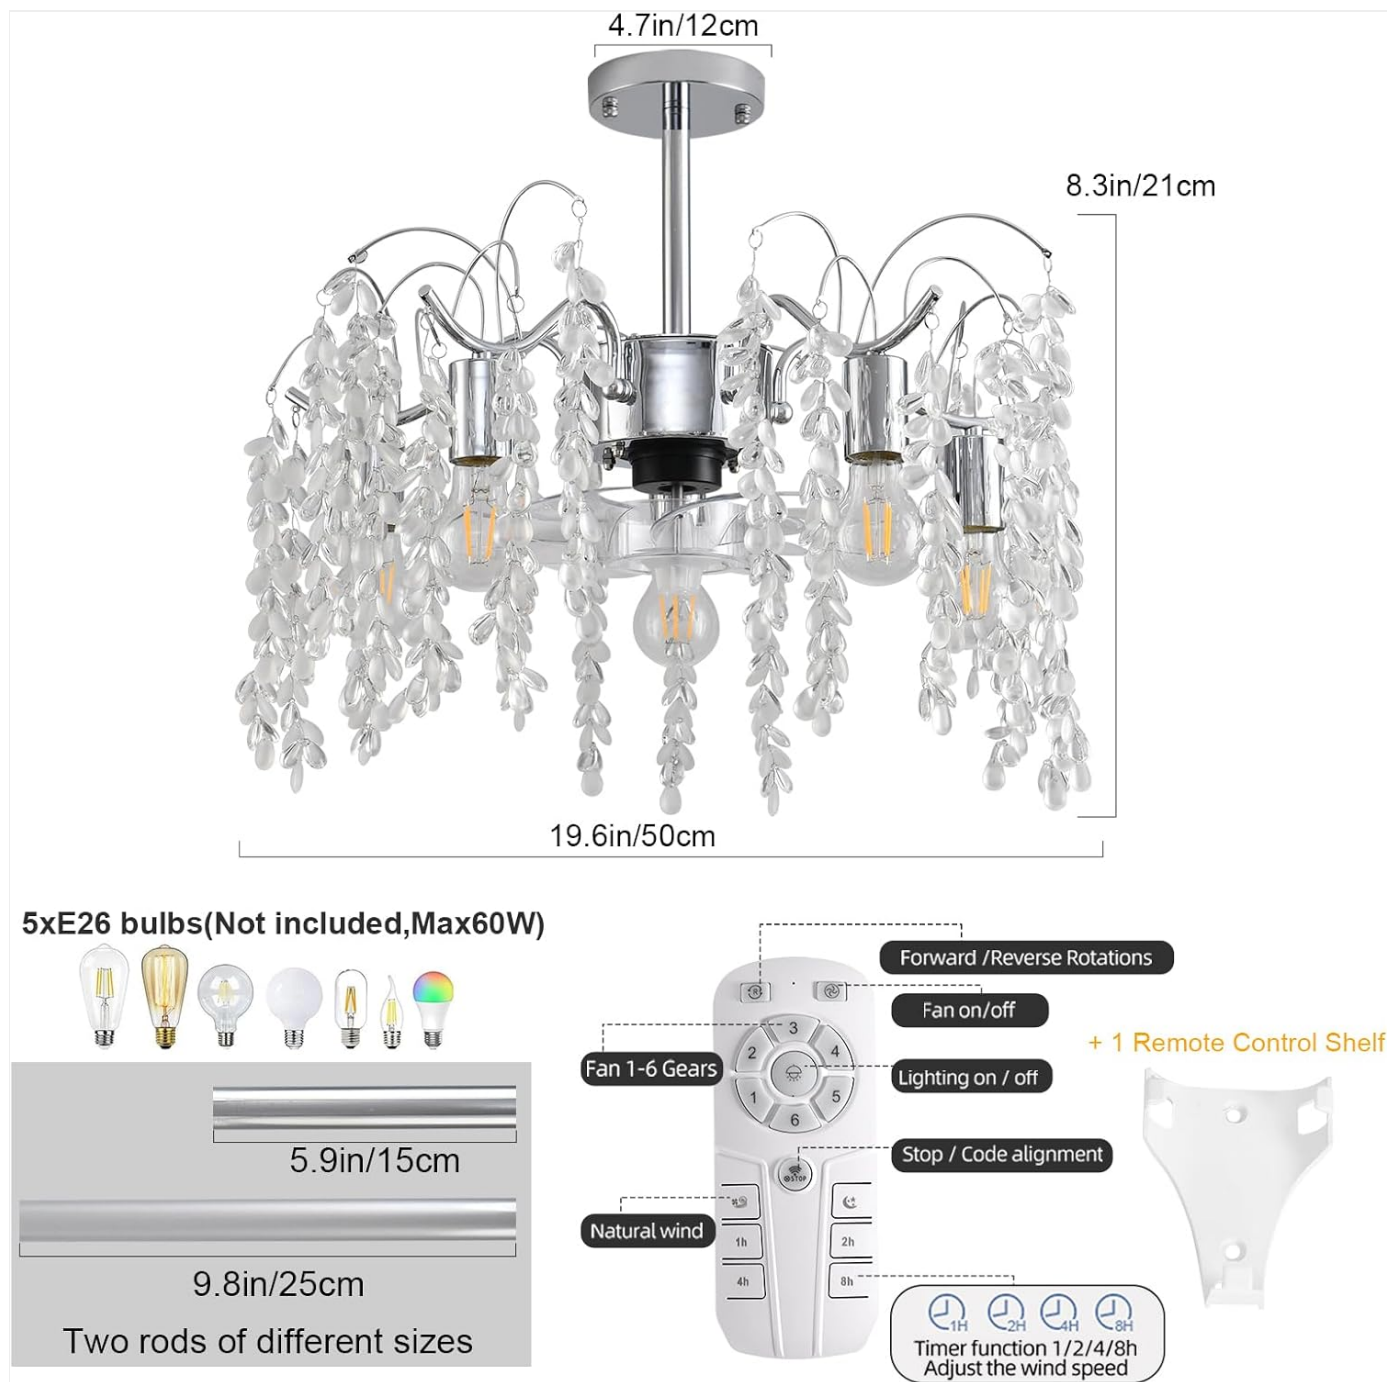

Your Garwarm Crystal Fandelier package includes:

- Fandelier unit with crystal accents
- Remote Control
- Remote Control Shelf
- Two extension rods (15 cm / 5.9 inches and 25 cm / 9.8 inches)
- Installation Instructions

## SETUP AND INSTALLATION

Installation of this ceiling fan requires assembly. Detailed steps are provided in the included instruction manual. For visual guidance, you can refer to the installation video provided by the manufacturer.

### Component Overview and Dimensions

This image illustrates the key dimensions of the fandelier: 20 inches (50 cm) diameter, 8.3 inches (21 cm) height. The ceiling canopy is 4.7 inches (12 cm) in diameter. It also shows the two included extension rods (5.9 inches/15 cm and 9.8 inches/25 cm) and the remote control with its various functions. The fan requires 5 x E26 bulbs (Max 60W), which are not included.

### Remote Control Holder Installation

This image demonstrates the installation process for the remote control holder. First, prepare the remote and holder. Next, drill appropriate holes in the desired wall location. Secure the holder to the wall, then place the remote control into the installed holder for convenient storage.

## Installation Video

This video provides a step-by-step guide for installing the Garwarm Crystal Fandelier Ceiling Fan. It covers the assembly of components and mounting to the ceiling.

## OPERATING INSTRUCTIONS

---

Your fandelier can be controlled via the included remote control or a compatible smartphone application.

### Remote Control Functions

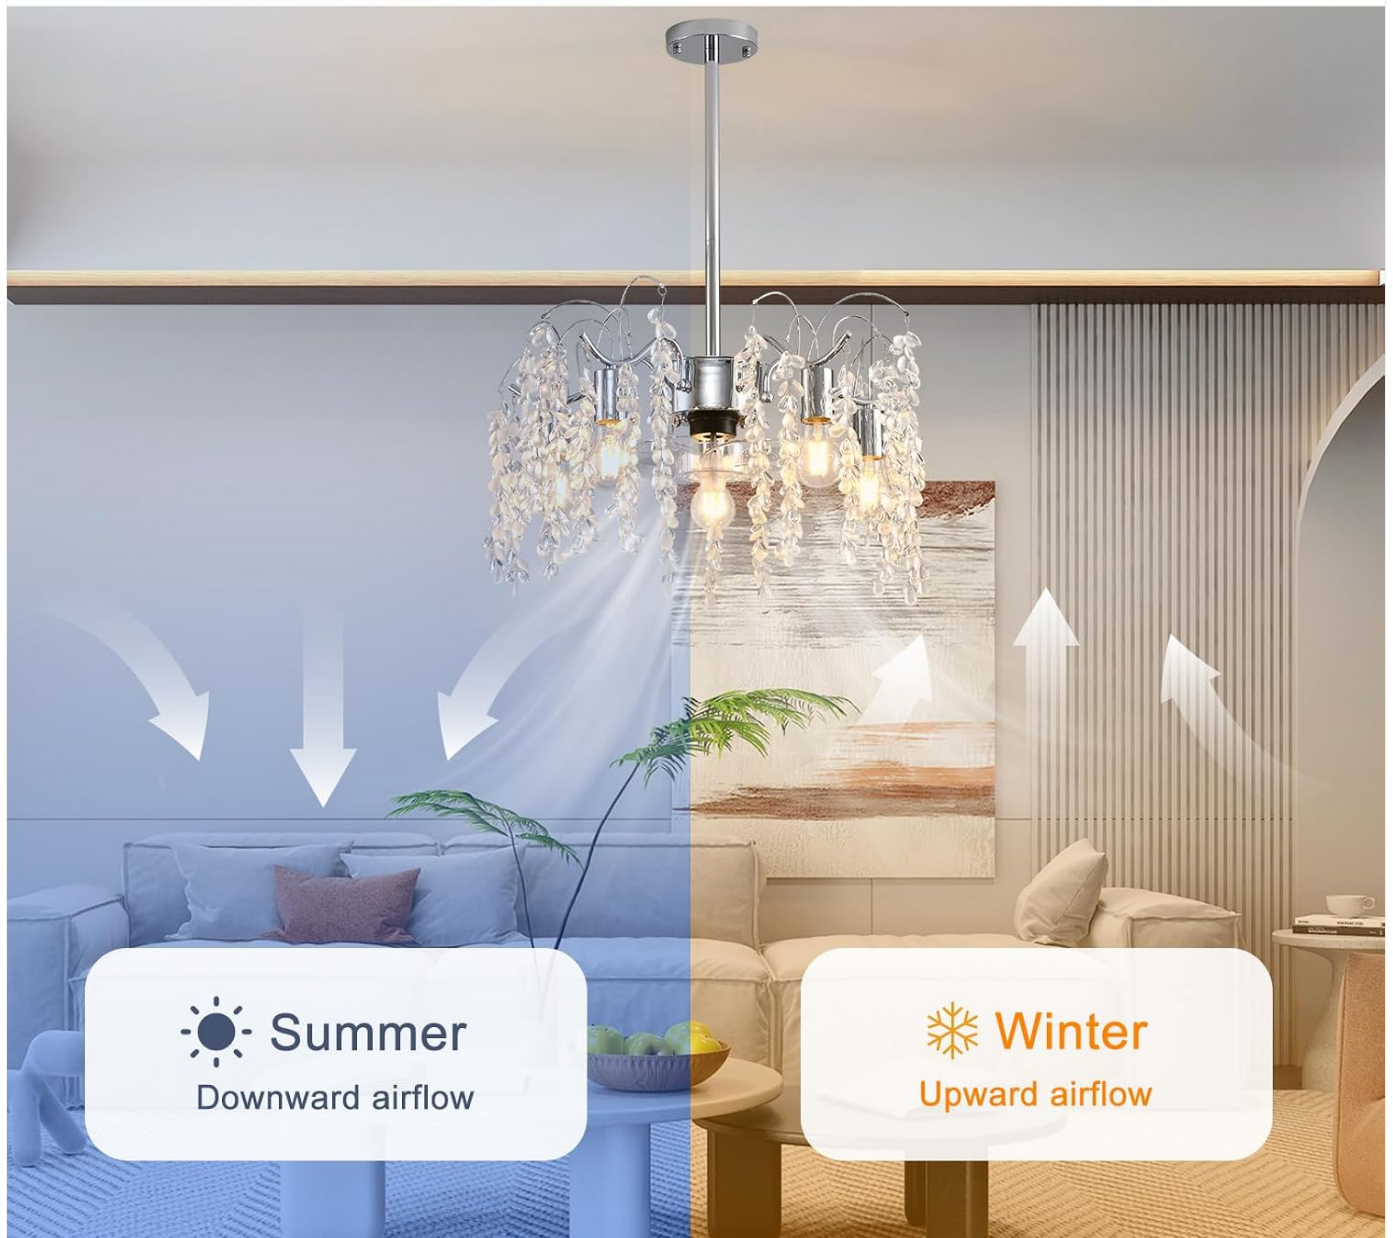

The remote control allows you to manage all fan and light functions. Buttons include: Fan On/Off, Lighting On/Off, 6-speed fan adjustment, Forward/Reverse rotation, Natural wind mode, and Timer settings (1H, 2H, 4H, 8H).

### Fan Speed and Modes

- **6 Wind Speed Levels:** Adjust fan speed from gentle breeze (1-2) to strong wind (5-6) to suit your comfort.
- **Natural Wind Mode:** Provides a fluctuating airflow for a more natural feel.
- **Reversible Motor:** Allows for forward rotation (downward airflow for cooling in summer) and reverse rotation (upward airflow for circulating warm air in winter).

## Cool in Summer & Warm in Winter

This diagram explains the reversible motor feature. In summer, the fan rotates forward to create a downward airflow for cooling. In winter, it rotates in reverse to create an upward airflow, helping to circulate warm air throughout the room.

### Lighting Control

- Turn lights On/Off independently from the fan.
- Note: The remote and app do not support infinite dimming.

Light off

Light on  
Day

Light on  
Night

This image sequence shows the fandelier's lighting capabilities: lights off, lights on during daylight, and lights on in a dark room, highlighting its illumination.

### Timer Function

Set the fan to turn off automatically after 1, 2, 4, or 8 hours using the timer function on the remote or app.

### App Control

The fandelier supports control via a smartphone application. Refer to the manual for QR code scanning and pairing instructions.

### Remote and App Usage Video

This video demonstrates how to use both the remote control and the smartphone application to operate the fandelier's various functions, including fan speed, lighting, and timer settings.

## MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your fandelier.

### Cleaning

- Always disconnect power before cleaning.
- Wipe the fan blades and exterior surfaces with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- Gently clean the crystal accents with a soft, lint-free cloth to maintain their sparkle.

This image shows the process of cleaning the fan blades with a soft cloth, emphasizing gentle care.

## TROUBLESHOOTING

If you encounter issues with your Garwarm Fandelier, please refer to the following common solutions:

- **Fan not operating:** Check power supply, ensure all connections are secure, and verify remote control batteries.
- **Lights not working:** Check bulbs for proper installation and ensure they are not burnt out. Verify power supply.
- **Remote control not responding:** Replace remote batteries. Ensure the remote is paired correctly with the fan (refer to app control video for pairing instructions).
- **Excessive noise or wobble:** Ensure all mounting screws are tightened. Check that fan blades are securely attached and balanced.

If problems persist, please contact Garwarm customer support for assistance.
