Office Depot RTA-8015-6AF1L

Office Depot Techni Mobili Havano L-Shaped Desk

MODEL: RTA-8015-6AF1L - USER MANUAL

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Office Depot Techni Mobili Havano L-Shaped Desk. Please read this manual thoroughly before assembly and use to ensure proper setup and longevity of your product.

Product Overview

The Techni Mobili Havano L-Shaped Desk features a modern design with tempered glass surfaces, chrome-plated steel frame, and espresso-colored MDF accents. It is designed to optimize workspace efficiency with its L-shape configuration, a movable CD/prINTER arm, and a sliding keyboard tray.

Setup and Assembly

Carefully unpack all components and verify against the parts list (not provided in this manual, refer to your product packaging). Assembly typically requires basic hand tools such as a Phillips head screwdriver and an Allen wrench (often included with hardware). It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

1. **Prepare the Area:** Ensure you have sufficient space for assembly.
2. **Identify Components:** Separate and identify all metal frame pieces, glass panels, MDF panels, and hardware.
3. **Assemble the Frame:** Connect the chrome steel frame components according to the provided diagram, ensuring all screws are finger-tight initially.
4. **Attach MDF Panels:** Secure the espresso-colored MDF side panels to the frame.
5. **Install Glass Surfaces:** Carefully place the tempered glass panels onto the frame, securing them with the appropriate fasteners. Ensure the glass is seated correctly and evenly.
6. **Mount Keyboard Tray and CD/Printer Arm:** Attach the sliding keyboard tray and the movable CD/printer arm to their designated positions.
7. **Final Tightening:** Once all components are in place, systematically tighten all screws and fasteners. Do not overtighten.

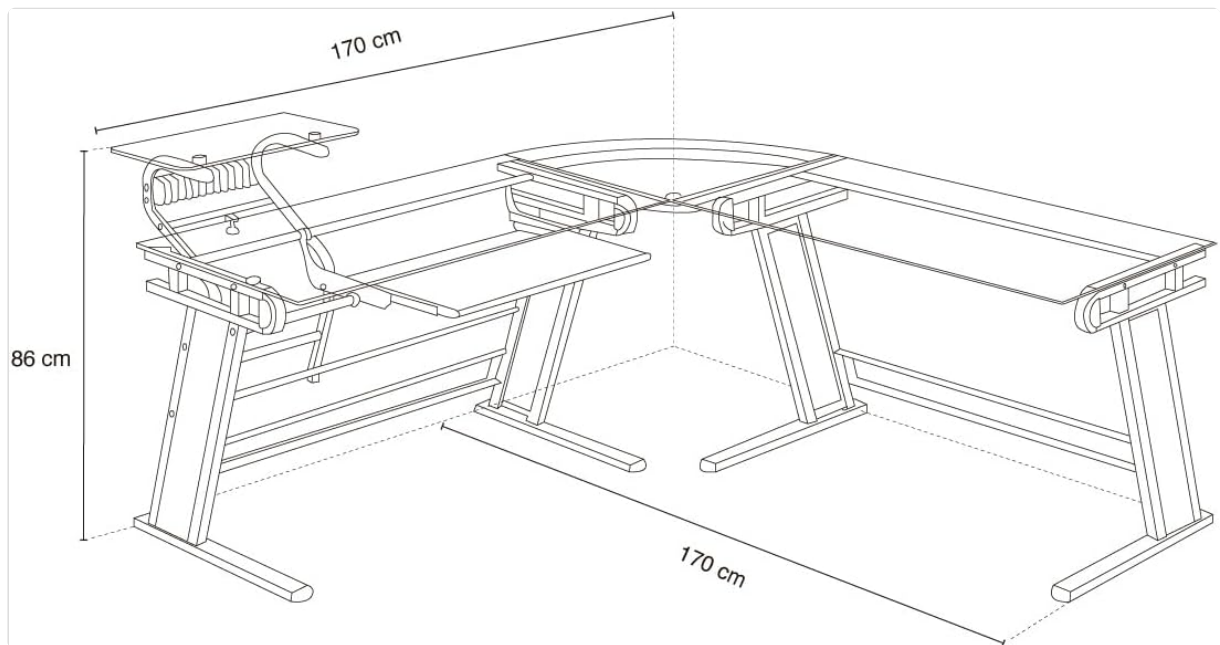

Figure 2: Dimensional diagram illustrating the overall size and L-shape configuration of the desk, crucial for planning your workspace. Dimensions are approximately 170 cm (Length) x 170 cm (Width) x 86 cm (Height).

Operating Instructions

Your L-shaped desk is designed for versatility and ergonomic comfort.

- **Keyboard Tray:** The keyboard tray is designed to slide smoothly for easy access and can be adjusted to your preferred ergonomic position.
- **Movable CD/Printer Arm:** The upper arm, designed to hold CDs or a small printer, can be moved to either side of the desk to best suit your setup.
- **L-Shape Configuration:** The desk's L-shape allows for efficient use of corner spaces and provides ample surface area for multiple monitors, documents, and accessories. The glass table positions can be interchanged to adapt to your specific room layout.

Maintenance and Care

Proper care will ensure the longevity and appearance of your desk.

- **Tempered Glass Surfaces:** Clean with a soft, lint-free cloth and a glass cleaner. Avoid abrasive cleaners or materials that could scratch the glass.
- **Chrome Steel Frame:** Wipe with a damp cloth and mild soap if necessary. Dry immediately to prevent water spots or rust. Avoid harsh chemicals.
- **MDF Panels:** Clean with a soft, damp cloth. Avoid excessive moisture. Do not use abrasive cleaners.
- **General Care:** Regularly check and tighten all fasteners to maintain stability. Avoid placing extremely hot or cold items directly on the glass without protective coasters.

Troubleshooting

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk Wobbles:** Ensure all screws and fasteners are securely tightened. Check that the desk is on a level surface. Adjust any leveling feet if present.
- **Parts Don't Fit:** Double-check the assembly instructions and diagrams. Ensure you are using the correct parts for each step. Sometimes, parts may appear similar but have subtle differences.
- **Scratches on Glass:** Minor scratches can sometimes be minimized with specialized glass scratch repair kits. For significant damage, consider contacting the manufacturer for replacement parts.

Specifications

Feature	Detail
Brand	Office Depot
Model Number	RTA-8015-6AF1L
Manufacturer	Techni Mobili Havano
Material	Tempered Glass, Chrome Steel, MDF
Color	Crystal (Glass), Espresso (MDF)
Dimensions (L x W x H)	170 cm x 170 cm x 86 cm (approx. 67 in x 67 in x 33.8 in)
Product Weight	56.23 kg (approx. 124 lbs)
Special Features	Sliding Keyboard Tray, Movable CD/Printer Arm, Interchangeable Glass Table Positions
