HLDIRECT Y-DESK

HLDIRECT 63-Inch Gaming Desk with LED Lights - Instruction Manual

Model: Y-DESK

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HLDIRECT 63-inch Gaming Desk. Designed for an optimal gaming and work experience, this desk features a durable carbon fiber surface, integrated LED lighting, and convenient accessories like a cup holder and headphone hook. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

SAFETY INFORMATION

Always follow assembly instructions carefully. Do not exceed the maximum weight recommendation of 150 lbs (68.04 kg). Ensure the table is stable and properly anchored to prevent tipping or collapse. Keep fingers and other body parts away from pinch points during assembly and use.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop Sections (Carbon Fiber Surface)
- Desk Legs (Alloy Steel, Y-Shape)

- LED Light Strips and Remote Control
- Cup Holder
- Headphone Hook
- Cable Grommets (2)
- Assembly Hardware (Screws, Allen Wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly typically requires two people. Follow the included step-by-step instructions for a smooth setup.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in your included manual to identify each piece.
2. **Assemble Desk Frame:** Attach the Y-shaped alloy steel legs to the main desktop sections using the provided screws and tools. Ensure all connections are secure.
3. **Install Desktop Accessories:** Secure the cup holder and headphone hook to the designated locations on the desk. Insert the cable grommets into the pre-drilled holes on the desktop.
4. **Attach LED Lights:** Carefully adhere the LED light strips to the underside or edges of the desk as indicated in the separate LED instruction sheet. Connect the LED controller.
5. **Adjust Leveling Feet:** Once the desk is fully assembled, place it in its desired location. Adjust the leveling feet at the bottom of the legs to ensure the desk is stable and level on uneven surfaces.

OPERATING INSTRUCTIONS

LED Light Operation

The integrated RGB LED lighting system is controlled via a remote control. Point the remote at the LED receiver to adjust settings.

- **Power On/Off:** Press the power button on the remote to turn the lights on or off.
- **Mode Selection:** Cycle through various lighting modes, including monochrome, variable speed, and multiple color gradients.
- **Brightness Adjustment:** Use the brightness controls to increase or decrease the light intensity.
- **Speed Variation:** Adjust the speed of dynamic lighting effects.

Accessory Use

- **Cup Holder:** Use the attached cup holder to keep beverages secure and away from electronic equipment.

- **Headphone Hook:** Hang your headphones or other small accessories on the hook for easy access and a clutter-free desktop.
- **Cable Grommets:** Route cables through the desktop grommets to manage wires and maintain a neat workspace.

MAINTENANCE

Proper care will extend the life and appearance of your gaming desk.

- **Cleaning the Surface:** The carbon fiber desktop is waterproof and wear-resistant. Wipe the surface with a soft, damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Checking Connections:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain desk stability.
- **LED Care:** Ensure the LED strips and controller are kept dry. Do not attempt to modify the LED system.

TROUBLESHOOTING

LED Lights Not Working:

- Ensure the power adapter is securely plugged into both the LED controller and a working power outlet.
- Check the connection between the LED strips and the controller.
- Verify the remote control batteries are functional and correctly inserted.
- Ensure there are no obstructions between the remote and the LED receiver.

Desk is Unstable/Wobbly:

- Confirm all assembly screws are tightened securely.
- Adjust the leveling feet on the bottom of each leg to compensate for uneven flooring.
- Ensure the desk is placed on a flat, stable surface.

Missing or Damaged Parts:

If you discover any missing or damaged parts upon unboxing, please contact HLDIRECT customer support immediately for assistance.

SPECIFICATIONS

Feature	Detail
Brand	HLDIRECT

Model Number	Y-DESK
