HLDIRECT Y-DESK

HLDIRECT 40-Inch Gaming Desk with LED Lights User Manual

Model: Y-DESK

Introduction

Thank you for choosing the HLDIRECT 40-Inch Gaming Desk with LED Lights. This desk is designed to enhance your gaming and work experience with its carbon fiber surface, integrated LED lighting, and convenient accessories like a cup holder and headphone hook. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

Safety Information

Please read and understand all safety instructions before assembling and using the desk. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully to avoid injury.
- Do not exceed the maximum weight recommendation of**150 lbs (68.04 kg)** to prevent structural damage and potential injury.
- Ensure the table is level and stable by adjusting the feet before use to prevent tipping or collapse.
- Keep all electrical components (LED lights, power cables) away from liquids.
- Do not allow children to climb on or play with the desk.
- Periodically check all screws and connections to ensure they remain tight.

Package Contents

Before beginning assembly, please verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop (Carbon Fiber Surface)
- Desk Legs / Frame Components (Alloy Steel)
- LED Light Strips and Controller
- Cup Holder
- Headphone Hook
- Assembly Hardware (Screws, bolts, washers)
- Assembly Tools (Hex key, screwdriver)

- User Manual

Setup and Assembly Instructions

Assembly is straightforward, and all necessary instructions and tools are included. Please follow the step-by-step guide provided in the separate assembly manual for detailed visual instructions. Below is a general overview:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Attach the desk legs and support beams using the provided hardware. Ensure all connections are secure but do not overtighten initially.
3. **Attach Desktop:** Place the carbon fiber desktop onto the assembled frame and secure it with the designated screws.
4. **Install Accessories:** Attach the cup holder and headphone hook to their respective positions on the desk.
5. **Connect LED Lights:** Install the LED light strips according to the separate LED instruction guide and connect them to the controller and power source.
6. **Final Tightening & Leveling:** Once all parts are in place, tighten all screws securely. Adjust the leveling feet at the bottom of the desk legs to ensure the desk is stable and level on your floor.

For detailed visual instructions, refer to the included assembly guide.

Operating Instructions

LED Lighting System

The desk features an integrated RGB LED lighting system to enhance your environment. The lighting can be controlled via an APP (refer to the separate LED instruction guide for APP download and pairing) or a remote control (if included).

- **Power On/Off:** Use the designated button on the controller or APP to turn the lights on or off.
- **Mode Selection:** Choose between various lighting modes, including static single colors, variable speed effects, and multiple color gradients.
- **Brightness Adjustment:** Adjust the intensity of the lights to your preference.
- **Speed Variation:** For dynamic lighting modes, adjust the speed of color transitions.

adjustment, color flow, and speed adjustment.

Cup Holder

The integrated cup holder is designed to keep your beverages secure and prevent spills on your desktop and electronic devices. Simply place your cup or bottle into the holder. Ensure the cup holder is securely attached to the desk.

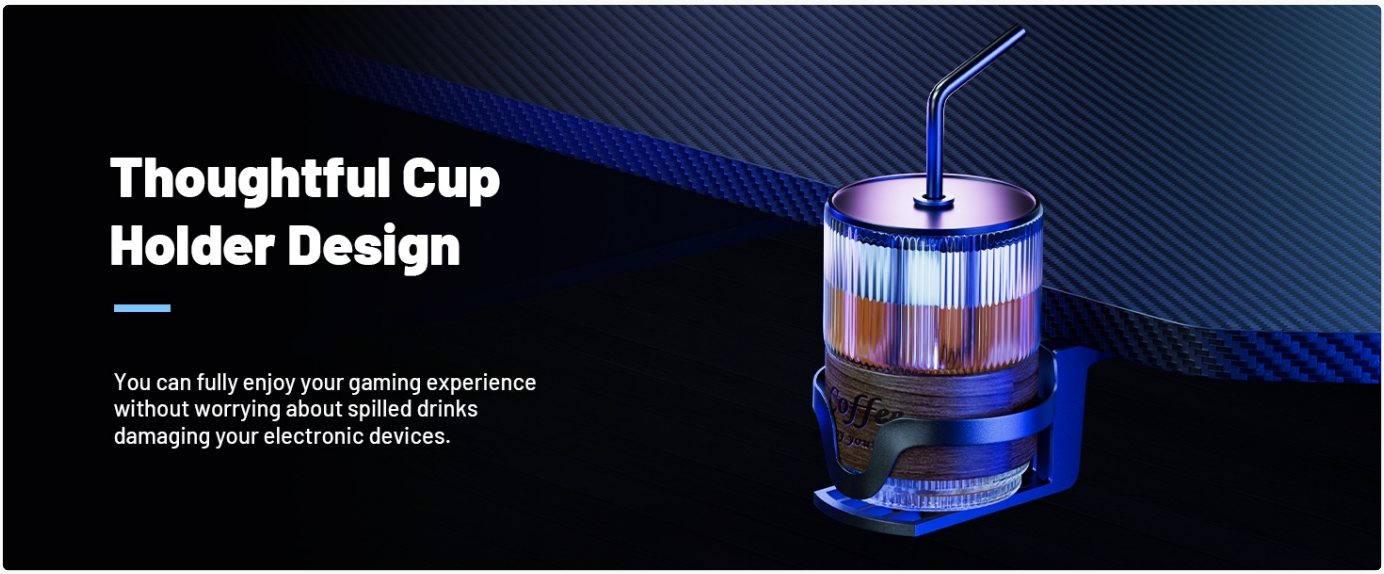

Image: Detailed view of the thoughtful cup holder design, showing a beverage securely placed in it, preventing spills.

Headphone Hook

The practical headphone hook provides a convenient storage solution for your headphones, keeping them easily accessible and preventing them from being crushed, tangled, or damaged on the desktop. Hang your headphones on the hook when not in use.

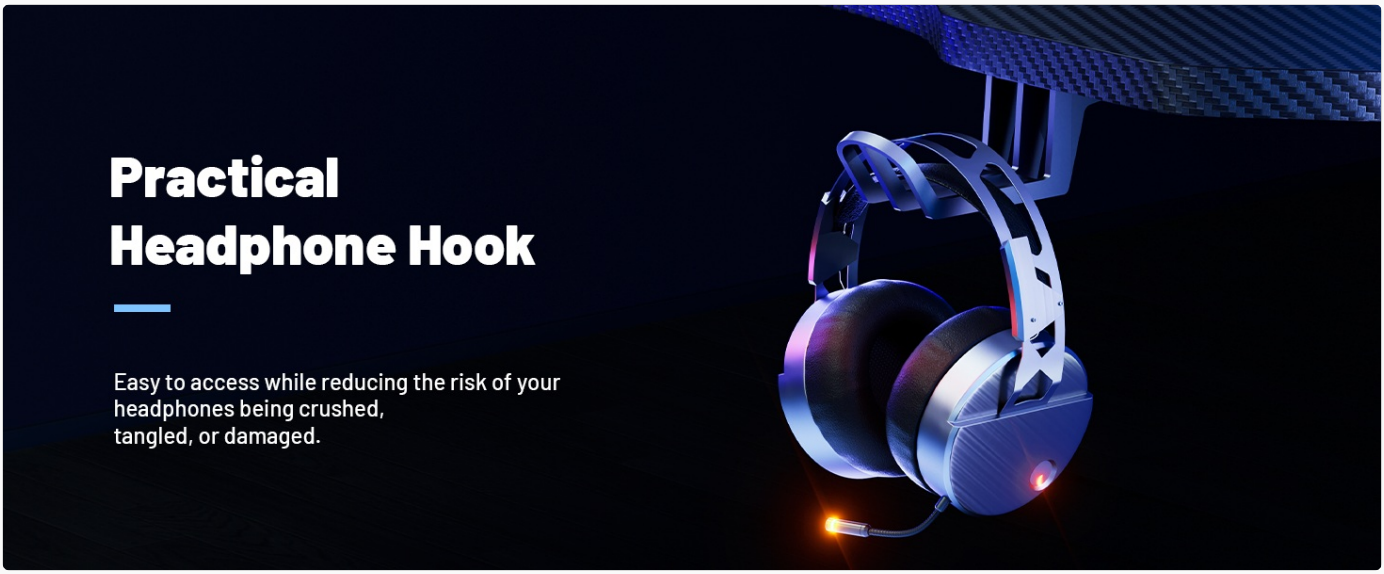

Image: Close-up of the practical headphone hook, showing headphones neatly stored underneath the desk.

Maintenance

Proper maintenance will ensure the longevity and appearance of your HLDIRECT Gaming Desk.

- **Cleaning the Desktop:** The carbon fiber surface can be cleaned with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Frame Cleaning:** Wipe the alloy steel frame with a damp cloth. Dry immediately to prevent rust.

- **Check Connections:** Periodically inspect all screws and bolts to ensure they are tight. Retighten as necessary to maintain desk stability.
- **LED Lights:** Ensure LED strips and connections are free from dust and debris. Do not attempt to repair damaged LED strips; contact customer support.

Troubleshooting

If you encounter any issues with your HLDIRECT Gaming Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose screws; uneven floor; leveling feet not adjusted.	Ensure all assembly screws are tightened. Adjust the leveling feet on the bottom of the desk legs to compensate for uneven flooring.
LED lights are not working.	Power connection issue; faulty controller/strip; APP not connected.	Check if the power adapter is securely plugged into both the wall outlet and the LED controller. Ensure the LED strips are properly connected to the controller. If using an APP, verify Bluetooth connection. If issues persist, contact customer support.
Cup holder or headphone hook feels loose.	Improper installation; loose attachment screws.	Re-attach the accessory, ensuring all screws are tightened according to the assembly instructions.

If you encounter a problem not listed here or if the suggested solutions do not resolve the issue, please contact HLDIRECT customer support for assistance.
